

Team Title Could Go To A&M

Ace 440-yard hurdler Don Kellar, who pulled a hamstring muscle at the Drake Relays, likely will sit out the SWC meet this weekend in Houston but Coach Charlie Thomas is hopeful his Aggies still can win the team title.

"Losing Kellar definitely hurts," Thomas said. "But, at the same time David Prince made his move with a 51.7 in the 440 hur-

dles and Willie Blackmon indicated he is getting over his leg injury and may run the mile relay."

Actually, Thomas feels that a couple of field event men could hold the key for the Aggies' chances of victory. "If Marc Black can get a second place in the javelin and Ronny Lightfoot can score high in both the shot put and discus, we could be in pretty

good shape."

The Aggies at Drake won three relays but only one of them is run in the SWC meet. They set a Drake Relays record in the 440 relays with a 40.0 time but that same foursome of Scotty Hendricks, Curtis Mills, Marvin Mills and Rockie Woods already had run a 39.7 this year. They also won the shuttles hurdles relay with Glen Blahuta, Donny Rogers,

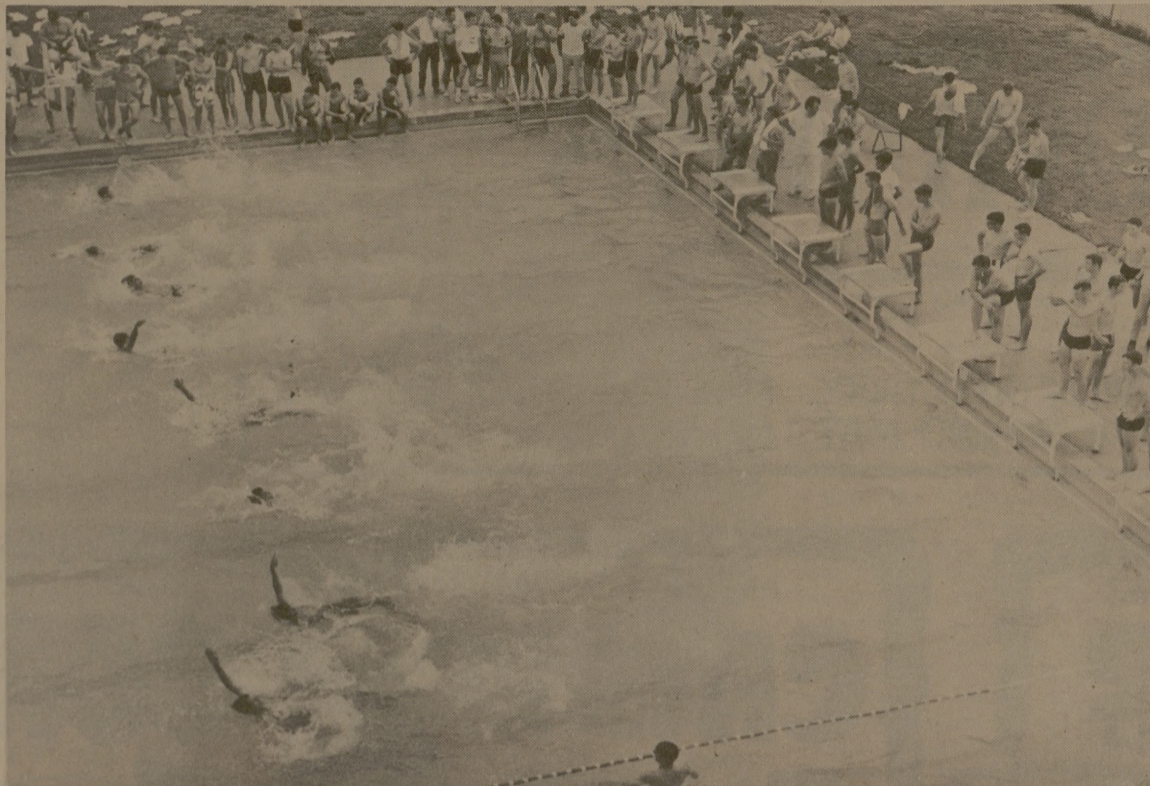

David Prince and Rockie Woods passing the baton.

But, it was the 880 relay that the Aggies really whizzed in. The foursome of Donny Rogers, Rockie Woods, Marvin Mills and Curtis Mills set a world record with a 1:21.7 clocking. The old mark of 1:22.1 was set by San Jose in 1967 and twice equalled by the Texas Aggies, first in the Texas Relays and again in the prelims of the Drake Relays.

Rockie Woods was voted the meet's outstanding individual performer after having run on three winning relay teams. Curtis Mills tied for second with Brigham Young's Ralph Mann, a tremendous 440 hurdler.

For this week's SWC meet in Houston, Coach Thomas says a number of his performers will run three or four events.

Curtis Mills will run the 220, 440 and both relays. Marvin Mills will run the 100, 220 and both relays. Rockie Woods will run the 100, 220, high hurdles and sprint relay. Scotty Hendricks will run the 100, 220 and sprint relay and Donny Rogers will run the 100, 220 and high hurdles.

INTRAMURAL SWIM STARTS—Class A and C entries in the 100-meter backstroke splash across Wofford Cain Pool at Texas A&M in the opening heats of the week-long intramural program swimming competition. The meet directed by Ray Fletcher and refereed by Aggie swim coach Melvin Patterson continues through Monday finals in all events. Swimmers compete Wednesday in the 200-meter medley, 50-meter butterfly and one-meter diving. Thursday prelims will be in the freestyle relay and breaststroke.

Forey Keeps Improving

Leonard Forey is one Texas Aggie footballer who takes Coach Gene Stallings' "continual improvement" theme to heart.

The 6-3, 230-pound junior from Nederland just keeps getting

better and better. He was one of the real bright spots in the offensive line in the Aggies' latest scrimmage session earlier this week.

Forey has become a fixture at right offensive guard and it will take a dedicated, quality player to move him out of his starting position.

Forey was more of a defensive standout during his high school days at Nederland. He played offensive center and defensive end and defensive tackle for Coach Patrick Johnson's Nederland club and he was an all-district selection.

One of the few returning starters, Forey has continued to improve his blocking techniques and has helped open some big holes for the backs to run through this spring.

When Forey first came to Texas A&M, he was moved from center to guard and was a big cog in the Fish attack that rolled to an unblemished 5-0 record.

Last spring he worked at both offensive guard and offensive tackle but ended up as a guard when the 1969 fall season rolled around.

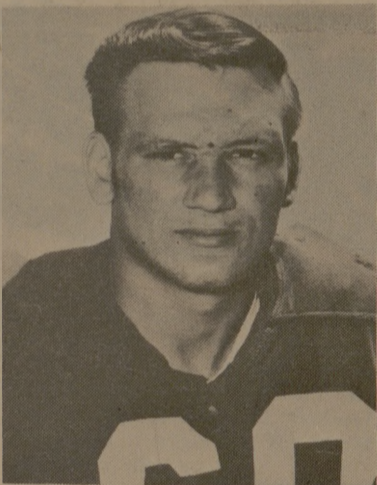

The son of Mr. and Mrs. James C. Forey of Nederland, Leonard was born in Port Arthur. He attended grade school in Groves, Tex., but was in Nederland for junior high and high school work.

His father is a clerk for Texaco Refinery in Port Arthur. He has three younger brothers and one sister, ranging in ages from 8 to 17.

A business major whose future plans are not positive, Forey has

two more seasons of collegiate football ahead of him and he could develop into one of the best offensive linemen in the country during that time.

A tough, durable youngster, Forey works hard at perfecting his blocking. He's one of the unsung heroes of football, an offensive lineman who helps spring the backs loose for long gains.
