

Houston Here Friday

# Aggies Hard Pressed

A&M failed to overcome the TCU jinx last weekend and consequently find themselves on the brink of elimination from the Southwest Conference pennant chase.

A&M's Bobby Wittkamp, a sophomore righthander from Houston Milby, stunned the league's best hitting club by throwing a no-hitter in Friday's 7-inning game, the first such masterpiece in SWC play in

A&M's history. He had a perfect game for five innings before walking the leadoff batter in the sixth inning. He finished with two walks and nine strikeouts.

A combination of bad hitting and bad luck cost the Aggies Saturday's doubleheader to leave A&M with a 5-4 league mark and 15-5 for the season.

"The pitching was good enough to win," said Aggie coach Tom Chandler. "But we couldn't come up with the clutch hit." A&M's Bobby Falcon allowed only three hits and struck out 10 while the Aggies got nine hits and lost 3-1. A player hit by a batted ball while on third base proved costly in the 4-3 loss in the second game.

The Aggies host the University of Houston Cougars Friday and Saturday and must sweep the series to stay alive in the race. A&M trails Texas by three games with nine to play.

Freshman sortstop David Buxkamper continued his hot hitting and is the leading regular with a .412 average in league play and .400 for the season. Next is catcher Mike Frazier with a .348 season and a .391 SWC average.

Following the Houston series, A&M goes to Baylor for three and finishes against Texas in

Kyle Field.

## Flying lessons.

That's right. You, too, may qualify for pilot training in the United States Air Force. Become a leader with executive responsibility.

A pilot is the officer in charge of a million dollars worth of high flying, sophisticated supersonic equipment, isn't he? Yes, and you'll wear a snappy blue officer's uniform, enjoy officer's pay and privileges. You'll probably travel to exotic foreign lands, and have a secure future in the biggest scientific and research organization. World's biggest.

You'll be where all the exciting Space-Age breakthroughs are. Where it's happening. Now. Today. Right now. This minute. The Air Force is the "now" place to be.

If you yearn to fly and don't try the Aerospace Team, you'll miss your big chance.

Let that be a lesson!
