

# A&M Rugby Team To Face LSU On Saturday

The two-time state champion Texas A&M Rugby team faces its first challenge of the 1972 fall season Saturday afternoon in Baton Rouge against the LSU rugby team.

At 1 p.m. on Gerry Mander Field the A&M second team will face the LSU second team, and at 2:30 p.m. the A&M first 15 faces the LSU first squad.

In this, the first formal meetings of the two schools, A&M will meet two very quick and experienced sides. LSU is known for its fine style of rugby it can play. Nevertheless, last year at the Falstaff Invitational Tournament the A&M second squad defeated an LSU team composed of both first and second teams by a score of 22-16.

The powerful A&M first team

goes into Saturday's encounter with most of last year's key players gone due to graduation.

Members of last year's second team have filled in the openings in practice for the past three weeks. Saturday will be the acid test of their unity.

Starting at fullback will be Brett Holland with Judel Quixhall and John Gunn at the wings.

Randy Harjo and George McCarroll will round out the back line at outside and inside centers, respectively. The fly half will be manned by Gene Anderson and at scrum half will be Donny Robertson. Both men are new at these positions and have adapted well.

Finishing out the front row will have Steve Stouran back from last year's team at the right

prop position along with George Alden at the hooker position and Larry Gallego at the left prop position.

Mark Anthony and Jim Goulding are the backs. Aaron Cahoon, Bruce Mills, and Giles Ford finish the scrum with Cahoon and Ford returning to their wing forward positions and Mills at the number 8 position moving up from the second team.

The A&M second team has a lot of potential with a lot of inexperience. Five of the starters in Saturday's game have never played a minute of competition.

The centers are David Untersall and Steve Beckendam. Veteran Art Saldana will be at the fly half position giving some continuity to the young back line, but the scrum half is still to be determined in practice this week.

The A&M rugby teams will do its best to extend its winning traditions which includes victories in:

1971 Austin Tournament, 1971

Lone Star Tournament.

1972 Falstaff Tournament, 1972 Mardi Gras Tournament and are champions of the Texas Rugby Union both in 1971 and 1972.
