**Seven Gold Medal Goal For Games Spitz To Call It Quits After Olympic Competition**

By BOB JOHNSON  
MUNICH (AP)—"I'm afraid of everything," said a smiling Mark Spitz.

The handsome Californian has nothing to fear tonight. It's not until Thursday night that he goes after the fourth of what he hopes will be an incredible seven gold medals.

But starting next week, the United States may have plenty to fear—mainly the thought of an Olympic swimming team without Mark Spitz.

The 22-year-old Indiana University dental student racked up his third world record in garnering his third gold of these 20th Summer Games Tuesday, slashing

his way to victory in the men's 200-meter freestyle.

Then he told a television interviewer that, whether or not he achieves his seven-gold goal, these Games will probably be his last international competition.

"I have no plans for swimming any more at all, really," Spitz said. "I won't have the time. I'll swim until Monday."

The bronzed, mustachioed Spitz sliced through the water in the 200 freestyle in 1:52.78, unleashing a torpedo-like final lap to

shatter his own world mark of 1:53.50 as well as the Olympic standard of 1:55.29 formerly owned by fourth-place finisher Mark Wenden of Australia.

Winning the silver was UCLA student Steve Genter of Lakewood, Calif. Werner Lampe of West Germany was third.

Spitz, of course, wasn't the only American to do well. The United States already owns 15 medals—five gold, six silver and four bronze. That's six more than runner-up East Germany and

eight ahead of the Soviet Union. One of those golds went Tuesday to a California high school student—the Golden State really seems to be living up to its nickname here—in what has to be one of the biggest upsets of the Games thus far.

Sandra Neilson, a giggly, dimpled lass from El Monte, Calif., wrecked Australian wizard Shane Gould's bid for four personal golds by winning the women's 100-meter freestyle in an Olympic-record 58.59 — less

than a tenth of a second from Gould's world mark.

"I'm just so excited and great," the 16-year-old Neilson bubbled. "I just want to get out there and win. I got out there I knew I was going to win."

But how, she was asked, she feel about beating the Aussie, who had to settle for third behind Shirley Babashoff of Fountain Valley, Calif.

"She's a girl—just like Miss Nielson said of Miss

**Ancient Basketball Record Preserved Olympic Swimmers, Divers Faulter**

By WILL GRIMSLEY

MUNICH (AP)—The United States' plucky, young basketball team came from seven points back in the final half for a 61-54 victory over Brazil Wednesday that preserved a 36-year perfect record in the Olympic Games.

However, it was a bad day for Uncle Sam at the swimming pool where a curly-haired Russian, Vladimir Vasin, ended a 60-year American domination of the men's springboard diving event and the Yanks were able to salvage only a single gold medal in four championship races.

That one was made possible only by a brilliant last-lap effort on the part of a 15-year-old California schoolgirl, Shirley Babashoff, which gave the Americans a close world record-shattering

victory in the women's 400-meter freestyle relay.

It was in basketball that the Americans received their severest scare of these five-day-old games, which come fully alive Thursday with the start of the blue ribbon track and field.

Paced by the 6-foot-8 Marcos Badalla and the aggressive 6-5 Maciel Ubratan Pereira, who led them to the Pan-American title a year ago, the Brazilians fought the favored Americans to a 26-26 standstill at the half and then moved in front midway in the final period.

This was a moment to test the mettle and choking point of a collection of collegians averaging only 20.6 years in age, the youngest ever fielded by an American team in this international spec-

tacle.

The answer came quickly and decisively. Doug Collins, a 6-6 guard from Benton, Ill., hit a short jump shot with 8:16 to go, sending the Yanks ahead 46-45.

Then, when the Brazilians surged back, Collins bounced back to make it 48-47. Ed Ratleef of Long Beach State scored six of the last eight points.

It was the 59th basketball victory without a defeat for a U.S. Olympic team. This one now goes into the semifinals, favored to win another gold.

The Americans took a jolt in the three-meter board diving, a specialty they hadn't lost since 1912. Vasin, with a superb series of finishing dives, won the gold medal, beating out Franco Cagnotto, a 5-foot-3 Italian, with

Craig Lincoln of Hopkins having to be satisfied with bronze medal.

In swimming, where the States has been gathering momentum in clusters, the rest of the blue water wonders—at least temporarily.

**Nicklaus Victory Sets New Mark**

NEW YORK (AP)—Jack Nicklaus' victory in the U.S. National Match Play golf championship—his sixth tournament money winning mark to \$280,482 for the year, the PGA announced Tuesday.

Nicklaus collected \$40,000 the total purse of \$150,000 he won the tournament at Pinehurst, N.C.

It was his second victory as many starts and gave a total of \$90,000 in prize money for the two tournaments previous start was the Western Classic, in which he won \$50,000. His next start was in Akron, Ohio, which also a \$50,000 first prize.

Nicklaus' money total for the old single-season record \$244,490 which he set last year. The 32-year-old Nicklaus' game's all-time leading winner with a career accumulation of \$1,663,646.

**Teaff Gives Bears Rest After Good Practice**

WACO (AP)—Baylor Coach Grant Teaff cut his workout by 20 minutes Wednesday saying that the players did not have to be driven and were going all out because

they want to win so badly.

Teaff put the offensive unit through a whole afternoon of work against Georgia defenses while the defensive unit worked against the Bulldogs' offensive maneuvers.

The Bears open the season against nationally ranked Georgia in Athens Sept. 16.

Teaff said that the passing game was greatly improved mostly because the quarterbacks were getting used to throwing in pads.

"It's still a toss-up. Anybody can take over," he said, referring to the three-man race for the

starting quarterback position.

Four more defensive players, tackle Barry Pledger of Waco Midway, cornerback Rickie Duff of Dallas, rover Tommy Turnipseed of Beeville and cornerback Ira Dean of Houston received hitters stars in the workout.

Every man on the defensive first team is now wearing a hitter's star.

Speaking of Pledger, Teaff said: "We had high hopes for this young man and he came through. He is exhibiting what it takes to win. He is working hard and he is going to help us."

**Davis Honored**

MOSCOW (AP)—Angela Davis received a Lenin Jubilee Medal Wednesday and said, "This is the greatest honor I have ever had."

The American Communist then told Yagdar Nasriddinova, who presented the medal: "I, a Communist of the U.S.A., will follow Lenin's behests."
