

Aggies open with SFA

(Continued from page 1)
Smith averaged 10.3 last year and was also the conference's ninth leading rebounder with 8.6 per contest.

Cooksey, the sharp shooting guard from Houston who averaged 11.1 per contest while hitting on 46.7 per cent of his shots, is the fourth returning starter.

Threadgill will be making his first starting appearance. The junior from New Braunfels came on strong at the end of last year. He'll be taking the place vacated by the only starter gone from last year's team, Mike Heitmann.

Also expected to see considerable action will be 6-6 sophomore Jeff Overhouse; 6-7 junior Rick Duplantis, who is recovering from knee surgery; 6-3 sophomore Bob Gobin; 6-0 sophomore Bill O'Brien; and 6-4 sophomore Wayne Howard.

The Aggie Fish do not open their season until Dec. 7, but

Two Aggies run at NCAA meet

Two Texas Aggies competed in the national cross country meet held at Williamsburg, Va. Nov. 23.

Frank Ybarbo and Reuben Moncivaiz represented A&M in the meet, run over a six mile course, but they were not eligible in the team competition, since the necessary five members were not entered.

Ybarbo finished 160th out of 332 with a time of 30:20. Moncivaiz fell at the three mile mark, and because the road was only about 15 feet wide, he was run over and could not finish.

Villanova won the meet, but only after protesting the original results. Oregon finished with 86 points, and was thought to be the winner, but the protest was based on the grounds that the crowded finish and the number of runners who were in the college division or, like A&M, not in the team competition had caused the finish places to be confused, and Villanova really had fewer points, which would make the school from Pennsylvania victorious.

This was found to be true upon investigation, and Villanova was the winner with 65 points. Oregon was second with 86, and the University of Texas at El Paso was third with 124.

fans on hand for the SFA game can get a sneak preview when the freshman recruits meet a team of intramural cagers at 5:45 p.m.

Starting for Coach Jim Culpepper's Fish are 6-8 Jack Vest, 6-7 Johnny Mayo, 6-6 Randy Knowles, 6-3 Joe Arcineiga and 5-10 Bobby McKey.

Tickets will go on sale at 5:30 p.m. Prices are \$2 for reserve seats, \$1.50 for general admission, and \$1 for non-A&M students and dates. A&M students will be admitted on activity cards; season ticket holders will be admitted on their book covers.

The game will mark the opening of the eighth season for the broadcast of the Aggie basketball network with Mike Mistovich of KORA providing the play-by-play. Five stations will be on the network with more stations expected to join by the time conference play starts. Those stations broadcasting the opener beginning at 7:55 p.m. are KORA, KYLE in Temple, KESC in Waco, KCWM in Ft. Worth, and KSIX in Corpus Christi.

All eight Southwest Conference schools will open their seasons tonight with the schedule showing Missouri at Arkansas; Abilene Christian College at Rice; Southwest Texas State at Baylor; Austin College at SMU;

San Diego St. at Texas Tech; TCU at Kansas State and Florida State at Texas.

Baylor gets a taste of the best Friday night when it plays NCAA champion UCLA in Los Angeles and defending Southwest conference champion Rice will play the Bruins Saturday.

Tonight's game will be the seventh career meeting between the two teams with the Aggies holding a 4-2 edge in the series.

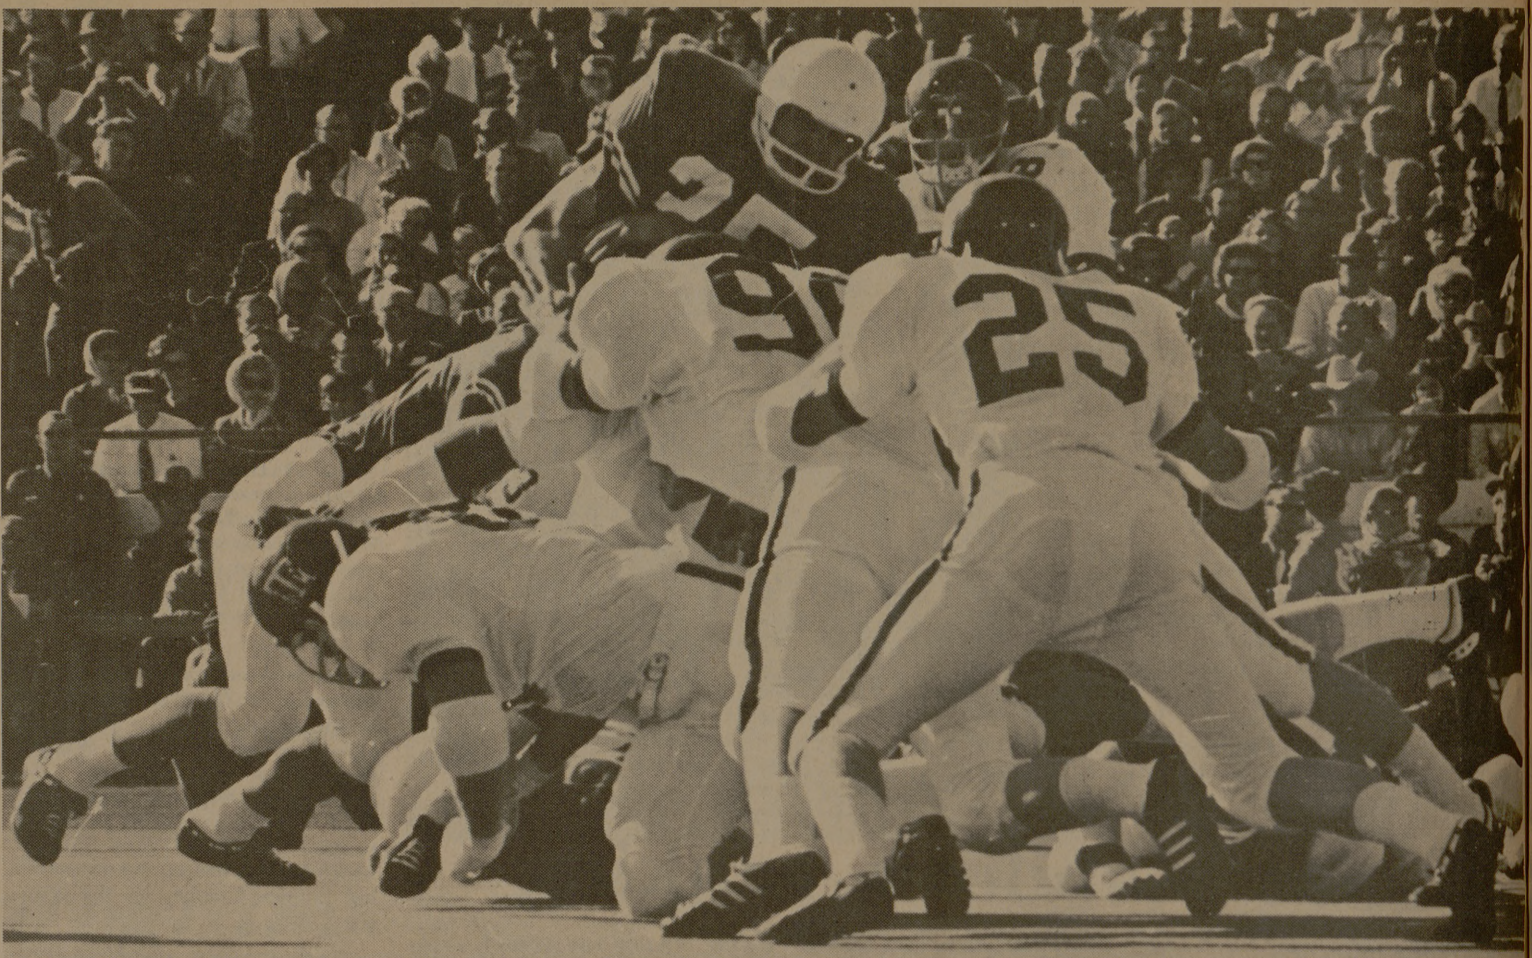

The last time the two met was two years ago. The Aggies took up a big lead early but the Lumberjacks won on a shot in the final seconds by Marvin Polnick, nipping the Ags 75-74.

Of the four Aggie seniors, three were sophomores on that team. They'll be trying to erase the bitter memory for that one and get the new season off on the right foot.

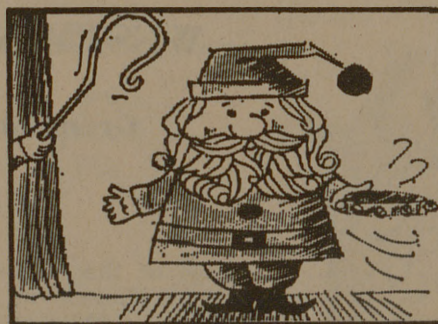

Powderpuff play slated Wednesday

The Ramp Ten Girls of Law Hall will play a powderpuff football rematch with a team fielded by University Women Wednesday at 5 p.m. on field 5.

In a prior contest the Ramp Ten Girls prevailed 6-0. The game is Homecoming for the

Cop-outs have bad breath!

Their personal habits are funky. They let other people do their work. If they have families, they let other people take care of them. They rap things like financial security.

People with purpose can't hack this scene. That's why Provident Mutual made a life insurance program for college students. The earlier you start, the less it costs. And the closer you come to financial security.
