Coach Charlie Thomas announced Thursday that he'll take a 38-man Aggie track squad to Fort Worth Saturday to compete in a quadrangular meet against TCU, SMU and Texas Tech. Ace sprinter Rockie Woods is slated to compete in three events—100-yard dash, 120-yard high hurdles and as anchorman on the 440-yard relay team. World record holder Curtis Mills will run his specialty—the 440-yard dash—and will run legs on both the 440 and mile relay teams. Marvin Mills will run the 100-yard dash and legs on both relay teams and possibly the 220-yard dash. The Aggie foursome of Scotty Hendricks, Curtis Mills, Marvin Mills and Woods have run a 40.1 in the 440-yard relay. The mile relay foursome of Harold McMahan, Marvin Mills, Willie Blackmon and Curtis Mills twice have run 3:13.5 and will be out to better that mark Saturday. Other top performers include Marvin Taylor, 6-9 high jumper; Ben Greathouse, 6-7 high jumper; Marc Black, 211-5 1/2 javelin thrower; Ronny Lightfoot, 57-5 1/2 in the shot put and 168-2 1/2 in the discus; Don Keller, 51.8 in the 440-yard hurdles; Donny Rogers, 14.5 in the 120-yard hurdles; David Prince, 14.7 in the 120-yard high hurdles; Larry McIntyre and Harold McMahan, both 15-0 in the pole vault.

Baseball Series Is Rescheduled

This weekend's scheduled baseball series between A&M and Baylor has been pushed back to Monday and Tuesday in accordance with Southwest Conference rules, Aggie coach Tom Chandler said. Armed with the latest weather report which predicted poor conditions for Friday and Saturday, Chandler called Baylor coach Dutch Schroeder Thursday afternoon and reset the three games. SWC rules stipulate that rained out league games cannot be rescheduled except on the following Monday and Tuesday, and then only if the visiting team is notified before it leaves its home location. If the Bears had made the journey from Waco Friday and the games could not be played, then the series would be dropped from the schedule. If the field is still unplayable Monday and Tuesday, the games will not be made up. The alteration in the schedule

will have the Aggies playing Monday through Thursday next week. Following the Baylor series, Minnesota will come in for single games Wednesday and Thursday. The Aggies are off Friday and Saturday before playing Missouri in a three-game set next Monday and Tuesday. Lefthander Doug Rau and Righthander Dave Benesh are slated to start Monday's twinbill with Baylor. Rau, who has allowed three hits and no earned runs in 12 innings thus far, will start the 7-inning opener at 1:30 p.m. Benesh, who has an earned run average of 0.82, will start the 9-inning second game. A&M probable batting order with batting averages: Larry Smith (.263), lf; Butch Ghutzman (.190), 2b; Danny Ragland (.269), 3b; Billy Hodge (.375), c; Dave Elmendorf (.261), cf; Chris Sans (.235), 1b; Jim Raley (.182), ss; Boyd Hadaway (.174), rf.

Consol Hosts Track Meet

The Tiger Club of A&M Consolidated schools will sponsor the annual Junior High School track and field meet on Kyle Field Saturday. Eight schools will enter teams in seventh and eighth grade divisions. Schools entered are Arnold and Dean Junior High of Cypress-Fairbanks, Brenham, Caldwell, Navasota, Taylor, Rockdale and host A&M Consolidated. Field events are scheduled to begin at 9 a.m. and preliminary running events will start at 10 a.m. Finals in the track events are slated for 1 p.m. Lawrence Holacek, Junior High Coach and Physical Education teacher at Consolidated will be meet director. Trophies will be awarded to team winners in both divisions and ribbons will be awarded the top three places in each event. Trophies will also be given to the winners of the three relays.

SWC Records In Jeopardy

DALLAS (AP)—Southwest Conference trackmen have bettered one conference record and tied another in the young track season. Fred Cooper, Texas' senior distance runner who has a 4:05.8 clocking in the mile, is a tenth of a second under the SWC record. He fashioned the mark three weeks ago. Rice pole vaulters Dickie Phillips and Dave Roberts have already matched the SWC standard of 16 feet.
