Wichita State Not To Be Taken Lightly

at linebacker and averaged 15 tackles per contest. Pete, 6-3, 240, has started at WSU for three years. Gilley, 5-10, 170, led the nation in kickoff returns two years ago and last year led the MVC with a 26.7 yard per carry average...

establish a running game and then throw the football some. That is what we'll do every game and hope we can win with it. On defense, we'll do just what we've done in practice; try to stop the run and get to the passer hoping to get interceptions in the secondary.

will be seen Saturday night. You can sense it in the players and coaches alike; they want to play a real football game. The question of injuries came up and, for the first time in several years, the Aggies are in good physical shape after fall drills.

in true game conditions. After Saturday's game we'll be able to see if we did a good job getting them experienced. Also discussed by Bellard was the attitude of the team in this week's work.

White Gets Nod For USC Game

FAYETTEVILLE, Ark. (AP) — Arkansas Coach Frank Broyles said Tuesday that Marsh White, a 220-pound sophomore, would start at fullback Saturday at Little Rock when the fourth-ranked Razorbacks meet eighth-ranked University of Southern California.

White had been battling fifth-year senior Mike Saint for the fullback position, but Saint injured a toe last Friday.

"We just don't know about Mike Saint, so Marsh White will start," Broyles said. "I don't know whether Saint will practice this week at all, or play Saturday."

Broyles also said that sophomore Scott Bull would back up White at fullback.

There are also other positions where Broyles is unsure who will be the starter.

Jim Irwin, who was expected to start at left cornerback, broke his nose during Monday's practice and his status was uncertain Tuesday.

If Irwin is unable to start, Broyles will call on sophomore John Moseley.

Broyles says either Ron Revard, a converted center, or Lee King, a sophomore, will start at left tackle on offense and that the starter at center will be either Stuart Freeland, a junior, or Randy Drake, a sophomore.

Frogs' Lack of Outside Speed May Hurt Race For Crown

FORT WORTH (AP) — Texas Christian Coach Billy Tohill said Tuesday the outside speed of his running backs was the biggest offensive weakness of the Horned Frogs but added, "We're going to beat some people."

The Horned Frogs finished strong last year and finished third in the Southwest Conference football race.

Tohill said, "Our football team as good or better than last year. But the conference is more balanced and it looks like every team will be improved. The new coaches have brought a lot of enthusiasm into the conference."

Tohill said "more freshman players will play varsity ball than ever thought would play."

Tohill still has his freshmen looking apart from the varsity. Among the group is sensational running back Littleton, an All-state quarterback-halfback from Wichita Falls.

Asked if he thought Littleton would provide help for the outside speed problem, Tohill said, "I don't think a freshman will start for us. Ron has ability but we don't know what to expect. I've never been one to praise a kid who has never been to war."

Tohill said a freshman would have to have exceptional ability to play—such as split end Richard Osborne and running back Bubba Bean who will start for Texas A&M University.

He said the TCU staff would take a hard look at Littleton because of the freshman's exceptional quickness and speed.

"That kid can run a 4.6 in the 40 yards, backwards and sideways," Tohill said.

TCU will return eight starters on offense and eight starters on defense.

The Horned Frogs don't open the season until Sept. 23 against Indiana on the road.

Southwest Conference Football Show To Be Televised Tonight At 6:30

Twenty-five years of Southwest Conference football have been packed into an action-filled half-hour film which will be premiered on 28 television stations throughout the Southwest the nights of Sept. 5-9.

Locally the special sports program is scheduled for 6:30 p.m. Wednesday, Sept. 6, on KBTX-TV in Bryan.

Opening with the Doak Walker (SMU) and Bobby Layne (Texas) post World War II era, the 28-minute movie features outstanding players, teams and games of 1947-71.

Action scenes include such consensus All-America players as Froggy Williams, Lawrence Elkins, Kyle Rote, John David Crow, Jim Swink, E. J. Holub, Buddy Dial, Jerry Levias, Jimmy

Saxon, Bob Lilly, Dicky Maegle, Tommy Nobis, Steve Wooster and Bobby Wunsch.

Many other All-America and All-Conference standouts are featured. It was impossible, however, for the film to cover all the great players, narrator Connie Alexander points out.

The film's objective, Alexander says, was "to capture the moods, the styles of play, the trends and the excitement that have made the game great for players and fans alike."

Seven of the most outstanding games of the past quarter-century are reviewed, including the Doak Walker-Bobby Layne confrontation in 1947 when unbeaten SMU faced unbeaten Texas.

Other memorable games include teams from Rice, TCU, Baylor, A&M, Arkansas and Houston.
