

439 Yards Rushing Offense

Aggie Fish Run All Over Baylor Cubs In 42-7 Victory

By KEVIN COFFEY Assistant Sports Editor

The A&M Fish ran and ran and ran all over the Baylor Cubs Thursday night on way to a 42-7 victory in Waco.

The Fish ground attack accounted for 439 net yards while controlling the ball for 21 more offensive plays than Baylor.

Fullback Ronnie Hubby led all runners with 148 yards on 38

carries and one touchdown. His third quarter tally made him the highest scorer in A&M Fish history with eight touchdowns for 48 points.

The Fish scored the first time they got their hands on the ball. After receiving the kickoff they marched 68 yards on eight plays and one penalty with quarterback Dale Ammons scoring on a six yard keeper with 3:30 remaining in the quarter.

Lee White kicked the point after and the Fish had the lead for keeps, 7-0.

With 2:38 left in the first quarter the Fish started a 64 yard drive that put them ahead 14-0. Pat Thomas scored on a 23 yard sweep only 34 seconds deep in the second period, and White was true again.

A&M was to score once more before half as they marched 64 yards to score with 1:31 before intermission.

The Fish almost got on the scoreboard again before half when Karl Warnke recovered a fumble on the Baylor 43 with 21 seconds remaining. A Baylor penalty for pass interference moved the ball to the 13 where Pat Thomas ran to the one. The Fish had only one chance to score and

Ammons met a tough Baylor line as time ran out in the half.

The second half was also totally dominated by the Fish. Hubby scored his record breaking touchdown on a 31 yard sweep of right end with five minutes left in the third quarter. Another Fish score was set up by the defense. Ken Bujnoch blocked a Baylor punt and Kent Krueger recovered the ball 16 yards from paydirt. Four plays later Ammons scored his second TD of the game on a three yard option play. White's point after was good again and the Fish led 35-0.

Baylor finally got on the board when a 10 yard Charlie Parker pass bounced out of the hands of A&M defensive back Jeff Helsa into BU's Tim Scott's with 8:32 left to play.

The Aggies were to score one more time when they mounted a 54 yard drive that ended with a Jim Hartman touchdown with 2:24 left in the game. White kicked the extra point again, his 16th straight, and the score reached its 42-7 resting point.

The game was not all A&M offense—some was a tough A&M defense. The defense gave up only eight first downs, 250 total yards of offense, recovered two Baylor fumbles, intercepted two passes and blocked a punt. At half time the Cubs had a minus five yards rushing while Fish defenders were all over the Baylor backfield.

Baylor ended the game with 52 yards rushing with 48 of those coming on a J. D. Stewart run of 48 yards.

Pat Thomas had 97 yards to go along with Hubby's 148 to lead the awesome attack. Ammons had 78 yards and Sams had 63.

Coach Register said "This was our finest effort, I thought we played well and as a team."

Register was able to play everybody who made the trip.

This victory evened the series standing at 12-12 with three ties.

The next Fish action is November 9 in Lubbock when they play the undefeated Texas Tech Pica-

How do you speak without a voice? How does a woman live without a breath?

The operation's over, you need the kind of help you can only get from someone who has been through the same thing. A woman who has had breast removed reassures another woman who has just had the same operation. A man who has lost his voice box helps another man to speak again. "How can you possibly know what it's like?" "I've been there." That's our program of rehabilitation. If you need help, please call our local Unit. We can help.

'Horns-Hogs In Conference Title Match?

By KEVIN COFFEY

After the smoke clears Saturday night the most confusing race in Southwest Conference history should be a long way toward being settled.

The Texas Longhorns and the Arkansas Razorbacks play what has been traditionally been for the conference championship in Austin. A record crowd of over 80,000 is guaranteed in newly remodeled Memorial Stadium for the nationally televised game which pits the two nationally ranked teams.

The Hogs beat Texas last year 31-7 but lost the title after losing to the Aggies and tying Rice.

Texas had its 100th game without being shutout streak broken last week when the Oklahoma Sooners beat the Horns 27-0. The Texas defense looked sharp but coach Daryl Royal described the

Texas offense as "anemic." Texas is a 4-point favorite.

Rice and SMU will also do battle on the tube with the regionally televised game kickoff time depending on the World Series. Rice has been a surprise as have the Mustangs in non-conference play but now everyone is playing for all the marbles.

SMU sports the numbers eight and 17 rushers in the nation in Alvin Maxon and Wayne Morris. On the other hand Rice has fifth ranked passer Bruce Gadd and the receivers to match. SMU is favored by four in the Cotton Bowl contest.

Oklahoma State, the number two rushing offensive team in the country plays host to the Baylor Bears Saturday at 1:30 p.m.

Baylor is a six point underdog but have been the surprise team of the SWC. Oklahoma State has

upset Colorado and only lost to Arkansas by one point, 23-24.

Texas Tech plays Arizona 3:30 Saturday afternoon in Lubbock. Tech is a big 21 point favorite and its high gear offense should get back in gear after being slowed by the Aggies.

The Houston Cougars visit Florida to play Miami and finds itself an 18 point favorite. Miami scored on a fifth down to upset Tulane last week when the officials lost count of the plays. Meanwhile Houston finally got their offense in full stride by stopping San Diego State 49-14.

The conference should take shape when results of Saturday's games are in. Whether the Texas-Arkansas game is for the title remains to be seen but now it plain to see that nothing is plain to see in this year's conference race.

Oakland Clubs Reds For Big Series Lead

OAKLAND (AP)—Clay Carroll slumped sadly in his locker room chair, recalling the glories of a record year and then sadly apologizing for failing his team.

"I blew the lead," said the right-handed relief pitcher who allowed Oakland two runs in the ninth inning of the A's 3-2 victory over Carroll's Cincinnati Reds Thursday night.

Carroll fashioned a National League record 37 saves during the past season, but the A's undid him with a string of four con-

secutive singles.

"I feel real bad," said Carroll. "I just blew the lead, and with the way we were coming back like that . . ."

"I think I feel worse than anybody, blowing it while we were ahead," he mumbled.

"But I'm not going to hold my head down," he added. "I'll be back out there tomorrow."

Manager Sparky Anderson sat glumly in a small office and shook his head as if in disbelief of the rally that saw Oakland erase a one-run lead against the Reds'

most reliable pitcher.

"Well, we're just not hitting," Anderson said. "You get the first man out in the ninth, then this . . . Hell, you don't want to lose, but it's over now and you can't do anything about it."

Anderson admitted the obvious, that the Reds are in deep trouble with a 3-1 series deficit in the best-of-seven affair.

"We've lost three games by one run, and we've just scored six runs in three games," he said.

Tony Perez, the first baseman who had two hits but was picked off first in an abortive steal attempt in the ninth, said Cincinnati still could come back.

"We're not out of it yet," Perez said. "We just can't get the breaks. It wouldn't be the first time we win three games in a row. We just need to get some runs."

Landry Will Start Morton; Staubach Could Be Activated

DALLAS (AP)—Dallas Coach Tom Landry made it plain Wednesday Craig Morton is his quarterback against Washington unless disaster strikes.

Landry said it was possible the Cowboys will activate injured Roger Staubach, the hero of Super Bowl VI.

But Landry added "We would have to be in bad shape if we go with him (Staubach). The game would have to be gone or Morton would have to be hurt. Roger just doesn't have the competitive edge he needs for a game the magnitude of the Washington contest."

The Cowboys and Redskins are tied for the lead in the National Conference East and meet Sunday in Washington.

Staubach is 98 per cent healed from a shoulder separation he suffered in an August exhibition game against the Los Angeles Rams.

Landry said "It's unfair to look at Roger the way you saw him

last year during the stretch drive. It doesn't say much for professional football if you could be out as long as he has been and come back and play a good game."

Staubach agreed that it's only fair Morton be the quarterback in the crucial Redskins game.

"I don't want to rock the boat," Staubach said. "Craig did a tremendous job last week. I just want to be part of the team . . . to help if they need me. I feel I'm capable of helping now. I feel I can win for them. I'm pulling for him (Morton) but he's got my job and I want it back."

Landry said Washington "overall is a better football team than last year. Their offense is excellent and Larry Brown is as good a runner as there is in the National Football League."

Landry said the Redskins contest will be "a tough defensive game that could be decided by the field goal."

Culley Gets 3,000 Years

DALLAS (AP)—His family wept but Terry Eugene Culley, 21, was apparently unmoved when a jury sentenced him Wednesday to 3,000 years in prison—the longest term ever assessed by a Dallas jury—for murder of insurance broker Jean Geron.

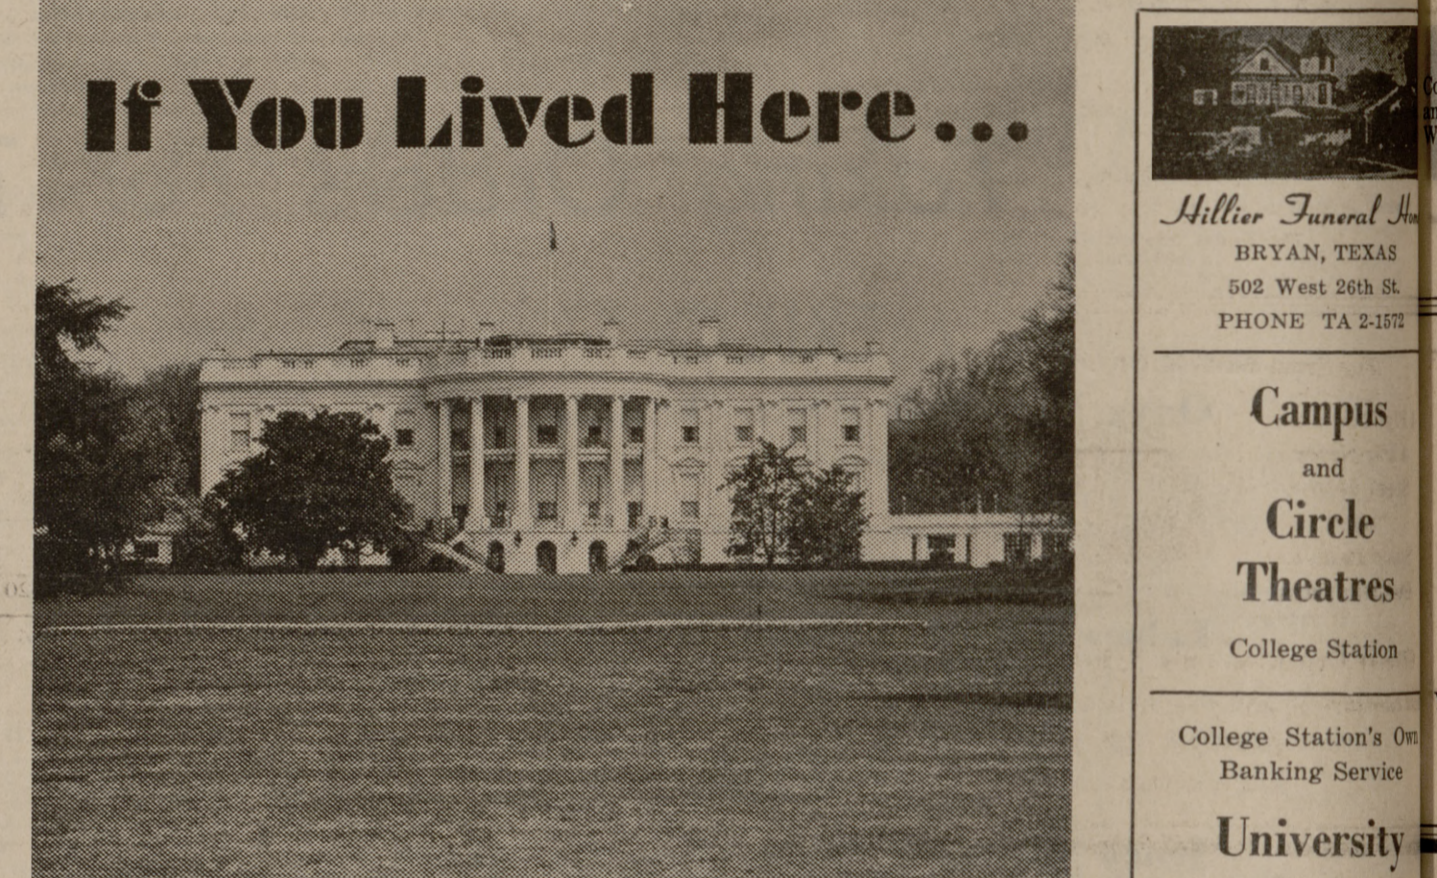

The jury deliberated two hours and 10 minutes.

Culley pleaded guilty but asked the jury to set his punishment.

Defense lawyer James Martin said the sentence will be appealed.

Geron was shot in the presence of his wife Sept. 24, 1971, when Culley, posing as a policeman, broke into his North Dallas home in an attempted jewel robbery.

The Church.. For a Fuller Life.. For You.

If You Lived Here... . . . how would that affect the state of the nation, and the course of history? We should thank God for the responsibilities we DON'T HAVE, and then seek His strength in fulfilling those we have. It may be the by-product of democracy, but we often become too engrossed in the responsibilities of others—not enough in our own! If I have a home and a family, it is part of a community, and my community part of a nation, and my nation part of a world. Then, for my abilities, my task may be as great as that of the President of the United States. It was a president who said he had been driven to his knees many times by the knowledge that his strength was insufficient for the day. We all have days like that—most of the time!
