

### Fish-Shorthorn tilt sponsored by Shrine club

The Brazos Valley Shrine Club is hoping for a big turnout Friday night when the Texas A&M Fish meet the undefeated Texas Shorthorns in Kyle Field. Kickoff time is 7:30 p.m.

The Shrine Club is sponsoring the game with all proceeds going to help crippled children.

Fans will get an opportunity to see what many Texas observers are calling their best freshman team ever. The Yearlings have rolled over four opponents this season.

The injury-riddled Fish have yet to win a game, but gave their best performance in a 43-21 loss to the Texas Tech Picadors in their last game.

No fewer than seven Fish starters are expected to miss the game and three others are slowed by injuries.

The top Fish performer this season has been tailback Pat Herring, a 6-1, 180-pounder from Beaumont South Park. Herring has rushed for 250 yards and a 4.5 average. He has scored four of A&M's six touchdowns.

The quarterback situation is still up in the air with the starter coming from Tim Trimmier, Mike Rigby or Mark Green. All have seen action at the position this year.

## Johnny is a big play man

Johnny Gardner isn't a big football player but lately he has been making some big plays for the Texas Aggies.

When Coach Gene Stallings shelved the Veer-T and put in an offense with two wide receivers, Gardner became the wingback or slot back and he caught nine passes for 117 yards and one

touchdown in the first two games as a starter.

Gardner may be the team's fastest player. Back in his school-boy days at Dallas Bryan Adams, he ran a 9.6 in the 100-yard dash and he was the city, district and regional champ in the 220-yard dash. In football he played offensive halfback and in the defensive secondary.

During his freshman year at Texas A&M, he was a member of the unbeaten Fish team and he scored a touchdown in the victory over the Texas Yearlings. Scoring that TD and playing on the undefeated Fish team still are his top athletic thrills since coming to Aggieland.

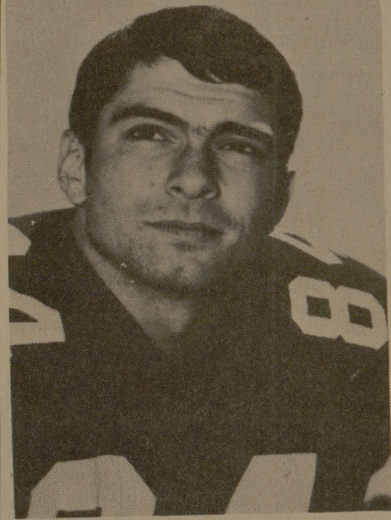

The black-haired, brown-eyed youngster is a business management major but has no definite post-graduate plans at this time.

He is the son of Mr. and Mrs. Thomas H. Gardner of 3315 Crestridge in Dallas. His father is a salesman for Tex-Pac of Dallas.

Johnny is only 5-9 and 170, but he can move quickly and he has developed into a splendid pass receiver. His touchdown reception

came against Baylor but he made some big receptions against Arkansas, too, catching four for 44 yards, one for 16 and a big first down.

An Aggie upset of the number one rated UT-Austin Longhorn Thanksgiving Day in Austin would undoubtedly erase Gardner's victory over the Yearlings as his number one thrill.
