vote FOR robert s. CALVERT

VOTE FOR PERFORMANCE

There is no margin for error in an office that must guarantee the biennial fiscal solvency of the state—balancing billions in receipts to payments each year. Bob Calvert has built a tax accounting system that is considered a model for study by other states. During 23 years as Comptroller, he has an unblemished record of remarkable public service.

VOTE FOR EFFICIENCY

Bob Calvert has continually modernized operations to provide greater service at lowest cost. The electronic data-processing equipment he installed is recognized as one of the most sophisticated and efficient computer systems in the nation.

VOTE FOR CONFIDENCE

Under Bob Calvert, the Comptroller's Office has returned \$450,776,028.09 to 692 Texas cities since their sales tax was enacted. Every penny has been accounted for. His records are verified by the State Auditor's Department to insure absolute accuracy. The Texas Research League has proclaimed Calvert's office one of the most outstanding in the country in accounting and administration.

VOTE FOR INTEGRITY

The only things "old fashioned" about Bob Calvert are the virtues of honesty and integrity which he considers vital for a person in a position of such public trust. On the other hand, his runoff opponent, who has had six marriages, four divorces and one annulment, was fired from the Comptroller's Department last November after being convicted of aggravated assault on a female.

Aggies finish in fifth place at conference track meet

By JOHN CURLYO

After a season of disappointments and injuries, the Aggie track team was unable to put it all together at the Southwest Conference meet in Fayetteville, Arkansas, last week.

A&M finished fifth, below their expected output of third place, while Texas ran away with the championship, outscoring second place Rice by nearly 50 points.

Baylor managed to squeeze by the Aggies at the conference track meet by a half-point, as A&M earned points in eight of the 16 events. There were no Aggies entered in the shot put and the javelin.

Both relay teams were disqualified, costing A&M its only first, the mile relay. Although they ran a 3:14.8, Wayne Mills elbowed near the end of the second lap. The sprint relay unit was ruled out for exchanging the baton out of the designated zone. It was the first time since 1961 that an A&M track team was shut out at the conference meet, getting no first places.

In the 440-yard hurdles, David Prince missed a chance to qualify on the first day of the meet when he fell. At the time, he was even with Rice ace Mike Cronholm. In the 880, Willie Blackmon, who had the best time in the SWC, finished fourth. A&M's Horace Grant was second with a 1:51.8.

The only Aggie to place in two events was Marvin Mills. Injured most of the season, Mills placed second in the 220 with a time of 21.1. He was fifth in the 100, running a 9.6.

High jumper Marvin Taylor jumped 6-9½ for second place. Teammate Phil McGuire was third with the same height but more misses. Harold McMahan pole vaulted 15-6 for third place, and Billy Hoffman tied for fifth with a 14-6.
