Plans to retire

Matson not on Olympic squad

Randy Matson, the Aggie who dominated the shot put as no other individual has reigned over any single sporting event in history, failed to qualify for the 1972 United States Olympic team Saturday in Eugene, Oregon.

After the fourth place finish by less than five inches, Matson announced his intention to retire

from competition after being the top man in the shot put for a decade.

A gold medalist in 1968, a silver medalist in 1964 and a world record holder since 1967, Matson's best put of the day was 67-5 1/4. He threw 69-0 1/4 in the preliminaries Friday, but first day marks do not carry over to the finals. This is the exception rather than the usual practice in track meets.

George Woods of the Pacific Coast Club in Long Beach, California, won first place in the event with a throw of 70-1 1/4. His teammate, Al Feuerbach, was second at 68-10 1/2. Chicago's Brian Oldfield, a relative newcomer in shot put power, edged Matson by placing third at 67-10 1/2.

"I see no reason for staying in shape and throwing," said the 6-7, 270-pound Matson, now 27 years old. "I would be very surprised if I ever competed again. I'm not improving. It's

Rolf is signed by SF 49ers

Rolf Krueger, younger brother of veteran defensive tackle Charlie Krueger, has signed a contract with the San Francisco 49ers of the National Football League.

Krueger, who played on the 1967 Southwest Conference Champion A&M team, played out his option with the St. Louis Cardinals during the 1971 season.

At 6-4 and 250 pounds, Rolf is 10 years younger than Charlie, and will be used as a defensive end, a spokesman for the 49ers said. The Krueger brothers both were named to All-America teams while in college. Both played on league championship squads at A&M.

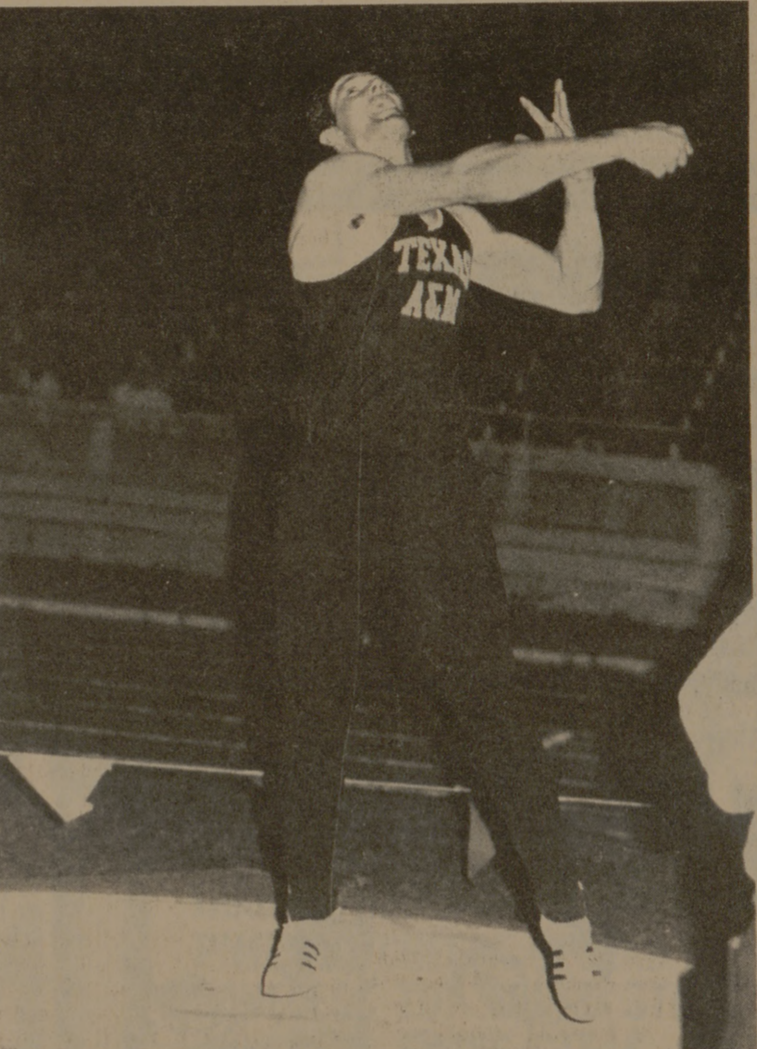

A third brother, Kent, will begin his freshman year at A&M this fall. He is 6-5 and weighs 260 pounds.

The 49ers announced that two high draft 1973 choices would be given to St. Louis in compensation for Rolf Krueger.

been five years since I threw the record toss and my timing is off. I had considered retiring after the Olympics anyway.

"There are so many guys near

70 feet now, I don't know if I'll be able to compete with them," he continued. "They throw better than I did. I can offer no excuses. I just didn't throw well."
