

Strong field set for CS relays

By JOHN CURYLO
Assistant Sports Editor

Area track fans are in for a treat this weekend with a triangular university meet along with the prestige high school meet of Central Texas being run at the same time in Kyle Field. Abilene Christian College and Rice come to A&M for what could be one of the closest meets of the year. The College Station Relays will be held at the same time, with some of the top runners in the state competing.

The Aggies tied Rice in a dual meet earlier in the season, and they defeated ACC by 20 points, but Saturday could be a different story. There will be some hotly contested events, added to a few injuries and changes on the A&M team, and this could really even things out all around.

Records are expected in the high school division in some events where contestants have bettered or tied the existing record already. The high jump, shot put, shuttle hurdle relay, 440 yard dash, 220, and the mile relay.

Along with these will be the 100 yard dash, in which five runners have broken 10 flat. Sammy Dierschke of Sealy (9.4), Robert Perry of Port Arthur Lincoln (9.5), Charles Dawson of Houston Elmore (9.6), Ralph Dunlap of Austin Reagan (9.7), and Curtis Mangum of Wharton (9.7) will be the contenders in the century.

In the University division, A&M will be without the services of captain Don Kellar. The senior hurdler and relay man has a sore leg and will not compete.

Curtis Mills had a sore throat and the flu early in the week, but he will run, continuing his duel with Rice's Chip Grandjean in

the 440 and the mile relay. Marvin Mills is still recovering from his leg injury and will probably run just the mile relay, and not the 220. Coach Charlie Thomas said that he plans on not overworking the Lufkin sophomore.

"We'd like to win," he said, "but we're not sacrificing anything to risk our chances later. We may not even be fully ready

for the Texas Relays." Another injury is a leg soreness to Frank Ybarbo. As a result, he will run only in the three mile. This means the hopes of the Aggies in the mile will be with Paul Bradley.

In this meet, an exhibition run of the shuttle hurdle relay will be run, with no points being given. Thomas said that this would be to practice for the Drake Re-

lays, in which A&M could approach a record. The team will consist of Gary West, Edgar Harvey, Donny Rogers, and Rocky Woods.

To compensate for this, Woods will be held from the 220, due to the nearness of the sprint relay, high hurdles, 100 yard dash, and the shuttle hurdle relay.

Times for the meet will be 4:00 p.m. for the field events and

7:00 p.m. for the running. 15-inch trophies will be given for first places in all the university division events. Immediately after the mile relay, the P.E. Department will sponsor a Master's Mile.

The big event will be the mile relay. A&M's foursome will include Robert Brew, Marvin Mills, Willie Blackmon, and Curtis Mills.

Ags' streak stopped at 10

Minnesota pitchers Karl Johnson and Jeff Ward combined for a four-hit shutout on Kyle Field Thursday afternoon as the Texas Aggies had their win streak stopped at 10, 3-0.

Johnson limited the Aggies to three hits in five innings and Ward one, while the Gophers picked up eight hits off Josh Garrett and Norm Montgomery, who were making their first appearances of the year.

The Aggies never seriously threatened the Gophers as Johnson was aided by a triple play and double play and Ward struck out more in four innings than the Aggies have been allowing against them in full games, 5.

The triple play came in the bottom of the second after Minnesota had taken a 1-0 lead in the top of the inning.

Carroll Lilly attempted to sacrifice the ball to Jim Wallace at nobody out for the Aggies, but Johnson took the ball in the air, fired to first to double up Chris Sans and then Gary Morgan rifled the ball to Jim Wallace at

second to retire Jim Sampson before he could get back. Sampson had opened the inning with a long double to center and then Sans reached first when Johnson failed to touch the bag while covering on a ground ball to first.

Minnesota, whose first run came on a sacrifice fly with the bases loaded in the second, tallied in the sixth off Garrett with some sloppy fielding aiding their cause. John Peterson led off by drawing a walk and then Chuck Stein, who had notched the run-scoring fly ball in the second, sacrificed to second. When no one was covering third, Peterson continued on and Sans' throw from first went through the third baseman and Peterson scored.

In the next inning Gary Hohman singled and advanced to second when he was hit in the back by a throw to get him on a force play and then continued to third when the ball rolled into centerfield. Gary Morgan, who was safe on the fielder's choice, then scored—after Hohman had been tagged out in a rundown—on a sacrifice fly to deep right by Ken Henneman.

Garrett and Montgomery deserved more than they got as Garrett pitched six innings, allowed only five hits and two runs, struck out six and walked five, but left trailing 2-0. Then Montgomery was tagged for an unearned run in three innings, gave up three hits and struck out three and did not issue a walk.

Outside of the second-inning threat, the biggest Ag uprising came in the third when Jim Hacker singled and Terry Over-

ton drew a walk to start the inning, but the next three batters went down either via the strike-out or a ground ball.

A double by R. J. Englert in the sixth was the only hit off Ward in his four-inning stint. The fire-balling lefthander struck out the side in the seventh.

The Aggies, now 14-2, are playing Rice in a three-game conference series this weekend in Houston.

Aggie netters blast LSU, 7-2

Coach Omar Smith's netters Thursday whipped LSU for the second time this year, this time by a score of 7-2.

Losing one singles and one

doubles match each, the Aggies raised their season mark to 9-6.

For the second day in a row, A&M had enough points to win before doubles play began. Wed-

nesday, they beat Oklahoma 8-1. Both matches were played under similar weather conditions, too.

Dickie Fikes took the first singles match with a 6-2, 6-4 win over Tommy DuCrest. Jon Ragland followed with a 6-2, 6-2 decision over Mitch Creekmore. Mike Hickey added his victory over Mark Tindle with sets of 6-4.

Tommy Connell slipped by Wayne Diel in the first set of their match, 7-5, but he took the next one 6-1. Mike Mills beat Cedri Martin, 6-1, 6-4, to round out the singles wins. The only loss came on split sets of 4-6, 6-1, and 3-6, as Dan Courson fell to David Methvin.

In the doubles, the duo of Fikes and Hickey won over DuCrest and Kindle in split sets, 3-6, 6-4, and 6-5. The third team also gave A&M a point, as Lawton Park and Mills took a 6-1, 6-0 decision from Martin and Diel. The only loss here was the Crest-Kindle victory over Connell and Courson by sets of 1-6, 6-4, and 6-4.

The Aggies try to keep it up Saturday, when they meet Minnesota on the A&M courts. Singles play is scheduled to start at 1:30 p.m., with doubles to follow.

Ag golfers win twice

The Texas Aggie varsity and junior varsity golf teams picked up decisive wins Thursday afternoon, and the varsity resumes Southwest Conference play Saturday when it hosts Baylor.

Rugby team plays Houston Saturday

The Texas A&M Rugby I and II teams will both be in action Saturday against two teams from the Houston Rugby Club with contests due to start at 1 and 3:15 p.m. on the drill field in front of the Memorial Student Center.

"We're looking for a real rough game," Coach Roger Boos said of the Houston match and added, "This will be the second hardest match of the season for us and we're in good shape."

The Brazos County Association of Former Students will be guests of the team at the match.

"Quality First"

The Church.. For a Fuller Life.. For You..

of cars and dates

Let's talk a moment, parent to parent...

It's quite an adjustment, isn't it? Your daughter, Jill, is on cloud nine because Jack asked her for a date. Jack's driving his dad's car. That is, you hope he drives it. Maybe he just aims it and takes off.

Yes, it's quite an adjustment. And all the books say there's nothing you can do about it. Kids date. So, watch television, read a book, listen for the muffled "Good nights" and the click of the doorlatch, then stop worrying and go to sleep. Until her next date...

The churches of our community have no simple solution for this problem. They have a complex solution: Through moral and religious training, develop in every boy and girl a mature sense of responsibility, a respect for life and Christian character.

The young people we'll have the greatest confidence in tomorrow are going to church today.
