

Bears Resemble Frogs, Stallings Says

By Richard Campbell
 Coach Gene Stallings summed up the Baylor Bears up Tuesday in his weekly press conference as being about the same type of team as TCU is.
 "They've had a week off and are bound to have helped them," Stallings said. "I know that they lost their quarterback but they had several rest days and several contact days in too."
 Baylor's tentative starter at quarterback will be Steve Stuart, who will take over the reins from sophomore Si Southall (Terry's brother) who underwent knee surgery last Friday and is out for the year. However, it was Stuart who quarterbacked the Bears last year when they defeated the Aggies 10-9 in Waco.
 "He's a good quarterback," Stallings said. "And this is the same Baylor team that beat us last year with 21 starters coming back."
 Stallings also noted that the

Bruins had altered their attack somewhat since the start of the season and in this respect they resemble TCU.
 "They have dropped their old style attack with the pro set offense and have gone to an attack which runs right straight at you with more sprint-out passes," he said.
 Injuries seem to have finally caught up with the Aggies after their clash with the Horned Frogs Saturday.
 "If we had to play today," Stallings said, "about eight of our players couldn't play. We had eleven injuries against TCU but they're getting better and I expect most to be ready by Saturday night with the exception of Billy Bob Barnett.
 Barnett, the converted basketball standout who has started the last two games at defensive right end, had his calf stepped on and it has swollen.
 "There was a lot of contact in

this game and more soreness on the squad," he continued, "probably more than any game we've played this year."
 Stallings cited several factors which might have led to the Aggies' loss to the Horned Frogs which to some may have looked one-sided, but according to Stallings was really not.
 "After viewing the films of the game, we were pleased with the performances at most positions. But TCU played well too.
 "The difference in the game was their ability to keep the football for seven minutes into the wind in the first and fourth quarters."
 Their line blocked well, Whelan (tailback Marty, who gained 134 yards) ran well, and their quarterback (Steve Judy) did a good job.
 Stallings named some plays which could have turned the tide and one of them was the Aggies' mixup at the end of the first

quarter when time ran out before they could get away a field goal with the wind. As it turned out, the quarter ended and they had to kick into the wind and Mike Bellar kicked the ball true but it fell short in the end zone.
 "I honestly don't know what was wrong. I can't say that our kicker was at fault because I could have called time out myself."
 "Another big play was the long pass to Bruppacher. He was not to blame because he was trying to gain every yard he could but fumbled and instead of us having it on their 20, they recovered it."
 "The big play was the punt which the TCU boy dropped and Bruppacher recovered but TCU got it instead on their 17. Any

one of these could have changed the outcome of the game."
 Several players were singled out by Stallings as having played well despite the outcome.
 "Larry Stegent played well although he didn't pick up much yardage, and the Odom brothers and Buster Adami played pretty well. Our offensive line even blocked pretty well but it seemed like five guys would block well and one wouldn't and ruin the play.
 "You know if the line opens a hole and nobody blocks the line-backer, it can mean the difference between a one-yard gain and a 15-yard one."
 There will be no personnel changes for the Baylor clash aside from Wayne Wheat, who may take Barnett's place.

 Marty Whelan, a 188-pound TCU tailback, gained three of his 134 yards against the Aggies on this carry before Billy Bob Barnett and Mike Lord (52) can put the collar on him. (Photo by Mike Wright)

A&M Soccer Team Wins Two Games

By Mike Wright
 Assistant Sports Editor
 The Texas Aggie Soccer team (4-0) rolled to two victories this weekend over Texas Christian University (2-1) and the University of Texas at Arlington (1-0) as they moved into second place in the Texas Collegiate Soccer League behind St. Mary's University of San Antonio.
 The Saturday morning game on the TCU campus was high-

lighted by the ability of the Aggie booters to control the ball put pressure against the stubborn Frog defense.
 Although scoring only two goals, the Aggies kept the TCU offense bottled up in their own end of the field and out of striking distance.
 The Aggies scored in the second period of play when Carlos Garza punched in a goal. Later team Captain Roberto Provenzale booted in a goal to end the scoring for the Aggies.
 The Aggies were scheduled to play the Rebels in Arlington but at the last moment they forfeited the game.

Redskin Runner Makes His Move

NEW YORK (AP)—Larry Brown, a No. 8 draft pick by the Washington Redskins, has moved into the runnerup spot among the National Football League's rushers in the latest statistical release.
 When Vince Lombardi came to Washington, one of his first moves was to strengthen the ground game to provide some support for Sonny Jurgensen's passing. Brown, a 5-foot-11, 195-pound rookie from Kansas State, has helped beef up the Redskins running game.
 Brown picked up 105 yards in 17 carries last Sunday against the New York Giants and moved from fifth to second among the rushers.
 Calvin Hill, the Dallas rookie from Yale, continues to show the way with 412 yards on 80 carries. Ron Johnson of Cleveland, the Michigan rookie, is third for a 1-2-3 sweep by first year men.
