

# A&M to be represented at skeet nationals

A six-man team will represent A&M this week in the fourth annual National Intercollegiate Trap and Skeet Tournament held on the Missouri Trap Shooting Grounds near Linn Creek, Missouri. The meet is scheduled for April 27-30.

The team is made up of Randy Thomas, Tim Harper, Jim McKee, Dennis Murphy, Len Legge and Gary Breech. Thomas, Harper and McKee represent the officers of the club that was formed during the spring of 1971.

Expenses for the trip were given the team by donations, the school and other club functions. Four events have been sched-

uled. Competition includes 12 gauge American skeet, 16 yard American trap, international skeet and modified clay pigeon. Two hundred targets will be shot in the first two classes and 100 in the final two.

The program director is Barry Wilson of East Stroudsburg State College, East Stroudsburg, Penn. Central Missouri State College in Warrensburg is the tournament host.

Rifle association that will present awards during the meet will be the Amateur Trapshooting Association, National Skeet Shooting Association and the

National Rifle Association.

Winchester-Western will provide shotguns as the individual champion awards in the American trap and American Skeet.

Trophies will be awarded to first and second place teams in the trap and skeet competition. Trophies will also be awarded to champion, runner-up, lady champion and lady runner-up in each event.

A special chevron will be presented by Winchester-Western to championship team members and individuals in all events.

In the American trap and

American skeet, five-man teams will compete and in the clay pigeon and international skeet, four-man teams will be represented with a fifth able to shoot before the four low scores are counted.

This tournament is open to all accredited colleges and universi-

ties with both undergraduate and graduate students eligible to compete. Each entrant must be a full time student of the college or university he represents and be designated by an official of the college or university.

All championship ties will be shot off in rounds of 25 targets.

COMMENT OF A McMAHON GRADUATE

D. J. Callais

In August, 1971 I graduated from McMahon College and immediately accepted a position as a court reporter. Currently I am making \$15,000 per year. For a fascinating career that really pays off, I suggest you look into Court Reporting by contacting McMahon College, 2601 Main, Houston, Texas 77002. Call collect 713/228-0028

# Aaron blasts home run off Cardinal ace Gibson

The Associated Press

Home run No. 642 was a little more tasty for Hank Aaron. It was dished up by Bob Gibson.

"That's probably the last fast ball I'll see from him this year," said Aaron after his two-run shot helped the Atlanta Braves bomb the St. Louis Cardinal ace 9-3 Tuesday night.

Gibson, who rarely grooves one run hitters, threw one down the middle on an apparent "take" pitch—a 3-0 count.

"He was just trying to put it down," said Aaron. "You've got to take advantage of Gibby when he throws one like that."

The home run, Aaron's third this year, moved him another step closer to Babe Ruth's life-time record of 714. The Braves' star currently is in third place, four behind San Francisco's Willie Mays.

In the other National League games, the Pittsburgh Pirates defeated the Cincinnati Reds 5-2 in 10 innings; the Houston Astros trimmed the Chicago Cubs 5-4; the New York Mets beat the San Diego Padres 2-1; the Los Angeles Dodgers turned back the Montreal Expos 6-1 and the Philadelphia Phillies blanked the San Francisco Giants 3-0.

Aaron's two-run blast gave the Braves a 6-0 lead after two innings. Earl Williams highlighted

a four-run rally in the first with a two-run shot over the left field fence.

Aaron, coming out of an early slump, has collected five hits in his last three games and raised his average to .176.

The Pirates won their game with a dramatic, three-run homer by Richie Hebner with two out in the 13th. Only a couple of thousand fans were left by that time as temperatures dropped into the mid-30s in Three Rivers Stadium.

The blast unlocked a 2-2 tie that existed from the third inning. Roberto Clemente walked to open the 13th, advanced to second after two were out on a wild pitch, and remained there while Manny Sanguillen was intentionally walked so Gibbon could get at the lefty-hitting Hebner.

Pitcher Jerry Reuss scored the winning run in the seventh inning and earned his second victory of the season with a five-hitter as the Houston Astros beat the Chicago Cubs 5-4; the New York Mets beat the San Diego Padres 2-1; the Los Angeles Dodgers turned back the Montreal Expos 6-1 and the Philadelphia Phillies blanked the San Francisco Giants 3-0.

Buzz Capra and Chuch Taylor combined on a six-hitter and the New York Mets bounced from behind with two unearned runs in the seventh inning.

Frank Robinson knocked in two runs with a double and a single

and Willie Crawford slammed a home run as Los Angeles turned back Montreal. Don Sutton allowed five hits for the Dodgers before he was forced from the game when hit by a line drive in the eighth inning.

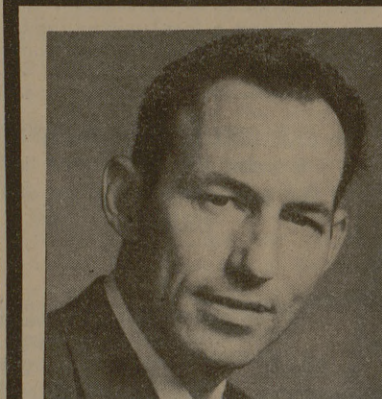

Steve Carlton shackled San Francisco on one hit—a leadoff single up the middle to Chris Speier—to lead Philadelphia over the Giants. The big lefthander struck out 14 to record his second straight shutout.

## Laker-Knick playoff begins

LOS ANGELES (AP)—The Los Angeles Lakers feel they have to neutralize Dave DeBusschere. The New York Knicks face the task of stopping Wilt Chamberlain.

The two teams meet tonight in the first game of the best-of-seven series to determine the National Basketball Association champion. The nationally televised game, with Los Angeles blacked out, was scheduled to begin at 9 p. m. CST at the Forum.

"DeBusschere is their best man as far as rebounding and shooting outside are concerned," said K. C. Jones, Lakers' assistant coach. "He must be stopped."

- Age 34. Born in Uvalde, Tex.
  - With wife Sandra and children Deborah and Kathy, resides at 200 Francis Avenue, College Station.
  - Graduate of Milby High School, Houston. Attended University of Houston with major in electronics.
