

Unser, Johncock Share Twin 200s Spotlight

Al Unser crossed the finish line in his Parnelli-Offenhauser just two-tenths of a second ahead of

Gary Bettenhausen to win the championship segment of the Texas Twin 200s at Texas World

Speedway Saturday. In the stock car segment of the afternoon, Gordon Johncock bat-

ted home-state favorite A. J. Foyt of Houston for 86 laps before Foyt's Chevy burst into flames.

Unser's first place at a speed of 153.22 m.p.h. was good for \$15,962 while Johncock claimed \$5,704 for his victory.

Unser pulled away from Gary Bettenhausen and Mike Mosley after a yellow flag was raised following clearing of debris from the track.

Bettenhausen finished second, Mosley third and Johnny Rutherford fourth.

The crowd greeted the finish

with boos, believing Unser had taken unfair advantage when the flag was lifted. He pulled out to a 10- or 12-car lead before starting the last two laps.

Bettenhausen made an effort to catch him and closed to within two car lengths at the finish.

Under United States Auto Club rules, the lead car is permitted to set the pace on the last lap of a yellow flag. On that lap, Unser pulled away to his lead, setting a fast pace.

Bobby Unser, Al's brother, led the first 68 laps before going out with a broken piston.

There were numerous yellow flags but only one accident. Billy Vukovich spun on the 76th lap and hit a wall. He was uninjured.

The late model stock car race was all Foyt and Johncock, with Roger McCluskey making a couple of challenges before falling back.

When Foyt went out, McCluskey moved into second, although the winner appeared to let up on the last couple of laps, winning by three seconds.

Ramo Stott of Keokuk, Iowa was third while Clarence Lovell of San Antonio was fourth.

The average speed of the stocker was 133.48 m.p.h.

Ruggers Score Shutouts To Defend State Crown

The A&M Rugby team successfully defended its Texas Rugby Union crown by beating the Dallas Harlequins 18-0 last weekend.

This year's victory gave the Aggies their third straight state title and thus retires the championship trophy to A&M.

The Aggies White unit gained a bye in first round action but the

Maroon team fell to the Harlequins 9-4 in the single elimination action.

The Whites went the entire tournament without surrendering a point as they romped over Fort Sill's Gunners 34-0 in the semi-finals.

Sunday's finals were played in the sleet and rain in Dallas and

the victory ran the White's record to 69-6 for a three year period.

Donnie Robertson, Mark Anthony, Gene Anderson and John Gunn scored for the Whites in both games with Steve Beckindam and George McKirahan scoring in the first victory.

The next action for the Ruggers has the Maroon unit in Austin this weekend with the White's in the Galveston tournament over Easter.

The White unit, one of the top five teams in the country, is currently seeking help to finance a trip to the Golden Gate tournament in San Francisco April 28, 29 and 30.

Free University Seeks Help

The Free University program is now accepting personnel applications for next year and will have a meeting for interested students on Thursday evening in Room 2A of the old Memorial Student Center.

Program Coordinator Bill Davis stressed that the 6:30 meeting will last only an hour.

Free University allows students to gain added instruction in their

free time in a number of subjects. Davis added the concept has spread rapidly in the last two years and is now found on more than 1,000 campuses in some form.

Students accepted by the Free University program will work in advertising, recruiting professors to teach the courses and assisting or teaching themselves.
