

Without Six, Freshman Team Still To Be Rugged

By KEVIN COFFEY

Texas A&M's freshman football team, minus six stellar performers due to the freshman eligibility rule, are hard at work learning and preparing for the Rice Owlets on Sept. 28.

Through the first 25 workouts the Fish seem to be picking up the complexities of the Wishbone offense and should round-out into a fine squad.

Head Freshman Coach Paul Register surveys the team's strength as being their size and lack of depth as the major weakness. Register takes control of the defensive unit while Coach Donnie Wigginton tends to the offensive duties.

Rex Norris is the freshman line coach.

The Fish will run the same offense and defense as the varsity, namely the Wishbone T and a 4-3 defense. Coach Register feels that the reason for having a Fish team is to prepare players for future varsity action and the best way to do this is to run the same formation the varsity does.

The Wishbone will be lead by Dale Ammons (6-2, 195) an all-district quarterback from Pampa. The fullback is Bucky Sams (5-11, 190) a two-year all-city performer for Amarillo Tascosa. The halfbacks at this early stage of the game are Ronnie Hubby (5-10, 195) all-state back from Clovis, N. M., and Pat Thomas (5-10, 178), an all-state performer from Plano.

The offensive line has Henry

Tracy (6-2, 215), an all-state product of Houston Sam Houston, starting at the center spot. Flanking Tracy are guards Tyrone Wright (6-0, 185), all-district from Del Valley, and Dennis Smelser (6-5, 237), all-state both offensively and defensively from Odessa Permian. Due to the lack of depth, Smelser is also the starting defensive right tackle.

The offensive tackles are Scott Knippa (6-1, 218), all-South Texas from Kingsville, on the left side, and Glenn Bujnoc (6-5, 225), all-American from Houston Mt. Carmel High. Bujnoc also goes both ways, doubling as defensive left end.

The receiving crew consists of tight end David Greeno (6-0, 190), all-star game participant from Albuquerque, N. M., and Bill Newton (5-11, 174) at split end, a walk-on from Kansas.

The defensive unit consists of Blake Swartz (6-3, 215), all-district from Houston Memorial, at right end, and two-way starter Bujnoc at left end.

The tackles are Kent Krueger (6-5, 260), younger brother of Rolf Krueger and a fine prospect

in his own right, at the left side and Smelser, a repeater from the offense.

The linebackers are Carl Warneke (6-0, 210), all-district from Castroville, in the middle, Garth Ten Naple, all-district from Euleess, and Kim Scott (6-1, 200),

honorable mention all-district from Dallas Bryan Adams, on the outsides.

The defensive backs consist of Pat Thomas, holdover from the offense with 4.6 speed in the 40-yard dash, at right corner and Charles Arndt (5-11, 175), all-

district from Cuero, at left corner. The safeties are Doug Wood (6-1, 185), all-district from Arlington High, and left safety Jackie Williams (5-10, 170), honorable mention all-state.

This year's Fish team has more out-of-state players than the

other three classes coming to extensive recruiting by Bellard and his staff.

After Rice, the Fish TCU in Fort Worth, Baylor Waco, Tech in Lubbock, turn to Kyle Field for the up with Texas.

Olympics Continue After Arab Attack

By JOHN VINOCUR Associated Press Writer

MUNICH (AP)—With the Olympics resumed, the West German government has ordered a full-scale investigation of the terrorism and police action which combined to kill 11 members of the Israeli team and five Arab guerrillas.

Officials insisted Wednesday that the airport shootout which resulted in 15 deaths was necessary in an effort to save the Israeli hostages. The plan failed—all nine hostages died along with five terrorists and a German policeman.

Two Israelis died earlier when the terrorists first invaded their quarters at the Olympic Village.

Then, late Tuesday night, the terrorists and the surviving Israelis were taken to an airport in an ostensible program to fly them all to the Middle East.

German authorities had become convinced that "a flight out of this country would have meant certain death for the athletes," the Interior Ministry said. That led to the abortive plan to save them.

Three surviving terrorists face multiple charges of murder, a Bavarian court official said.

They were wounded as police tried unsuccessfully to free the hostages. The court has 48 hours to issue a formal warrant of arrest.

The survivors' wounds were

described as not serious.

If the three are charged and convicted of premeditated murder, they would face a maximum sentence of life imprisonment. There is no death penalty in West Germany.

Germany's conscience, long tortured in all its dealings with Jews, was again stricken with assertions that the attempt to save the Israelis had been botched. West German commentators spoke of postwar Germany's darkest hour.

The Olympic competition, halted 12 hours after the first Israeli was killed in the Olympic Village, resumed late Wednesday.

An Olympic Stadium crowd of 80,000, called to a memorial serv-

ice, broke into applause and cheers when Avery Brundage, president of the International Olympic Committee, said "The Games must go on."

The circumstances of the out at Fuerstenfeldbruck, a military airfield, were still in and will come under the government's inquiry.

Munich police started insisting that the first shot fired by an Arab who hysterically when he saw in readiness at the airport police later retracted this said further investigation that police sharpshooters fire when two guerrillas themselves in what was as especially favorable
