

Chess tournament scheduled here Friday and Saturday

A tournament for U. S. Chess Federation and Texas Chess Association-affiliated players will be conducted Friday and Saturday by the Memorial Student Center Recreation Committee at A&M.

Tournament director Carl Childress said entries, at \$2 each, will be taken through 7:30 p.m. Friday. Play begins Friday evening and continues through Saturday on the third floor of the MSC.

A&M ISN'T SUCH A DULL place, sometimes, as these sweet young things gathered around the pool prove. More coeds than ever are expected this fall with the completion of the new dormitory. (Photo by Bob Leitz)

Badgett retiring

the best service departments in the nation.
But Howard Badgett is especially proud of his family. He calls it a "unique group."
For example, his daughter, Mrs. Mary Wilson, is a 1964 grad-

uate of TAMU, one of the original 150 girls admitted in 1963 and currently editorial assistant to The Texas Aggie, official publication of the Association of Former Students. Badgett's sons, John and Richard, did not graduate from A&M. In fact, John is a

University of Texas grad and Richard graduated from Connally Tech in Waco.
Badgett said he'll spend his retirement days working handicrafts, gardening and "trying to break par while watching flowers and Aggie land grow."
