

Pat McDermott gets rid of the snakes at Aggieland

By BILL HENRY
Assistant Sports Editor

St. Patrick drove the snakes out of Ireland, and now he's at work in Kyle Field. Texas A&M's Pat McDermott brought the snakebit Aggies back into the win column Saturday.

The 5-9, 163-pounder with the impish grin kicked a school record 53-yard field goal in the fourth quarter for a dramatic 10-9 Texas A&M victory over Baylor Saturday breaking an 11-game

Southwest Conference losing streak for the Aggies.

McDermott, who looks as Irish as his name with rust-colored hair and freckles, didn't even come out for the team until two games deep into his freshman year. He asked freshman coach Jim Keller for a trial, and made his first appearance as a kickoff man against the Rice Owlets.

It didn't take McDermott long to make his presence felt, however. In his first varsity game

he tied a school record with two field goals against Wichita State and matched that with two more against LSU in A&M's stunning 20-18 upset in 1970. He finished his sophomore season as the team's leading scorer with 34 points.

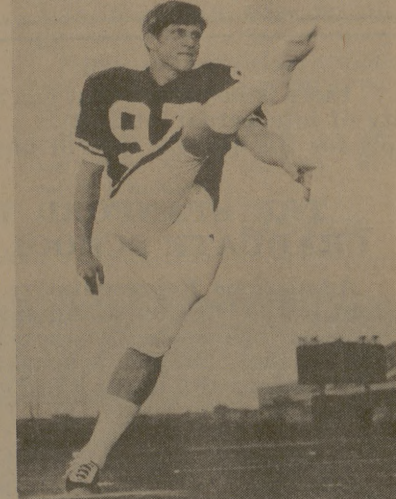

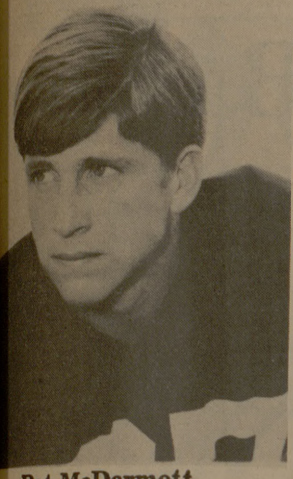

Until last Saturday, though, McDermott's junior year had been a nightmare. On his first field goal attempt of the season, the snap from center sailed over McDermott's head. He retrieved the

ball and threw a pass which was intercepted. His next attempt was good from 34 yards, but a penalty called it back, and his next try was blocked. His next try resulted in another wild snap which McDermott recovered for a 23-yard loss.

McDermott kicks soccer-style with only a sock on his business foot, but he never played soccer. McDermott was playing for Bishop Dunne High School in Dallas while his brother was attending

Michigan State. Brother Joe was exposed to soccer at East Lansing and taught Pat how to kick. The younger McDermott polished his style by kicking over telephone wires in his driveway. A wax drink carton was his tee.

McDermott came to A&M to study journalism, and eventually found his way to the football field. Not even his coach knew his name when he made his first game appearance, but that won't be a problem anymore.
