## B-CS Boys Basketball League Organizing

The Bryan-College Station Junior Flag Football League, which has just successfully completed its first season is now organizing a boys basketball league, announced David Nava, a spokesman.

Nava said the league, organized and run by Aggies, needs students to help coach, officiate and keep score for the youngsters of the Bryan-College Station area.

There were approximately 55 boys out for the League Wednesday, Nava said.

The league is playing games Monday through Thursday afternoons from 5:30 to 6:30 in Lincoln Gym in College Station. Nava urged anyone who is interested in helping to call him at 845-6901 or see him in Room 325 Crocker Hall.

## Fire Trucks Delivered To College Station

Two new fire trucks were re-

ceived Thursday by the city of College Station, according to Mayor D. A. "Andy" Anderson.

Manufactured in Elmira, N.Y., by the American La France Co., the two 750-gallon per minute pumpers were delivered from the service and distribution center at Houston.

The units are temporarily stored in the new fire station on State Highway 6.

Except for a service check-out to see that they are in good operating condition, they could be put into service almost immediately, Anderson said. Radios will be installed in the units within the week, he said.

The fire trucks were ordered by the city a year ago at a cost of about \$69,000.

Some furnishings for the new fire station will be installed within the next three weeks, the mayor said.

conference are County Judge William K. Vance; Bryan city manager Fred Sandlin and his College Station counterpart, Ran Boswell; CS mayor D. A. (Andy) Anderson, Bryan Mayor Jack Zubik; Jake Cangelose, county CD director; John Hill, A&M CD director; George Huebner, College Station CD director, and Henry Alsmeyer, county CD administrative officer.

On the recommendation of the student-staff University Faculty Committee, Hartsock said that students may now include in their weekly laundry bundle five shirts (knit not included) or two shirts (knit not included) and one jacket (fatigue, clinic, or waiter) or two jackets (fatigue, clinic, or waiter).

## Coffee Loft Features Movie, Folk Group

The Coffee Loft will present a movie and folk music by The 3rd Generation tonight.

The United Campus Christian Fellowship (UCCF) sponsored program at North Gate will feature the movie, "Memorandum," at 8.

"Memorandum" is the story of survivors returning to the present day site of the German concentration camp at Bergen-Belsen. The theme of the movie is that the same thing, though in a more subtle form, could possibly happen again.

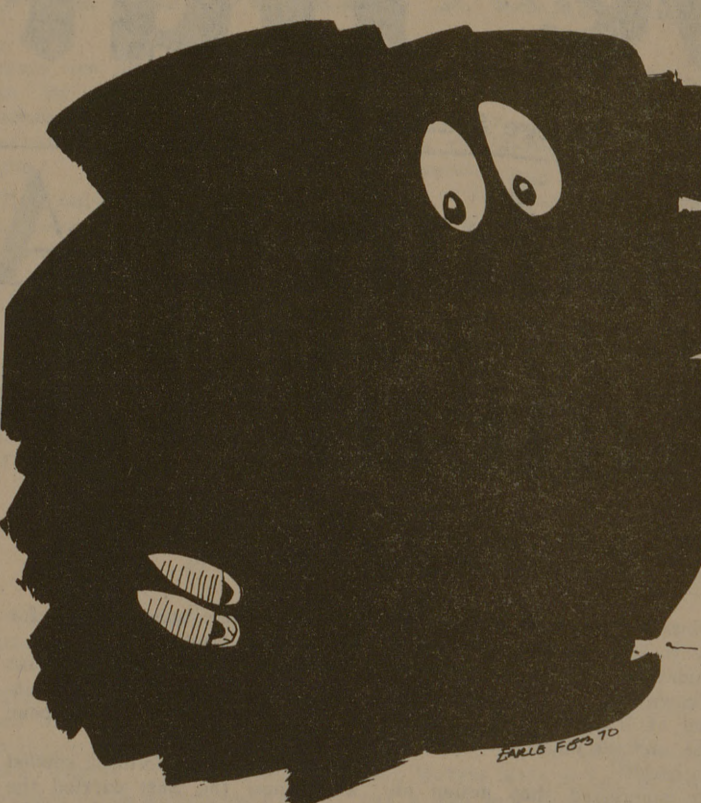

A short discussion will take place afterward. Scheduled for approximately 9:30 is a 45-minute performance by The 3rd Generation.

This new folk group on campus will combine music with comedy on the subjects of the Civil War, the cost of dying and wishful thinking. Featured as an opening number is "Beer Bottle," the unofficial Aggie drinking song.

In order to help cover expenses, an admission price of 50 cents will be charged.
