Extra Tickets for Graduation Available at Registrar's Office

Seniors desiring extra tickets for the May graduation exercises should come by the registrar's office and give their name and the number of tickets they will need.

Dr. Carl Landiss, head of the health and physical education department, said that last year at the graduation exercises 300 to 400 people were unable to get seats, and for this reason each senior has been restricted to four guest tickets to this year's graduation. These tickets have already

been sent out.

Landiss requested those students who will not be using their tickets to the exercises to return them so that they may be given to someone else. He added that by this they hope to be able to accommodate everyone who wishes to attend.

Students will receive their tickets by mail as soon as their request can be filled, Landiss said.
