

Fish Suffer First Defeat, 28-13

Picadors Ride First-Half Lead To Undeclared Season

KEVIN COFFEY Assistant Sports Editor The Texas Tech Picadors jumped to an early 21-0 lead and finished as an undefeated freshman team for the second time in three years by defeating the A&M 28-13 in Lubbock.

drive which stalled when Tony Blankenship fumbled into the end zone. Tech didn't miss its second scoring opportunity. They marched 80 yards on 13 plays and a touchdown with 1:16 left in the opening period. Tech converted three important third down plays and one fourth down attempt to keep the drive going.

the football on their next two possessions but the punting of Mark Stanley kept Tech from getting good field position. Early in the second quarter Dunivan guided the Pics to the endzone again. His scrambling for 13 and 9 and the final two yards for the score led the drive which covered 63 yards in eight plays.

yard gain. Tech recovered just 38 yards from pay dirt but the Pics were guilty of a holding infraction which moved the ball back to their own 44. The penalty made little difference to Wee Willie Kent who took the ball on a beautifully executed end around and rambled 56 yards for the score. Hall's kick was good and the Pics led 21-0 with 8:14 left in the first half.

21-7. The Fish started the second half like gang busters. Sams had carries of 13.4 and 5 yards before he swept left end for 48 yards and another A&M score. The extra point try was missed due a fumbled snap but the Fish were back in the game at 21-13 with 12:44 in the third quarter.

the A&M 40. Sams hit right tackle for 18 yards and Ammons kept for 6 more and the Fish threatened to even the contest. No such luck, as two straight plays failed to turn up the needed yard for a first down and Tech took possession on their own 25. Tech scored once more on a march of 66 yards on 10 plays in the middle of the fourth period.

The Texas Instruments electronic calculator: it works your way through college. And it doesn't take a Ph.D. to operate it. Because this new pocket calculator from Texas Instruments puts precision, efficiency and confidence into all your personal mathematics. It adds, subtracts, multiplies, divides — instantly, accurately, electronically. You simply touch the numbers and functions as you would say them or write them on paper. Plug-in or portable, it comes complete with battery re-charger and carrying case. TI designed and built it for the businessman, the housewife, the student — anyone who figures can benefit from the new TI-2500 electronic calculator. For Special Student Prices Contact Jim Koehling — 845-2248
