

Longhorns Run Past Aggies, Rice In Triangular Meet

A&M's Donny Rogers continued his mastery of the long jump as Texas trounced the Aggies and Rice in a triangular track meet in Austin Thursday night.

Texas garnered 108½ points compared to 40½ for A&M and Rice's 19.

Rice sent only a skeleton crew with none of its three national leaders: Dave Roberts in the pole vault, Ken Stadel in the discus, and Mike Cronholm in the 440-yard hurdles. The meet was held in the middle of Rice's final exams.

Rogers' jump of 24-11½ set a new meet record for the annual

triangular and is just two inches away from an A&M school record.

The senior from Bay City started long jumping for A&M just this year, being previously used as a sprinter.

"I regret I didn't start sooner," he said. "If I had had any idea I would be this good, I would have been jumping all along."

A surprise winner, though no real surprise to anyone following the Aggie track team, was Sammy Dierschke in the 100. Dierschke ran a 9.46, one of the best times in the conference.

After a weak start, Dierschke caught up with the leaders in 70

yards and the rest of the race was all his.

"I'm always strongest the last 50 yards," he said. "I'm going to have to work on my starts."

It was the first time this year Dierschke had run the 100 and so remains undefeated in the event.

Also winning for the Aggies was David Peterrek in the pole vault. He matched his season's best of 15-6, having cleared the height twice before.

"It feels good to win again," he said. "I'm beginning to come back now and I hope I'll be going higher at the conference meet."

Horace Grant was also impressive placing second in the 880 with his best time of the year, 1:51.80.

Freshmen Pace SWC Stats; Ags' Falcon Leads Pitchers

A&M pitching star Bobby Falcon led the Southwest Conference in strikeouts averaging 14.7 whiffs per nine innings. Falcon, a transfer from Panola Junior College, posted a 9-5 record for the Aggies with a 2.19 ERA.

Third baseman Keith Moreland of Texas became the first freshman to claim an SWC batting championship by hitting .405 to

nose out Houston right fielder David Vinson, who finished at .397. Fellow freshman Richard Wortham of the Longhorns posted a 4-0 record to pace the pitchers.

Moreland, the third Longhorn to win the batting crown in the last four years, can extend his thanks in part at least to Baylor in general and pitcher Jim Den-

neny in particular. The Carrollton Turner infielder came out of a slump early in the season with an 8-for-13 showing against the Bears and led the batting race from then on.

Then last Saturday, Rice catcher Len Shelby went into his final game against Baylor with a .408 mark. But Denny held the senior from Houston hitless in three trips and Shelby dropped to fourth in the final rankings at .385. Moreland, meanwhile, was being checked by Houston pitchers, getting only one hit in 12 at-bats in the three-game series.

Moreland dominated offensive statistics, leading in runs (17), hits (30), total bases (48), runs batted in (19) and tying teammate Rick Burley in homers (4). Texas Tech's Cecil Norris was the slugging (total bases in number of times at bat) champ at .732 to Moreland's .649. Norris was also third in batting, hitting .390 in conference play.

The Church.. For a Fuller Life.. For You..

THE LONER

You wonder how it got there . . . a sapling far from the forest. And grew . . . alone, untended, little-noticed. And flourished to stand like a sentinel against the horizon. Maybe a tree understands, as sometimes man does not, the secret of God. We are never alone!

What we need He has provided. What we are to become He has designed. The beauty and majesty and grace that can emanate from one object, one creature, He has envisioned and made real . . . for all to share.

There is no loner.

But when we feel alone, then, more than ever, we are drawn to God and His Church. In faith, in friendship with others who believe, in service to those who need our affection and care—we discover how deeply and satisfyingly we belong.
