

# Vietnam Cease-Fire Agreement Remains Unsigned

WASHINGTON (AP) — The tentative, nine-point agreement to end the war in Vietnam remained unsigned Tuesday but plans went forward for having a 1,000-man force in place to supervise the cease-fire when it comes.

Canada, Indonesia, Hungary and Poland have agreed to provide 250 officers each for what is expected to be the complex and difficult job of seeing that terms of the peace accord are carried out in the field, informed diplo-

matic sources said Tuesday.

As the Oct. 31 deadline originally set by the North Vietnamese for signing of the pact passed, the White House continued to withhold any hints on when this ceremony might be carried out.

Presidential press secretary Ronald L. Ziegler told newsmen that the objective remains "to achieve the right kind of agreement—one that will last" and one that "does not leave the seed for future conflict."

Henry A. Kissinger, President Nixon's chief foreign-affairs adviser and principal U.S. architect of the pending agreement, said last week that one more meeting of three or four days with the North Vietnamese is required to iron out all the details of the agreement which would provide for an in-place cease-fire and withdrawal of all American troops within 60 days, accompanied by release of all prisoners of war over the same span.

The reported new international policing agency would line up two Communist nations with two non-Communist countries, supplanting the old, ineffective commission created under Geneva agreements and made up of India, Canada and Poland.

At the State Department, spokesman Charles W. Bray neither affirmed nor denied the new watchdog commission is taking shape.

The United States would like

to see the International Control Commission put in place at the same time the Vietnam cease-fire is promulgated.

The timing of the cease-fire announcement appeared to be drawing nearer. According to diplomatic sources Kissinger and Le Duc Tho, Hanoi's Politburo member who has negotiated for North Vietnam in Paris, will meet again this week. The final accord could come by Sunday, according to some diplomatic sources.

In Japan, South Vietnam's special envoy Pham Dang Lam, Saigon's chief delegate to the Paris peace talks, told Deputy Prime Minister Takeo Miki there are still some points to be ironed out before the cease-fire agreement could be signed.

Lam said the Saigon government wants further clarification on the withdrawal of North Vietnamese forces from South Vietnam.

In the Jan. 25 proposal put

forward by the United States and South Vietnam jointly, there was no mention of withdrawal of North Vietnamese forces from the South. It said there would be a total withdrawal of "all U.S. forces and other foreign forces allied with the government of South Vietnam within six months of an agreement." The Saigon government has never renounced that offer.

## Bulletin Board

**Brazos County Democratic Headquarters** will be open from 9 a.m. Saturday to 9 p.m. Sunday. Refreshments include coffee, cookies and Budwieser.

### TONIGHT

**Victoria County Hometown Club** will meet at 7:30 p.m. in Room 113 of the Plant Sciences Building.

## Sports Car Club To Hold Rallye

The A&M Sports Car Club will drive a Post-Halloween Rallye Friday.

Registration will be at 6:15 p.m. and the first car will leave the Zachry Engineering Center parking lot (No. 50) at 7 p.m., announced President Kerry Bonner.

Club members and non-members are eligible for the event. It will run primarily on paved roads. Entry is \$3 per TAMSCC member, \$4 for others. A 75-car limit has been set for the rallye.

TAMSS will hold its Walter Mitty Memorial Trials at Texas World Speedway Nov. 19. Charles Meyer of Houston won the recent member-only autocross at the TAMU Research Annex. He turned the mile course at one minute, 20 seconds, in his Mach I Mustang.

Held on public roads observing regular traffic laws, the Post-Halloween Rallye consists of a driver and navigator per car driving a required route at prescribed average speeds and answering questions about various route features.

"Cars should have good headlights and safety belts, but need meet no other requirements," explained TAMSCC publicity chairman Richard de Bruin. Each team supplies its own flashlights, watch and pencil.

Additional data can be obtained from Joel Hirsh at 845-3706.
