## SENIORS

In 1965, we first offered graduating Aggies the popular plan of 100% financing at bank rates and other unique features. Now, for the first time by any dealer, we offer car leasing at even lower monthly rates than car payments.

# look before you lease

Maybe you've thought it's a smart idea to lease your next car—but you're not sure where to go from there. No problem. Just see your Chevway/Chevrolet dealer. Walk into the Chevy showroom, just as you've always done. Check out the new models, and take a demonstration ride. You needn't depend on catalog sheets or imagination—we specialize in leasing Chevrolets and other fine GM cars. Car leasing isn't so different from buying. Either way, we'll give you top value in a new Chevrolet.

## Cubs Tie Record With 19-0 Shutout

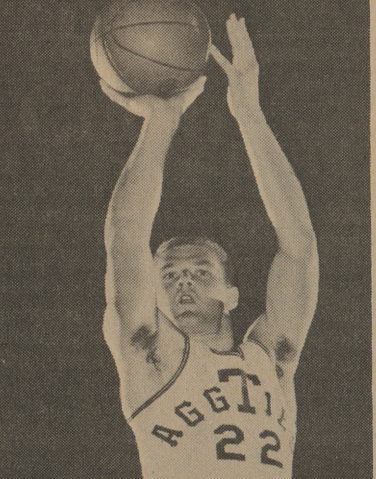

**CHICAGO (AP)** The Chicago Cubs tied the highest shutout score in the modern National League history Tuesday when they bombed San Diego 19-0 on a three-hitter by ex-Padre Dick Selma, who fanned 10. The Cubs of 1906 beat the New York Giants 19-0 and the Pittsburgh Pirates of 1961 humbled St. Louis by the same score. The American League record is 21-0 by Detroit over Cleveland in 1901 and New York over Philadelphia in 1939. The all-time high shutout was 28-0 by Providence over Philadelphia, Aug. 21, 1883 in the early days of the National League. It was the third straight shutout by the Cubs' staff, extending the scoreless string to 28 innings by Ken Holzman, Ferguson Jenkins and Selma. Ernie Banks tied the season high in the majors with seven runs batted in on two three-run homers and a double before leaving the game after six innings. Nate Oliver and Don Young also hit home runs in the Cubs' 15-hit attack. Billy Williams slammed a pair of triples. Banks, the Cubs' 38-year-old first baseman hadn't homered since his two on opening day against the Phillies, but he connected against loser Dick Kelley in the first and Leon Everitt in the fifth, each time with two on. Selma, acquired by San Diego from the New York Mets in the expansion draft and traded to the Cubs in late April, gave up infield singles to Jerry DaVanon in the first and eighth and a double to Nate Colbert in the second.

### T-Association Elects Officers

Buster Adami was elected president of the Texas A&M "T Association" for the fall semester of 1969 this week. A senior linebacker on the A&M football team, Adami is from Freer and is majoring in government. The varsity athletic lettermen's group also named Mike Heitmann as vice-president; Jimmy Adams as secretary-treasurer; Lynn Odom as sergeant-at-arms and Bill Brown as publicity chairman. Heitmann and Brown are both members of the Aggie's Southwest Conference championship basketball team while Adams and Odom are both footballers. Adams is a chemical engineering major from Houston while Heitmann is a pre vet medicine major from Houston. Odom is a management major from Corsicana and Brown is a marketing major from Galveston. Outgoing officers included Terry Trippett, president; Grady Allen, vice-president; Johnny Underwood, secretary-treasurer; and Jerry Campbell, sergeant-at-arms. The club is planning a party for its initiates this Sunday at Lake Somerville. All T-Association members should have their picture taken at University Studios as soon as possible, according to James Creel, editor of the Aggieband.

## J. Alou Impresses Walker

**NEW YORK (AP)** — Manager Harry Walker is well known for his reclamation of Matty Alou, but he claims hands off on brother Jesus Alou, although Jesus is a long way from leading the National League in hitting. "There's no need to work with this guy," said Walker about Jesus, who has hit only .197 since coming to the Houston Astros in the controversial Donn Clendenon trade last winter. "He's probably just pressing. There was so much pressure on him after the publicity about the trade. "Jesus has been hitting pretty good, but his timing has been off. He's a little too quick, not waiting long enough for the pitch." Walker insists that all he is doing with Jesus is trying to get him to wait longer for the pitch, and that's a far cry from what he did with Matty when Walker was managing Pittsburgh two years ago. By teaching Matty to hit the ball to all fields, he helped turn him into a batting champion that season. But Walker has tried to let Jesus hit his way out of the early season slump because he feels what he did for Matty does not apply to Jesus. "Matty had good ability," Walker explains, "but he tried to pull the ball too much. We got him to think differently. "Matty is a lefty and hitting to the opposite field we felt he could beat out more hits. Jesus is a right-hander so we don't want him going the other way as much. It's easier to be thrown out by the second baseman than by the shortstop or third baseman. "Matty liked the idea and that made him easy to teach—he was willing to accept it. And Walker realizes that Matty and Jesus are just different type hitters. "Jesus has a longer stroke. He doesn't choke the bat as much as Matty, who has a short compact swing. Jesus also lunges at the ball more—even more than the other brother, Felipe. But, surprisingly, Matty hits the ball harder, although he's smaller," Walker says. "But when we got Jesus, he had always hit about .275 and we feel he'll hit between .275 and .310 in the Astrodome. So why try to change him? He'll come along without a lot of teaching."

## Big Fourth Inning Gives Giants Win

**PITTSBURGH (AP)**—Dick Dietz and Bobby Bonds each drove in two runs with singles in an eight-run fourth inning explosion and the San Francisco Giants went on to trim Pittsburgh 11-8 Tuesday night. After the Pirates, triggered by Al Oliver's two-run homer, took a 3-0 lead in the first off rookie Rich Robertson, the Giants scored twice off Bob Moose in the third. The Pirates came back with one in their half on Richie Hebner's second homer, but San Francisco broke the game open in the fourth. Ken Henderson led off with his first homer. Two walks and Hal Lanier's single filled the bases and Bonds followed with his two-run single. With one out, Willie Mays and Willie McCovey rapped run-scoring singles. Another walk refilled the bases and reliever Luke Walker walked Henderson, forcing Mays, before Dietz' two-run single capped the uprising. The Astros scored five runs on five hits and an error in the third-inning rally, sending 11 batters to the plate.
