Froggies' Judy Punches Aggies, 16-6

By Richard Campbell Battalion Sports Editor

Steve Judy is everything he's cracked up to be, as the Texas Aggies found out the hard way Saturday in Fort Worth by dropping themselves into the conference cellar with a 16-6 loss to the Texas Christian Horned Frogs.

The Aggies, now 0-2 in conference play, found that the sophomore signal caller from Longview indeed lives up to his press clippings as he riddled the solid A&M defense for 397 total yards. He tempered the Horned Frogs attack using hard-charging tailback Marty Whelan overland and relying on his own swift arm through the air.

A windswept Parents Day crowd of 38,123 saw the Horned Frogs post their first win over the Aggies since 1965.

It was also the first win this season for the crusty Frogs who played a murderous schedule in-

cluding Purdue, Ohio State and Arkansas. They are now 1-2 in SWC play.

Whelan, starting in place of injured Frog star Norm Bulaich, was virtually unstoppable as he toted 32 times for 134 tough yards right up the middle of the Aggie defensive line. Judy went to the air only when he needed to and made it pay off as he hit on 13 of 20 for 183 yards.

The Frogs set the tempo of the game as they took the opening kickoff and marched 80 yards for a touchdown with Judy plunging the final yard. Wayne Merritt converted and TCU led 7-0. Whelan carried six straight times on the drive for 36 big yards.

The Frogs used only 11 plays to move 55 yards for their second touchdown late in the second quarter. Judy hit split end Jerry Miller for 25 yards for the big play in the drive and tossed the payoff pitch of 10 yards to flank-

er Linzy Cole, all alone in the end zone. Mike Lord blocked Merritt's extra point try and the score was 13-0.

The third period was largely a punting duel with Whelan and A&M's Jimmy Sheffield providing the show until on its last possession, the Frogs went from their own 36 to the Aggie 27 to set up a 44-yard field goal by Busy Underwood. It was the third longest in TCU history and gave the Frogs a 16-0 advantage.

Fortunately, all that Whelan did Saturday was not good. Early in the fourth period he got off a nine-yard punt to set the Aggies up in Frog territory. A&M quarterback Rocky Self wasted no time moving in as he hit flanker Barney Harris for 12 and hit fullback Marc Black twice for 17 and 18 yards. But a clipping penalty on the first toss to Black slowed the drive.

On the next play Self rolled out to the right side and spotted tight end Ross Brupbacher all

alone on the sidelines at the 15. He hit him with a bullet and Brupbacher tightroped down the sideline and went in for the score. On the conversion, A&M went for two as Self dropped back wanting to pass but changed his mind and tried to run it in. But the Frogs defense collared him at the two and kept him out of the end zone and the scoring ended.

Brupbacher was the top Aggie receiver with three catches for 75 yards but became the goat when he caught a quick look-in pass from Self and rambled 49 yards before he was tackled and jarred loose from the ball. TCU's James Vanderslice recovered and that was the last time the Aggies had a chance or the ball.

From there, the Frogs, behind Judy's fine play-calling controlled the ball for nearly eight minutes keeping the Aggies from ever threatening again. The final time-consuming drive got the Frogs all the way to the A&M 19 before Judy was tackled for

a 23-yard loss by Jim Piper and Corky Sheffield on the last play of the game.

Larry Stegent, the Aggie workhorse tailback was limited to 21 yards in 14 carries by the surprisingly tough TCU defense. The Aggies accounted for only 17 rushing yards for the game.

Ohio State Stays Atop AP Poll

By Mike Recht Associated Press Sports Writer

A tie is not only like kissing your sister, it doesn't satisfy the football voters either and thus Southern California and Notre Dame failed to woo the pollsters in this week's major college rankings.

After their 14-14 deadlock last Saturday, Southern Cal dropped from third to seventh in The Associated Press rankings released Monday while the Irish fell one place to 12th in their bid to return to the top 10.

Tennessee used Alabama to make the biggest inroad in the rankings by surging from seventh to third after whumping the Crimson Tide 41-14.

Ohio State lost a few points from the previous week, but easily returned to top ranking with 27 first place votes and 666 points after clobbering Minnesota 34-7.

Texas retained No. 2, after an idle Saturday, with five top ballots and 612 points. The difference between the two was 710-638 the week before.

Arkansas, also idle, remained fourth with 417 behind Tennessee's one top vote and 435 points. Penn State, which dropped three spots to eighth after narrowly beating Syracuse 15-14, had the only other first place vote in the balloting by sportswriters and broadcasters throughout the country.

Other changes in the first 10 moved Missouri up one place to fifth and UCLA from eighth to

sixth. Louisiana State and Florida remained ninth and 10th, respectively, as none of the top 10 has been beaten.

In the second 10 Purdue and Mississippi made the biggest jump, two places to 15th and 17th, respectively, while Michigan, 13th last week, and Alabama, No. 20, dropped out after losses. The new teams are Kansas State, No. 18, and Air Force, No. 20.

No admission will be charged, and the public is invited. The varsity match will be followed by a B game.

Texas A&M's cross country team goes to Waco Friday for a 4 p.m. triangular meet with Texas and Baylor.

The Aggie harriers have beaten LSU and Lamar Tech while losing to Houston, Texas, Abilene Christian and Baylor.

Running for A&M will be Sammy Skinner, Bill Johnson, Paul Shimon, Steve Gonzalez, Jim Haynie, Joe Waltz and Tom Wilson. The meet will be held at the Connally Air Force Base golf course. The cross country team is coached by Ted Nelson.

Honestly, SONY makes the best!

(Would we kid you on Washington's Birthday?)

Washington was a great revolutionary... and so is this little Sony Compact Stereo: The HP-150. Because it proves, once and for all, that concert hall fidelity can come in a small beautiful package.

Sony design starts with a solid walnut cabinet and a 17 silicon transistor power amplifier that delivers a full 20 watts of IHF music power. A sensitive Pickering Magnetic Cartridge and a Garrard 4-speed automatic turntable are built into the system for total quality performance.

For outstanding sound reproduction, the bookshelf-size dual speakers have a 5" woofer and a 2" tweeter in each. Only 13" high, they're small enough to fit anywhere for perfectly brilliant stereo. And besides the head set jack, there are enough inputs to build a do-it-yourself recording studio.

Altogether the HP-150 is some music system. And that's no lie.
