

# Englert bat champ; Rau leads 4 departments

All-Southwest Conference selections R. J. Englert and Doug Rau of the Texas A&M baseball team have topped six categories in the final statistics released by the SWC with Englert taking the full season batting title with a .400 average.

Rau, the junior southpaw from Columbus, recorded the most wins by any Southwest Conference pitcher, six; the most strikeouts, 64; the most innings pitched, 47, and tied for the lead in games pitched category with seven.

Englert, a sophomore from Big Spring, was second in the batting race in conference games only with a .327 mark but rapped non-league hurlers for a .500 clip to finish with the highest season mark. David Hall, Texas right-fielder, won the SWC batting title with a .364 mark.

Englert also tied with teammate Dave Elmendorf for the conference stolen bases lead with eight.

Rau also placed fifth in earned run average with a 1.34 but his season mark was 0.86 and his record against non-conference foes was 0.00 as he did not allow an earned run in 26 innings.

Dave Benesh, senior righthander for the Aggies, tied with Rau and Rick Dusek of Baylor and

Lynn Humphries of SMU for the games pitched lead.

Both Rau and Benesh placed high in the strikeout percentage and control artist departments with Rau winning the strikeout title averaging 12.26 per nine innings while Benesh was fourth averaging 6.60. In the control artist department Rau walked an average of only 2.3 men every nine innings for third place and Benesh was fourth with a 2.91. Burt Hooton of the University of Texas at Austin won that category with a 1.76 walks allowed per nine innings on the mound.

On a basis of won-lost percentage and e.r.a. combination Rau was the second leading pitcher behind Hooton who had a 5-0 record with 1.10 e.r.a. and Benesh finished eighth with a record of 4-2 and a 2.53 e.r.a.

A&M sophomore Bruce Katt ranked tenth with a 2-1 record and 2.70 e.r.a. Katt entered the SWC record books this season when he struck out 19 men in one game.

Scott Wise of Rice won the conference e.r.a. crown with a 0.80 standard.

Boyd Hadaway, senior right-

fielder tied for the home run lead in the conference with John Langerhans of Texas as each hit four homers. He also was second in runs batted in with 16. Dennis Alexander of Rice knocked in 19 runs for the top spot.

Billy Hodge All-SWC catcher for A&M placed 13th in batting with a .298 and was the best fielding catcher with a .988 mark. Hodge who hit a .340 for the season batted .391 against non-conference competition.

Hadaway was 15th with a .291 mark and Chris Sans 17th with a .279 average.

Sans and Hadaway were two of six players who played errorless ball in the conference. Sans was flawless in 120 chances and Hadaway on 17 attempts.

The Aggies were second in team batting with a .243 to Texas which had a .297 and also were second in team pitching as they allowed an average of .205 to hitters against them. The league champion Longhorns led allowing only a .182 average.

A&M committed only 22 errors for a .963 percentage while the Longhorns committed 13 for a .975 mark.

## El Paso tennis star Courson first Aggie tennis signee

Don Courson, state AAAA doubles champion during his junior year and a semifinalist as a sophomore from El Paso, has become the first player to sign a letter of intent with the Texas A&M tennis team, according to coach Omar Smith.

Courson has won several out-

standing tournaments and is one of the best all-around players in the state, Smith said.

Courson's coach Dalton Hill has produced many outstanding tennis players and his son is currently a leading NCAA tennis player from the University of New Mexico, Smith added.

Another prospect, who Smith considers among the top 10 in the state, George Moncado of Corpus Christi, is visiting A&M this week.

Two members of the A&M tennis team will be going to Europe this summer to play against the European circuit, Smith said, noting that Freshman Lawton Park and Jon Ragland who missed this season with an injury will be going to Europe to play the top amateur players in several countries.

ANOTHER FIRST FOR MIDWEST VIDEO

## Crystal Controlled Stereo FM

Coming June 1.

The finest in FM stereo reception for your FM radio (a new service in addition to the music now carried free on Channel 4). New FM antennas have been installed to give you coverage of 9 FM stations from Houston as well as the Austin area. Each channel will have a separate crystal-controlled signal processor to filter out interference and maintain the finest quality sound.

AND THE BEST PART: No monthly charge for FM service.

(You pay only a one-time installation fee of \$5.00.)

Midwest Video's ever-growing list of nearly 10,000 subscribers will soon have other new and better service than ever including TV PILOT PROGRAMS, EMERGENCY BACKUP POWER FOR THE MAIN TRUNK LINE AND NEW, SOLID-STATE (TRANSISTOR) AMPLIFIERS. All of these improvements have been going on for some time. Midwest Video is attempting to do all of this work without too much interruption of service for our subscribers. This procedure, of course, takes longer.

Watch our ads for additional new things to come in the near future.
