involving an accountant and his family, their friends, the accountant's daughter and her boyfriend, and a bill collector.

Larry Ludewig will play the part of the accountant, Art Anderson, and his wife will be portrayed by Barbara Ver Soy. Both were anticipating a quiet Saturday evening at home, playing bridge with their friends, the Johnsons, when Taft arrived.

Mr. Taft, played by Cliff Purcell, is a conscientious young employe with Acme Confidential. He visits the Andersons in the hopes of finding out why they haven't been making car payments. When first seen, he is confident, driving and ambitious. . .

Taft is still in the Anderson home when Fred and Nora Johnson arrive, played by James Dennis and Melanie Haldas. Taft can't believe his good luck when he discovers that the other account he is supposed to collect duction.

night, Dear?" is a light satire longer concerned with what the problem is, only with getting payments from both families.

Laura, played by Virginia Link, and Joey Henderson, played by Dennis Turner, are both high school seniors. Laura believes that the only reason for doing anything is because "all the other kids are doing it." Joey is an intellectual who wants to go to Viet Nam to see if people really die the way they do on TV.

They decide to elope secretly because "all the other kids are doing it" and they figured it would be exciting.

Laura rushes home to tell her parents while Joey gets a ladder to put up by her window.

Mel Chastain, KAMU-TV station director, is Robinson's 485 project advisor. He will be assisting and advising the senior journalism student in the blocking and technical problems that are peculiar to television pro-

OFFICIAL NOTICE

The English Proficiency Examination for majors in the Department of Biology will be held Wednesday, April 15th at 4:00 p. m. in room 105 of the Biological Science Building, East. Examinees should bring pen, pencil and dictionary.

The English Proficiency Examination to be given by the College of Education on the following dates: April 24, Room 401, Academic Bidg., 1:00 - 3:00 p. m. or 3:00 - 5:00 p. m. 96t11

TO: ALL C&I FACULTY AND OTHER PERSONNEL

All elementary and secondary students (except those in industrial education, agricultural education, health and physical education) preparing to practice teach in either the fall or spring semesters next year are to meet April 15, 7:00 p. m. in rooh 110, Architecture Building for registration. Information concerning the Professional Senior Semester Program (P.S.S.P.) and student teaching will be given.

To be eligible to purchase the Texas A&M University ring, an undergraduate student must have at least one academic year in residence and credit for ninety-five (95) semester hours. The hours passed at the preliminary grade report period on April 6, 1970, may be used in satisfying this ninety-five hour requirement. Students qualifying under this regulation may now leave their names with the ring clerk, Room Seven, Richard Coke Building. She, in turn, will check all records to determine ring eligibility.

Orders for these rings will be taken by the ring clerk starting April 20, 1970,

Graduate Compiles

Outstanding Record A 1969 graduate, William P. Kyle of Teague, has compiled the best record in the history of the Marine Corps' Officer Candidate School at Quantico, Va.

Kyle was commissioned a second lieutenant this month with an OCS average of 97.20 percent in leadership, academics and physical fitness. He led the class in academics.

Lt. Kyle's accomplishments were bannered in the "Quantico Sentry," base newspaper.

"Many Texas A&M University graduates have become career Marines and left their mark upon the Marine Corps," the paper noted in its lead paragraph but pointed out none had made his mark as quickly as Lt. Kyle.

Kyle, who was executive officer of Squadron 8 in the Corps of Cadets and majored in mechanical engineering, was pre-sented the Phil Yeckel Award at Quantico commissioning ceremonies. Presented to the honor graduate of each OCS class, the award is an engraved watch donated by retired Col. Phil J. Yeckel.

* * * Direct Dial Phone Rates Lowered

Direct dial long distance telephone rates have been reduced by the General Telephone Company, according to L. L. Porter,

traffic director. Effective Feb. 1, the rates result in major savings during weekend calls, he said. Customer dialed station-to-station calls outside the state made on Saturday 8 a.m.-11 p.m. and Sunday 8 a.m.-5 p.m. have been reduced to 70 cents for a coast-to-coast call. The cost is even less for shorter distances.

The time period for reduced rates also has been extended.

The lowest rate for customer dialed station-to-station calls outside the state remain at 35 cents for one minute, but the time period has been extended one hour, beginning now at 11 p.m. and extending to 8 a.m. seven nights a week.

A coast-to-coast station-tostation call during the weekend would cost 70 cents for three minutes, while the charge for the same call would be \$1.10 if it were handled by the operator. A person to person call during the same period would cost \$3.30.

* * * Mulliken to Present

Chemistry Lecture Dr. Robert Sanderson Mulliken, 1967 Nobel Prize Laureate in chemistry, will lecture here

The University of Chicago chemistry professor will speak at 4 p.m. in Room 231 announced Dr. A. E. Martell, chemistry department head.

Topic of the Nobel laureate will be "Potential Curves and Spectra of Diatomic Rare Gas Molecules."

* * * Illegal Chain Letters Circulated in B-CS An increase in chain letters

has been noted in Bryan and College Station recently.

Postmaster General Winton M. Blount has reminded the public that chain letters are regarded as non-mailable under postal lottery and fraud laws. Any person who receives a chain letter should turn it over to the local postmaster.

* * * Dr. Graves to Give Education Report A research report on "Open Area Schools" will be presented

Billy Graham Film Feature Here at All Faiths Chapel

Norelco can shave you closer than a blade, and count how many times it does it.

1,2,3,4,5,6,7,8,9,10,11,12,13,14,15,16,17,18 shaves. On a single charge.

The Norelco Rechargeable Tripleheader Shaver was made to do two things: To shave you as close or closer than a

stainless steel razor blade. And to give you up to twice as many shaves per charge as any other rechargeable shaver. Here's how it works.

The Rechargeable Tripleheader has 18 self-sharpening rotary blades, inside of 3 Microgroove™ shaving heads.

The heads actually float, to follow the curves of your face.

They go in where your face curves in, and out where your face curves out. And because the blades are rotary, they shave your beard in every direction at once. (If you don't think that means anything, feel your face. Feel how your beard grows in different

directions on different parts of your face?) The Norelco Tripleheader also has a

vou're trimming It has a Charge Indicator that lights up

when it's charging. It has a Shave Counter to count your shaves. And it gives you nearly twice as many shaves per charge as any other rechargeable So if you're shaving with a blade, feel around your chin and neck and upper lip. If it feels like you could use a closer
