

David Boise, folk singer, to be at Coffee House

David Boise, contemporary folk singer who has played many top national spots, steps into the spotlight of the Basement Coffee House this week.

The Memorial Student Center Basement will feature Boise in 8 p.m. to midnight performances announced chairman Gary Reid.

A national Coffee House Circuit act, Boise received "Variety" acclaim while working with "Bojangles" at Fountainebleau Hotel in Miami Beach.

"Lead singer David Boise has the voice and looks to become a heartthrob," the entertainment trade paper said. "He handles everything from serious songs to comedy bits with ease."

Boise sang at the 1963 Monterey Folk Festival with the Rum Runners in company of Bob Dy-

lan and the Weavers. He then worked in The Mitchell Trio with John Denver and Mike Johnson. Boise later joined "Bojangles," a rock act known for its work with Liza Minelli at the Empire Room, El San Juan Hilton, the television special "Movin'" and most recently the Ed Sullivan Show.

The Basement performer's itinerary has also included Playboy Clubs in Chicago, Miami, Atlanta, Los Angeles, San Francisco and Boston, over 200 college concerts with the Mitchell Trio, The Cellar Door in Washington and the Mike Douglas Show.

Boise does James Taylors "Country Road" and "Fire and Rain," "Feel to Be Free" and "Common People" by Billy Taylor, Elton John's "Your Song" and Jerry Jeff Walker's "Mr. Bojangles", among others.

Monday first day of preregistration

Students currently enrolled may preregister for the fall semester beginning Monday and continuing through Friday, April 30, reports Registrar Robert A. Lacey.

Preregistration hours are 8 a.m. to 5 p.m. each day next week. Only currently enrolled students are permitted to preregister, Lacey noted.

Individual departments are responsible for setting up the preregistration schedule for their students. The student begins the preregistration process by taking his identification card to the department office to secure card packets.

After the student's assignment card is approved, he next secures a fee data card from the Housing Office representative. All women students report to the Housing Office, on-campus members of the Corps of Cadets go to Lounge D in the Duncan area, all on-campus civilian students report to the Housing Office and all day students—civilian and Corps—obtain their fee card at the Hart Hall Lounge.

All students report to YMCA

Room 001 after securing the fee data card to complete registration.

NOTICE

To all students that will not be here in September to pick up their 1971 Aggellan . . . come by the Student Publications Office, 216 Services Building and leave your MAILING ADDRESS and MAILING FEE.

We, the undersigned, of the FIGHTIN' TEXAS AGGIE FOOTBALL TEAM, endorse and believe that HANK PAINE and C. H. LONG are the most qualified and will do the best job possible as YELL LEADERS for the CLASS OF '73.

OFFICIAL NOTICE
Official notices must arrive in the Office of Student Publications before deadline of 1 p.m. of the day proceeding publication.

To be eligible to purchase the Texas A&M University ring, an undergraduate student must have at least one academic year in residence and credit for ninety-five (95) semester hours. The hours passed at the preliminary grade report period on March 15, 1971, may be used in satisfying this ninety-five hour requirement. Students qualifying under this regulation may now leave their names with the ring clerk, Room Seven, Richard Coke Building. She, in turn, will check all records to determine ring eligibility. Orders for these rings will be taken by the ring clerk starting April 1, 1971, and continuing through May 7, 1971. The rings will be returned to the Registrar's Office to be delivered on or about June 23, 1971. The ring clerk is on duty from 8:00 a. m. to 12:00 noon, Monday through Friday, of each week.

Faculty

(Continued from page 1)

Students honored were Larry Beerwinkle, Animal Science; David Koecur, Aerospace Engineering; Carleton W. Carlik, Industrial Engineering; Johnny P. Smith, Sociology; Rodger C. Holleywell, Geology; George W. Lockwood, Physics; Larry Wayne, Geology; and Bernard A. McGowen, Veterinary Medicine.

When the awards were first set up students wanted to honor outstanding members of the faculty of each college, Leon Drozd, chairman of the Civilian Week-Weekend Committee, said. To make them more meaningful, the awards were given on Texas Independence Day, which is also Academic Excellence Day, he added.

This year the CSC contacted the dean of each college and asked him to name a student from that college to serve on the committee to choose the men who would be honored, Drozd said.

"You are to be especially congratulated for receiving this award, particularly this year," Drozd said.

The student awards were given to those who have shown outstanding leadership in their field, not necessarily in an office, Mark Olson, CSC president, said.
