The Aggie baseball team settled into the role of spoiler over the weekend as it dropped two games in a three game series to the Baylor Bears in Waco.

The pair of defeats mathematically eliminated Coach Tom Chandler's team from the Southwest Conference pennant chase with a 5-5 conference slate. Texas leads the conference with an 11-0 record while Texas Tech is second with a 7-3 mark.

Tech travels to Austin this weekend to play Texas needing a pair of wins to keep the race alive. If the Red Raiders should prevail against Texas, the Aggies would have their chance as spoilers the next weekend as they host the Longhorns in College Station.

The Aggies' bats were again silent in their series with Baylor, as they could score only two runs in the three games. Dave Benesh pitched a five-hitter for the Aggies in Friday's opening game but the Bears came up with four unearned runs to win 4-0. The Aggies banged out six hits but left eight men stranded as they failed to score. Jim Raley and Bob Long led A&M's attack with two hits apiece.

Doug Rau spun a four-hit shutout in Friday's second game to give the Aggies a 1-0 victory. Rau was brilliant in chalking up his fourth SWC win against one defeat as he struckout 13 while walking two.

Coach Chandler's baseballers scored a run in the first of Saturday's windup game and attempted to make it hold up but a late Baylor rally brought victory to the Baptists. The Bears tied the score with a run in the seventh and then scored seven times in the eighth for a 8-1 win.

Freshman Charles Kelley shutout the Bears for six innings before having the roof cave in on him. Kelley is now 1-2 in SWC play.

Bob Arnold had three hits to pace A&M's nine hit attack.

## Kansas Overpowers Strong Thinclads

By RICHARD CAMPBELL

The Texas Aggie thinclads turned in some fine individual performances Saturday in the star-studded forty-fourth Kansas Relays as the awesome Jayhawks swept to an easy first place win.

Kansas, with Julio Meade running both anchor legs swept the 440 and 880 relays to give them four of the seven relay titles. In addition, the Jayhawks had sev-

en individual champions with George Byers winning the 120-yard hurdles, Stan Whitley, long jump; Jan Johnson, pole vault; Karl Salb, shot put; Doug Knop, discus; Ken Gaines, triple jump; and Bill Penny, hammer throw.

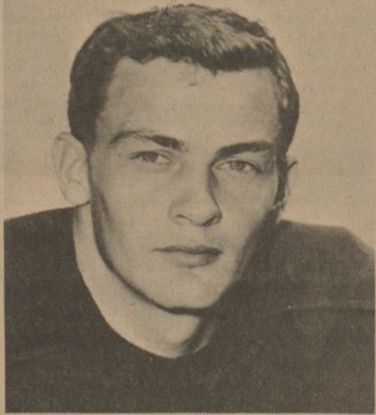

A&M's Rockie Woods provided most of the Aggie cheers with a fast 9.4 second place finish in the 100-yard dash. The 9.4 was the third that Wood has to his credit so far this year and he stands a good chance of winning the event in the Southwest Conference Meet on May 9-10 in Waco.

Jack Abbott finished fifth in the 120-yard high hurdles to give A&M some more points and the mile relay team finished fourth behind the Rice Owls, Nebraska and Texas. The Owls, even without the services of speedy Dale Bernauer, clocked a fast 3:07.0 to capture the title easily over Nebraska, who had a 3:09.3. Texas was timed in 3:10.2 with the Aggies just a step behind. Dave Morton of the Longhorns turned a 46.8 anchor leg to edge Aggie rival Curtis Mills, who blazed the first 220 yards but faded in the stretch as Morton held him off.

Olympian Jim Ryun of Kansas stole the show in Saturday's competition anchoring the Jayhawks to a world record 9:33 in the distance medley. Ryun, running for the last time before his home fans was cheered to the finish line by a throng of 20,000 as he was clocked in 3:56.7 for his anchor leg.

Another Olympic performer, Charlie Greene of Nebraska, Blazed to a first place in the open 100-yard dash with a time of 9.3. His performance along with Kansas State's two relays titles were the only detractors from the Jayhawks' power sweep.

The next action for the Aggie tracksters will be this weekend when they travel to Des Moines, Iowa for the third leg of the Midwest spring track circuit, the Drake Relays.

## NFL Saints Sign Aggie QB Hargett

Edd Hargett, the quarterback supreme of the Texas Aggies for three years, signed a contract Saturday with the New Orleans Saints of the National Football League.

Hargett, who left a mountain of A&M and Southwest Conference records in his wake, was drafted by the Saints in the 16th round in January.

A two-time All-SWC choice at quarterback, Hargett holds 19 A&M marks for passing and six SWC records. He finished fifth in all-time NCAA total offense yardage, third in pass completions, and third in passing yardage. A 6-0, 186-pound senior from Marietta, Tex., Hargett is a distinguished student majoring in electrical engineering.

## 'Hawk' Trade Still Undecided

BOSTON (AP) — The Ken Harrelson trade remained snarled Monday as Cleveland officials sought unsuccessfully to contact the ex-Boston Red Sox slugger in hopes of persuading him to accept being dealt to the Indians.

Gabe Paul, president and general manager of the Indians, said he tried to reach the Hawk during the day Monday but "he's not available right now. He's playing golf."

Paul, contacted with his ball club in Baltimore, said he "pro-

bably will talk" to Harrelson, but as for where and when, "I don't know what my plans are."
