

## Puckett, Meaden get swim awards; Fosdick announces five recruits

Swimming Coach Dennis Fosdick announced last week that Charles Puckett of Amarillo and Doug Meaden of Houston were individual award winners for the past A&M swimming season. He also announced the signing of five new swimming recruits for the Aggies.

Puckett, a freshman who swam the butterfly, was named the most outstanding swimmer on the squad.

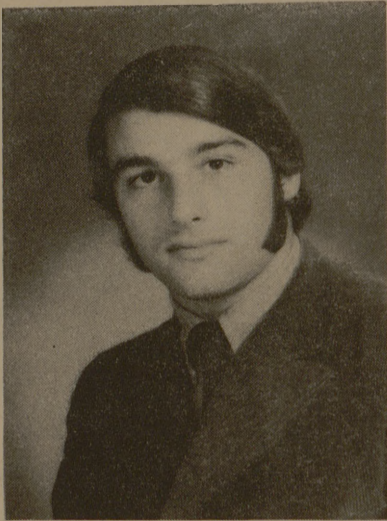

The five new recruits: Casey Cutler of Newtrier East High School in Wilmette, Illinois, a two-time all-state and all-America swimmer in the butterfly and freestyle.

Paul McKinzie of DeAnza Junior College in Cupertino, Calif., a junior college all-America water polo player who swims the breaststroke.

Thomas Heholt of Grosse Point North High School in Grosse Point Woods, Mich., the state champion and an all-America in the sprint freestyle.

Nash Dowdle Jr. of Midland, Tex., High, an all-stater in the breaststroke, backstroke and in-

dividual medley. Steve Moore of Santa Clara (Calif.) High, an outstanding swimmer and water polo player, competes in the breaststroke, backstroke and individual medley.

Thomas Heholt

## Mark Kidd wins horticulture prize

Mark Kidd of Harlingen, junior horticulture major at A&M, has been named winner of a \$100 David Burpee Award sponsored by the Burpee Seed Company.

He is the son of Mr. and Mrs. Comer C. Kidd of Route 2, Harlingen.

The honor is based on grades, activities and interest in horticulture as a career. Kidd's grade point average is 3.73 on a four-point system.

# Student leaders named to bank board

The election of three A&M students as advisory directors of the University National Bank has been announced by UNB President Joe Sawyer. Mark Blakemore, Ron Krnavek and Layne Kruse were selected to replace outgoing advisory directors John Sharp, Tom Stanley and Gordon Pilmer.

"We feel that Mark, Ron and Layne represent a good cross-section of the students at A&M," Sawyer said. "They will serve in the same capacity as our retiring

advisory directors which was to provide A&M students with a voice in University National Bank's management."

Blakemore, a native of Richmond, Ky., is the son of Rev. and Mrs. Charles Blakemore. He has served in the Student Senate as representative from the College of Geosciences. Blakemore, 19, was recently elected president of the Civilian Student Council at A&M. He is a geology major with high academic standing. Blakemore has been a delegate to the

International Student Association Conference in addition to his activities in A&M student life.

Krnavek has been named commander of A&M's Corps of Cadets for 1972-73. He is an engineering technology major from Corpus Christi, and the son of Mr. and Mrs. Leroy G. Krnavek. Ron is a member of the Ross Volunteers, Town Hall Committee and Great Issues. He was selected as outstanding cadet at Air Force ROTC Summer Camp in 1971. A member of the Corps

of Cadets Staff this year Krnavek served as sergeant major.

Kruse, 20, was elected by the Aggie student body as President of the Student Government for 1972-73. Kruse, the son of Mr. and Mrs. Walter E. Kruse, is an economics student from McGregor. He has been appointed to serve on the A&M Cadet Corps Staff for the coming year. Kruse has been active on the Student Senate for two years and also serves on the TAMU President's Advisory Council. He has been

designated a distinguished academic student each semester at A&M.

The newly elected advisory directors will begin serving at the June 13 University National Bank board meeting.

"These three outstanding young men will give us a better understanding of the banking needs of Texas A&M students," Sawyer said. "We are pleased to have them working with bank management to provide maximum service to Texas Aggies."

## Plymouth searching nation for 1954 Savoy

Chrysler-Plymouth Division has started a nationwide search for an 18-year-old car — and is willing to trade a new 1972 model for it.

The car being sought is a 1954 Plymouth Savoy, four-door sedan. The Division is not looking for just any 1954 Plymouth Savoy. It wants the best one still in operation. There were 139,383 of this model produced.

F. G. Hazelroth, Chrysler-Plymouth general sales manager, said he wants to locate the best of that model-year Plymouth, trade a new Plymouth Fury Gran Coupe for it, and give it — completely reconditioned — to singer Johnny Cash.

"Some months ago, Johnny Cash was in a recording session, making Plymouth radio commercials," Hazelroth explained. "While they were taking a break, he told some of our people that the best car he ever owned was the 1954 Plymouth Savoy that he and his brother had when he was getting his start in the entertainment business. Someone sug-

gested that he repeat what he had just said while the recording equipment was operating. He recorded his ad libbed statement and it became a Plymouth commercial.

"To show our appreciation, we are going to locate a 1954 Plymouth Savoy four-door sedan that is in good condition — put it in top condition — and give it to Cash as a memento."

The owner of the car selected will be given a 1972 Plymouth Fury Gran Coupe with vinyl roof, automatic transmission, radio, whitewall tires, power steering and brakes in exchange for his 1954 Savoy. In addition, the owner will receive an all-expense paid trip for two to the Indiana State Fair at Indianapolis to meet Johnny Cash.

Hazelroth said that owners of 1954 Plymouth Savoy four-door sedans may enter the contest before June 28 by taking their cars, along with interior and exterior pictures and a description

of the car, including mileage, to a Chrysler-Plymouth dealer. The dealer will verify that the car is in running condition and that the pictures and descriptions are authentic. The owner and the dealer will fill in an entry blank, and mail it, together with the car description and pictures, to contest headquarters in Detroit: Johnny Cash, P. O. Box 1954-A, Detroit, Michigan 48232.

The contest is open to the public and excludes employees and Internal Revenue Service dependents of Chrysler-Plymouth Division, its dealers and its advertising agencies.

## Academic society installs twenty eight from B-CS

Twenty-eight A&M students of Bryan-College Station have been elected to Phi Kappa Phi.

National honor society for superior scholars in all academic majors and for undergraduate and graduate students, Phi Kappa Phi is to all disciplines what Phi Beta Kappa is to liberal arts and sciences.

New members are Mary Beth Beard, John D. Bryant, Julius P. Dieckert, Felicitas Eigel, James David Finley, Deborah J. Fisher, Rochelle Grounds, Don Edward Hale, James Thomas Hanna,

test headquarters in Detroit: Johnny Cash, P. O. Box 1954-A, Detroit, Michigan 48232.

The contest is open to the public and excludes employees and Internal Revenue Service dependents of Chrysler-Plymouth Division, its dealers and its advertising agencies.

Louis Hodges, Mary J. Hoffman, William R. Howell Jr., Michael K. Lindsey, Paul E. Madeley, George M. Marton, Richard J. Marzec, Nell C. Morris, Gary L. Runkles, David E. Scasta, William T. Shelton, John D. Sperry, Michael Szabuniewicz, Durwood Thompson Jr., and Gary Allen White.

New faculty members are Bob M. Gallaway, Clare A. Gunn, Harrison E. Hierth, Charles M. Hix, Jr., Michael A. Kerley, Wilbur L. Meier, Jr., William M. Merrell Jr., and Clinton A. Phillips.

## Engineering society donates scholarship

Members of the Gulf Coast Chapter, American Society of Safety Engineers have established a \$500 scholarship at A&M for an undergraduate studying either industrial safety or industrial engineering.

The student selected for the annual scholarship must be a junior or two-year college transfer from the gulf coast area.

Assistant Engineering Dean Clifford H. Ransdell said the scholarship is the first established for safety studies at TAMU.

The Gulf Coast Chapter of ASSE has approximately 300 members.
