2 A&M Coeds Honored As Outstanding College Athletes

Mrs. Jean Henry Collins and Bernadette Ponzio have been chosen to appear in the 1973 edition of Outstanding College Athletes of America.

Announcement of their selection was made by the Board of Advisors to Outstanding College Athletes of America, an annual awards volume published to honor America's finest athletes.

Criteria for those selected include leadership, service, scholarship and outstanding athletic activities.

Ponzio, a senior Health and Physical Education major, has been bowling since the 11th grade. Ponzio led the A&M Women's Bowling Team through district and state tournaments while becoming state women's champion.

Teaching is her main interest and she will be qualified to teach the 12 grades. She is president of the Women's Sports Association on campus.

Collins holds three state swimming records and represented A&M in the Association for Intercollegiate Athletics in the Women's National Intercollegiate Swimming and Diving Championship this year.

Physical Education Majors and Women's Sports Association are clubs she is active in. She is a member of the volleyball team and works out with the track team.

Collins works with handicapped children and the Adapted Physical Education program on campus. She has a Red Cross Instructor's card and teaches swimming during the summer.

Both women are active not only in sports but in activities in the

community and both have made the Dean's List.

This year, all participating athletes will be eligible for the Outstanding College Athletes of America Hall of Fame Awards Program. Those selected by the Board of Directors will be honored at an awards banquet.

The ceremony will be attended by prominent sports figures across the nation. The Hall of Fame will be permanently established in Los Angeles and will serve to honor each year's winning athletes.

In congratulating the Outstanding Athletes, sportswriter and commentator Howard Cosell said, "These athletes have created within themselves those qualities that enable them to make an important contribution to the playing field and to society in the full sweep of their respective lives."

Leary discussed several legal but unfair practices. They included warranties and guarantees, interest on charge accounts and bank use of guarantee payments on a note as part of the cash flow for making loans.

Cap And Gown Announce Initiation And Banquet Plans

Cap and Gown will hold a Nominee's Tea in the home of President Williams April 8 at 2:30 p.m.

The purpose of the tea is to allow the members a chance to meet with prospective new members and decide on who will be initiated.

Following the tea, the members will hold a business session and vote on the new membership for next year.

To be eligible for membership into the honor society a coed must have a 3.0 grade point ratio each semester, be a second semester junior and a full time student.

April 15 at 7:30 p.m. an initiation ceremony will be held in the Assembly Room of the Memorial Student Center.

According to Debbie Fisher, a member of Cap and Gown, the Spring Banquet will be held April 11 at 7:30 p.m. The banquet will be hosted in the Bluebonnet Room of Wyatt's Cafeteria.

Cap and Gown is an honorary

society which was formed this year to recognize women on the A&M campus who have a high standard of scholarship. It also promotes college loyalty, recognizes and encourages leadership and helps to develop a finer type of college women.
