

WISHING FOR YOUR HOMETOWN BANKER?

Mervin Peters
Meets these important qualifications

Well really we would not attempt to replace your "FAMILY BANKER" but would like to invite you to let **MERVIN** take his place during your stay at **TAMU. CNB** is completely oriented to the needs of our academic community both students and faculty.

Students have discovered that a local bank account comes in handy and we sure would like for you to become identified with **CNB**.

Ask your "HOMETOWN BANKER" chances are he knows us too.
