B-CS Businessmen Give Scholarship

The Bryan - College Station Chamber of Commerce has presented its second annual \$300 scholarship to Texas A&M University.

Lowell Jones, vice president of the chamber's Commercial Division, made the presentation Thursday to Dr. John E. Pearson, dean of the College of Business Administration.

A similar scholarship was given

last year to the College of Agriculture.

Jones said the annual program which he expects to grow numerically will alphabetically rotate each year among the university's various colleges.

Pearson said the scholarship will go to an incoming outstanding student, or one already enrolled in the college's program.

The college's Scholarship Committee will make the decision.
