

Faculty Votes To Impeach UT Regent

AUSTIN (AP) — The general faculty of the University of Texas at Austin Tuesday night voted to ask the legislature to impeach Frank C. Erwin Jr. if he refused to resign as chairman of the UT board of regents.

But Erwin replied he has no intention of resigning his post. The vote was 242 to 197 out of a total general faculty membership of 1,450.

The faculty approved the resolution by a show of hands after debating the measure only five minutes.

Erwin said he "sincerely regretted" the faculty action, taken by what he called less than 30 percent of the general faculty

with less than 20 per cent of them approving the request.

The faculty resolution, offered by six teachers, calls on Erwin to resign both as chairman and as a member of the board of regents.

"In the event that he refuses, we call upon the House of Representatives of the Texas Legislature to institute impeachment procedures against him at the earliest possible opportunity," the resolution said.

UT-Austin President Norman Hackerman, who presides over general faculty meetings, said, "It is my opinion that Mr. Erwin has indeed contributed to the well-being of the university."

The resolution said Erwin "has evidenced an inability to understand the basic concepts of academic freedom, a desire to interfere in the internal workings of the university, a flair for making public statements of an inflammatory and insulting nature on controversial matters . . . and has acted in a cavalier fashion as regards the explicitly stated responsibilities and regulations governing the office of chairman of the board of regents."

Erwin's actions, the resolution said, "make it ever more difficult for the University of Texas at Austin to continue its good record of reasonable and responsible interaction among adminis-

trators, faculty and students in these troubled times."

Erwin said of the resolution, ". . . my answer to that small minority is the same I have always made to the Students for a Democratic Society (SDS). I was not appointed by them, and I have no intention whatever of resigning as a result of demands that they make."

"I am persuaded that the people of Texas are sick and tired of paying taxes to support this kind of conduct on the part of both the faculty and students," Erwin said.

Erwin was state Democratic party chairman when former Gov. John Connally appointed

him to the board in 1966. He later became national Democratic committeeman from Texas, he gave up last year. His close friend and frequent adviser of Lt. Gov. Ben Barnes.

Often involved in controversy, he most recently aroused criticism when he personally supervised the destruction of several large trees along the UT-Creek last Wednesday as he pulled protesters from the area.

He also was the target of student and faculty wrath in years for calling anti-demonstrators "dirty nothing" for labeling some liberal professors as "bomb thro-
