

Ebrom Is An Emotional Player

They don't call him "Eager Ed," but defensive back Ed Ebrom of the Texas Aggies is one eager, emotional, enthusiastic football player.

A year ago, Coach Gene Stallings said of him: "Ed's an emotional football player. That's the kind I like. Ed's getting better every week. He's going to be a real good one before he's through."

With his sophomore season of starting every game behind him, Ebrom now is engaged in spring training, doing all he can to retain that starting slot as he approaches his junior season.

Ebrom's high mark of last year came in the 24-0 win over Baylor. He intercepted two passes and returned one for a touchdown. It that wasn't his happiest day, then the day he was offered a scholarship to A&M was.

"I always wanted to go to A&M," Ed says. "When I was offered a scholarship it was the happiest day of my life. Now that I've been here a while, it's even better than I expected."

Ebrom was a tailback, quarterback and defensive halfback at

Karnes City High and he made all-district two years. He also was all-district in basketball three years and he set a school record in the pole vault by clearing 13 feet, 7 inches.

One year at Karnes City, he rushed for more than 1,000 yards,

intercepted five passes and returned six punts for touchdowns.

A year ago, after having played on A&M's unbeaten Fish team, Ebrom stepped into a starting berth on the first day of spring drills and has been there ever since.

Netters Win, 5-1

Texas A&M's tennis team hosts the University of Texas in a SWC match Saturday and Aggie Coach Omar Smith is hopeful that his squad can continue their home-court jinx over the Longhorns.

"It has been eight years since Texas beat us here," Smith said. "They got a tie with us in 1968." Smith hasn't definitely decided on his lineup for Saturday's 1:30 p.m. match and he may not make that decision until shortly before the action starts.

But, on the basis of recent action, it appears that Dickie Fikes, Bruce Crumley, Lawton Park and Tommy Connell will play singles for the Aggies. David Chastain or Mike Hickey could break into the lineup for the doubles competition.

They upped their season record to 11-13 with a 5-1 win over TCU in Fort Worth Wednesday.

Dickie Fikes fell victim to the Frogs' Marcello Dela Serna in the number one singles match. Dela Serna has now won the only two points the Frogs have this season having defeated the number one player from Texas, John Mozola, on Tuesday.

Bruce Crumley, Tommy Connell and Lawton Park won their singles matches for the Aggies.

Results of the match were: Marcello Dela Serna, TCU def. Dickie Fikes, A&M, 6-2 6-4.

Bruce Crumley, A&M, def. Juan Coraminas, TCU, 6-3 6-4.

Tommy Connell, A&M, def. John Fletcher, TCU, 6-0 6-1.

Lawton Park, A&M, def. Ned James, TCU, 7-5 6-1.

Doubles: Fikes and Hickey, A&M, def. Dela Serna and John Kritzer, TCU, 6-3 6-1.

Park and Connell, A&M, def. Coraminas and Fletcher, TCU, 6-1 6-2.

Smith was highly complimentary about his young squad that currently has a SWC record of 11-13. Texas brings a 14-10 mark into Saturday's play so a solid win by the Aggies could move

Aggie Golfers Tied For Fifth

HOUSTON (AP)—Mike Cheek of Florida State and Mike Drury of Louisiana State fired 3-under-par 69s Wednesday to tie for the first round lead in the All-American Intercollegiate golf tournament.

Cheeks and Drury held a one stroke lead over John Shepperon of Texas Tech who shot a 2-under-par 70 over the Atascocita Country Club course.

Other individual leaders included Bobby Huber Jr., Florida State, Carl Higgins, Oklahoma, and Dave Curley, Arizona State, all with 71s.

Florida State led in team medal play with a first day score of 288. Arizona State was next with 299.

Other team scores included Texas 304, Florida 305, Houston, Texas A&M and California State 306, LSU and New Mexico State 307, Oklahoma 308, Tennessee, Maryland, Texas Christian, Southern Methodist and Baylor 310, Texas Tech 311, Wichita State 312, Oklahoma State 313, Arizona 316, Memphis State 320, North Texas State 324, New Mexico 326, Colorado 327, Rice 329, and Kasas State 331.

them ahead of the Steers in the league standings.

Crumley is the only senior on the Aggie playing squad and he has been doing a good job in the No. 2 spot. Fikes, in the No. 1 position, has lost some tough matches lately but could break out of the slump Saturday.

Freshman Lawton Park is one of the most pleasant surprises. He has an 11-1 record in singles this year. Tommy Connell, a sophomore, has been coming along rapidly, too.

Fikes is a sophomore while Hickey is a junior and Chastain is a sophomore.

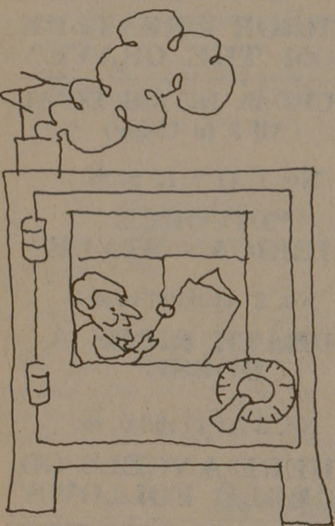

The action will be staged on A&M's varsity courts just south-east of Kyle Field stadium.

QUARTERBACK HOPEFUL—Sophomore-to-be Lex James moves the maroon team during the later stages of Thursday's workout. The Aggies end the second week of practice tonight with a scrimmage at 7:30 in Kyle Field. Members of the coaching staff will attend the Wichita State Spring game Saturday. (Photo by Mike Wright)

Steers Try To Catch Aggies

AUSTIN (AP)—Texas will try to make up lost ground in the Southwest Conference baseball race with a three-game series against Baylor this weekend.

A sore-armed Longhorn pitching staff could give the Bears a chance to spoil Texas' hopes of pulling closer to Texas A&M.

The Aggies have won 9 and lost none, and Texas is 5-0, but All-American pitchers Burt Hooton and James Street both are ailing.

Hooton, 4-1, has had arm trouble all year and is "extremely doubtful" against Baylor. Street, 5-0 with a perfect game against Texas Tech, has been bothered by a pulled groin muscle which he reinjured April 8.

"SEX IN HUMAN RELATIONS"

The Church.. For a Fuller Life.. For You..

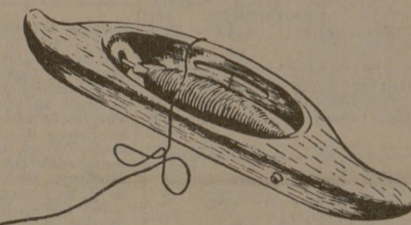

Magnificent tapestries, sometimes taking years to complete, decorated the walls of many homes and churches in the Middle Ages. Woven with richly colored strands of silk and wool, they often pictured scenes from the Bible. To create a beautiful tapestry required patience . . . skill . . . devotion.

Today each of us weaves a tapestry — the fabric of our lives. We sit at a loom, wondering whether the pattern of our lives will be of bright rose, green or golden threads, or whether the events will show as somber, dark colors.

A weaver in the Middle Ages worked on the reverse side of his tapestry. By looking up at a mirror, he could see how the entire design looked on the right side.

When we look up to God in worship, we can see with clarity the pattern of our lives. Attend the church of your choice for perspective on your life's tapestry.
