

# Raindrops Key To Track Meet

**NEW RECORD HOLDERS**—This quartet now holds the A&M school record in the mile relay after they blazed to a 3:08.4 clocking in the Texas Relays last weekend in Austin. They are left to right: Curtis Mills, Marvin Mills, Harold McMahan, and Don Kellar. (Photo by Mike Wright)

"Raindrops Keep Falling On My Head" won the academy award Tuesday for song of the year and it is very ironic that its singer, B. J. Thomas, did a lot of his early living in Houston. Sounded like he knew what he was singing about because again rain will dampen everything about the Aggies' triangular track meet Saturday with Rice and Texas in the Bayou City.

Although the track will be wet, the A&M tracksters cannot afford to be if they hope to keep up their momentum for the Southwest Conference Meet scheduled for May 1 and 2, that is, if it is not rained out. The Cadets are riding the crest of three school records set last weekend in the Texas Relay carnival in Austin. The 880 relay unit of Donny Rogers, Rockie Woods, Marvin Mills and Curtis Mills tied the world mark of 1:22.1, which was set by San Jose State in 1967. The other two school marks came in the 440-yard hurdles where Don Kellar blazed to a 50.6 clocking and in the mile relay where Kellar, Harold McMahan, and the Mills brothers ran a 3:08.4.

They also set a new Texas Relays mark in the 440-yard relay where Scott Hendricks, Woods and the Mills again were timed in 39.7. The A&M school record is 39.5, set last season by three of this crew.

Despite several key injuries, the Aggies have gotten superb performances from several of their freshmen to take up the slack and Coach Charlie Thomas has to be happy about his depth this year as compared to last season.

A rundown of the events shows that the Aggies have performed well enough to capture most of the first places should they do as well in the SWC meet in May. Sammy Skinner has run a 4:13.7 mile thus far and could pick up points in that, Curtis Mills has raced to a 46.4 in the 440-yard dash, far off his world's record of 44.7 but fast enough to take the first place. Marvin Mills and Woods, last year's winner, both have been clocked in 9.6 for the 100 yard dash while Marvin has the fastest SWC mark for the 220 yard dash with a 21.2.

Marc Black has thrown the javelin 211-5 1/2 for the third best mark in the conference and Ronnie Lightfoot has the lead in both the shot put and the discus. Marvin Taylor at 6-9, John Taylor at 6-8 and Ben Greathouse at 6-7 control the high jump.

**CLASSY CAGER**—Jack Vest (seated) signed a letter of intent Tuesday night with Texas A&M with Coach Shelby Metcalf looking on behind him. The 6-8 two-time all-stater from Kerrville Tivy High School led the Antlers to two consecutive state titles.

## Aggies Select Candidate For A&M Tourney

Pat Calliham, senior at the Texas Woman's University Nursing School in Houston, will be A&M's candidate for the All America Intercollegiate Invitational Golf Queen in Houston, April 15-18.

Miss Calliham is the daughter of Dr. and Mrs. M. R. Calliham of College Station.

PAT CALLIHAM

## Baseball Series Postponed

By Mike Wright

The Texas Aggies are back to their old ways of making rain as this weekend's crucial three-game series with Rice University has been postponed until Monday and Tuesday.

Bruce Katt was to have started the first game of the double-header on Friday and Dave Benesh was scheduled to work the night cap. They will now make up the twin-bill on Monday at 1:30 with Saturday's game planned for Tuesday after-

noon at 3. Lefty Doug Rau will pitch the Tuesday affair.

The Aggies are currently 6-0 and atop the standings. Texas trails A&M by one-half game at 5-0. The surprising Owls are in third place with a 5-1 record.

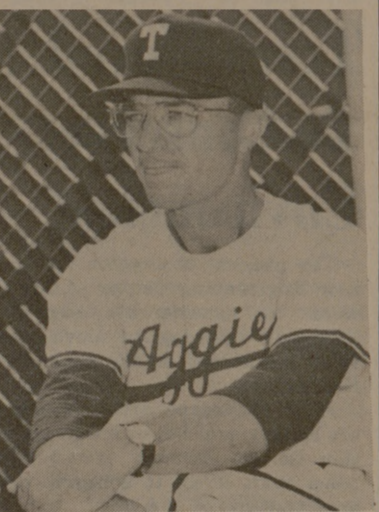

The Owls jumped into the midst of things with a three game sweep over Texas Tech and with two wins over Texas Christian.

The Aggies are getting phenomenal pitching from their staff in Southwest Conference games. Rau has won three games, two over Baylor and one at SMU. Benesh has beaten Baylor and SMU. Sophomore Bruce Katt pitched a great game in Dallas last weekend striking out 19 Pony hitters, and setting a new SWC strikeout record. In pitch-

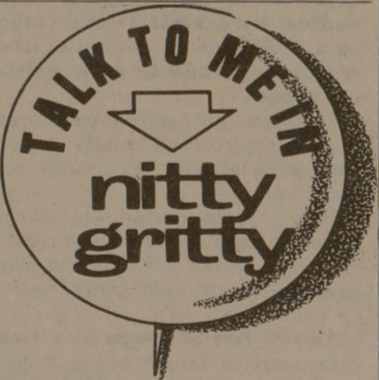

ing a shutout in his only conference outing, Katt leads the staff with a 0.00 earn run average. Benesh has allowed one earned run in 20 innings for a 0.45 clip and Rau has given up two runs in 21 innings for 0.86.

In 50 innings the Aggies have given up 29 hits, three earned runs, 11 walks, 62 strikeouts for a combined earn run average of 0.54.

Next weekend the Aggies will travel to Texas Tech for a three game series.

TOM CHANDLER

People who wear this button want to hear it the way it is. This is the way it is. Security has nothing to do with magic wands. You plan for it.

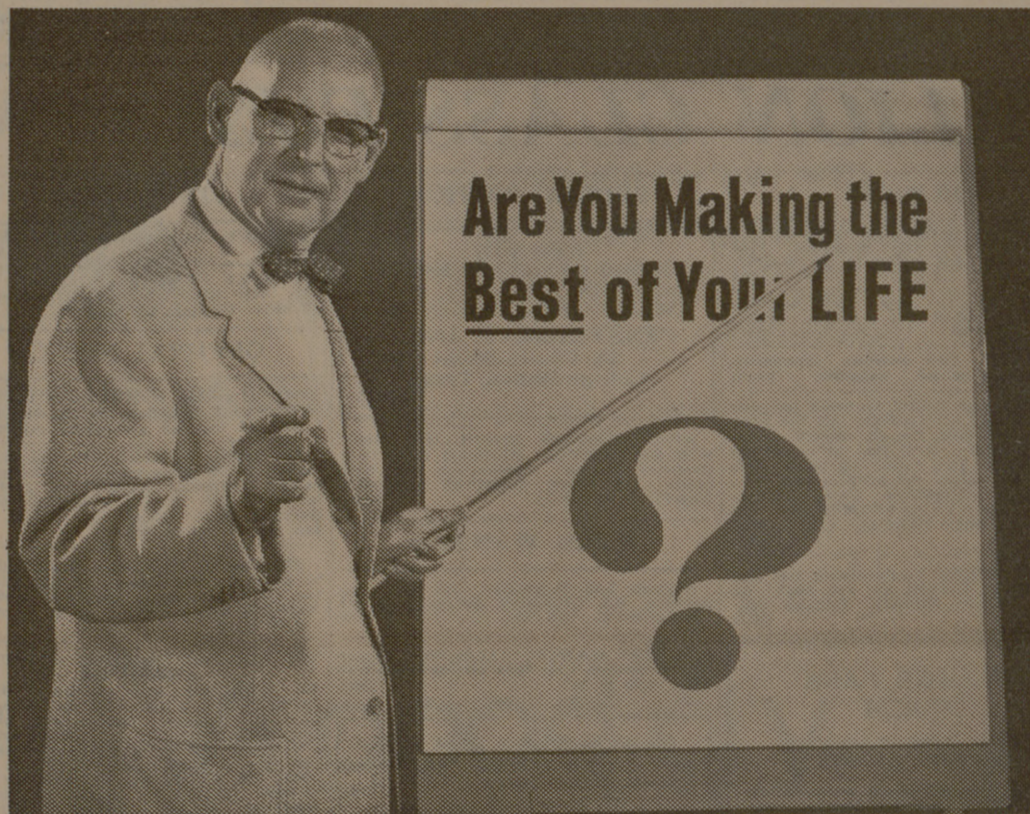

As far as financial security is concerned, that has to include life insurance—which is not just something for your beneficiaries. It's for now, a solid foundation to any enduring financial structure.

Provident Mutual designs programs specifically for college men and women. So give us a call. Or stop by our office today and visit with one of our trained professionals. You'll find him pleasant, informative, and mono-linguistic. Nitty Gritty is all he talks.

## The Church.. For a Fuller Life.. For You..

Are You Making the Best of Your LIFE

"That question has a double meaning!" you protest. Yes, it has. Either you're letting life carry you along its bumpy road, just shrugging your shoulders and "making the best of it" . . . or you've discovered the secret of making the BEST of life by choosing God's way and letting Him do the steering.

It isn't really a secret. Anyone can find it if he searches with complete sincerity. Through prayer, through regular church attendance, through Bible reading, the answers will come if we persevere. Gradually we will accept God's plan for us and understand the full, triumphant meaning of the words of Jesus: "Nothing shall by any means hurt you."

There is no voyage of discovery more exciting or challenging than this one. And our God-guided efforts will bring us to the BEST of life . . . a reward greater than any worldly goal we could name.
