

A&M Sets Rebound Record In Opener Ag's Defense Blasts Wayland, 100-60

BILL HENRY
Sports Editor
A tremendous defensive effort, led with an unsurmountable advantage, enabled the Aggie basketball team to blast Wayland Baptist, 100-60, in Tuesday night's opener. It was just a case of too

much muscle underneath the basket for the Aggies, who set a new team rebounding record with 76 caroms. The previous record was 74 set last year against Trinity.
The Aggies were obviously a little shaky at first, but that can easily be blamed on opening game

jitters. Overall, A&M looked tremendously tough on defense keeping the enemy far away from the boards.
Metcalf's forces have a great deal of depth this season as all eleven players could be used without any loss of effectiveness.

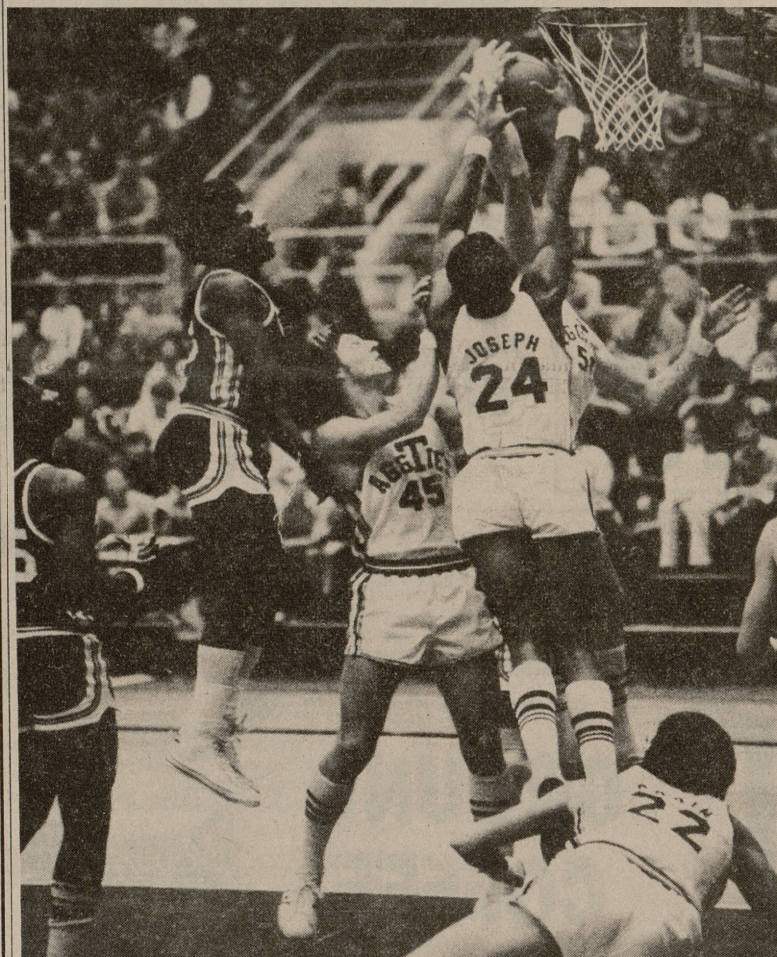

Offensively, it was a balanced attack with four of five starters hitting double figures. Newcomer Chuck Tone from Iowa Central JC had the hot hand for A&M, hitting for 21 points.
Randy Knowles, who led the team in rebounds with 19, hit for 16 points as did Jeff Overhouse. Overhouse and sophomore Cedric Joseph, who did not start, tied for second in rebounding with 14 caroms.
Every Aggie suited up scored with the exception of co-captain reserve guard Bob Gobin.
Leading both teams in scoring was Wayland's Pat Shelby who bombed in 23 points, 11 of which came on free throws. Charles Fuller was the only other Pioneer to hit in double figures with 13.
From the beginning of the contest, A&M controlled the contest. With only seven minutes gone in the contest, A&M rallied for a 17 point lead, 22-5. Wayland took the lead 5-4 with one minute gone in the game, but couldn't muster another point for eight minutes.
The closest Wayland ever got in the match was nine, 36-27, with 3:00 left in the first half.
"They were able to come back because I took our starters out too fast when we jumped out ahead," coach Shelby Metcalf entering his tenth season as head basketball coach here said. "All our players came in cold and couldn't get untracked."
A&M closed the first half with a 14-point lead, 47-33.

In the second half, it wasn't even a contest as the Aggies put their tremendous height advantage to use and steadily built up to the final 40-point margin.
Midway in that second stanza, A&M pulled up with a 21-point lead, 70-49, and held the flustered Pioneers to only 11 points the remaining ten minutes.
In that hot second half, A&M hit on 23 of 40 field goals for 58 percent, compared with only 17 of 47 for 36 percent in the opening period.
Wayland hit only 22 of 78 attempts for a 29 percent overall shooting average. The Pioneers suffered badly in the free throw department also hitting only 16 of 28 for 57 percent.
A&M hit on 20 of 27 attempts at the charity stripe.
It was transfer C. W. Guthrie suffering in a missed outside shot that gave the Aggies their 100th point with 1:01 left.
"I thought we had good team effort tonight," Metcalf said after the contest. "We definitely have signs of being a good ball club. I was very enthused about the closeness of our group to-night and the great leadership received from our two captains, Mario Brown and Bob Gobin.
"We still have a lot to work on but if we keep this same type effort the rest of the season, we could be a good club."
The Aggies return for their second game Friday night in G. Rollie White Coliseum against UTA.

LET ME HAVE IT—NO I WANT IT. The only problems encountered by the Aggies here in Tuesday night's 100-60 opening game win was fighting each other for rebounders. Cedric Joseph (24), Chuck Tone (45) and Jeff Overhouse can't decide who's going to come down with the ball. Watching from afar is Wayland's Pat Shelby (35), the games leading scorer with 23. A&M set a new team rebounding record grabbing 75 errant caroms. (Photo by Steve Ueckert)

TAKE OFF

Undecided about your future? It's no disgrace. Even Einstein couldn't make up his mind for quite awhile.

Van Gogh took time to get on track. The Wright Brothers didn't start concentrating on airplanes right away.

So, if you're graduating from college and you still don't know what to do with your future, chin up.

You can go to Officer Training School. Become an officer. Get officer's pay and prestige. Travel. All while you're learning to fly.

You can do something constructive, exciting, profitable and patriotic. Be an Air Force pilot.

They'll say you're just another genius who has made up his mind.
