

Relay Team Places 2nd; Mills Wins

Curtis Mills notched another victory this past weekend before a crowd of over 11,000 fans at Madison Square Garden.

Mills ran a 48.3 in the 400 meter dash to win over Larry James of Villanova who was clocked in 48.6. Tommy Turner of Murray State (Kentucky) placed third in 49.1 and European champion Jan Warner finished fourth in 50.1.

The Aggie mile relay was de-

feated for the first time by Villanova in a vicious mile relay which saw Adelphi and the Sports International Track club who finished first and second disqualified for pushing. Villanova was timed in 3:18.3 while the Aggies raced the distance in 3:19.0.

Harold McMahon ran the first quarter in 50.0 seconds and was in third place when he handed the baton to Curtis Mills who ran his quarter in 48.0 but still

was second after his lap.

Marvin Mills ran a 50.0 to stay in second place but a great amount of shoving took place as the final hand off was given to Willie Blackmon and when the smoke cleared the Aggies were in third and never regained their momentum.

Assistant coach Ted Nelson who accompanied the foursome to the meet said they had run Curtis Mills, normally the an-

chor man second with hopes of getting an early lead and avoiding the aggressive pushing and shoving late in the race.

Nelson said he felt that the Aggies could have won the relay had there not been the extra-curricular activities that caused

the disqualifications of the Sports International Track Club and Adelphi.

The Aggies have now completed their indoor track season and will open their outdoor season March 7, at the Border Olympics in Laredo.

400 METER CHAMP—Curtis Mills, A&M's world record holder in the 440-yard dash, fared better than the mile relay team in Madison Square Garden Friday by winning the 400-meter dash in 48.3. The relay unit finished second.

Relay Unit In Action Again

FORT WORTH (AP) — Texas A&M, with its crack relay team, announced Tuesday that it would

be on hand this weekend for the Southwestern Recreation track meet.

The addition of the Aggies brought to six the number of Southwest Conference schools entered in the outdoor show at Farrington Field.

The invitational division now includes A&M, Rice, Texas Christian, Southern Methodist, Arkansas, Texas Tech, North Texas State and University of Texas—Arlington.

Aggie coach Charlie Thomas said he planned to use the swift Mills brothers, Curtis and Marvin, in just two events, the opening 440 relay and closing mile relay.

The Cadet mile quartet of Harold McMahon, Marvin Mills, Willie Blackmon and Curtis Mills flew to a 3:05.7 in the Astro-Federation Relays in Houston recently. That is the fastest any team has ever been clocked in doors.

Curtis, on the anchor leg, was clocked in 44.6—one-tenth of a second under the world record he holds for the 440-yard dash.

High school action in the Recreation meet begins Friday. Finals in the high school, junior college-freshmen, university-college and invitational divisions unfold Saturday afternoon.

Sun In Cocoa But No Dierker

COCOA, Fla. (AP) — Houston Astro pitchers and catchers enjoyed another day of good spring training weather Tuesday, but star pitcher Larry Dierker wasn't there for the sunshine.

Dierker is still in Houston and General Manager Spec Richardson said there has been no developments in the salary stalemate between the club and the pitcher.

Two new faces were on hand Tuesday, pitchers Skip Guinn and James Richard. Guinn was delayed because of military service and Richard had been winding up business at his Louisiana home.

ROOKIES GET CHANCE PITTSBURGH, Pa. (AP) — The infield of the Pittsburgh Pirates will be flanked by rookies this spring. Al Oliver and Bob Robertson could platoon at first base while Dick Hebner, who hit .276 for Columbus, Ohio last season, seems set at third base.

The Pirates were hard hit in the expansion draft, losing third baseman Maury Wills, first baseman Donn Clendenon and outfielder Manny Mota.
