Aurora Gardens
Make a smart move this summer.
Your move to Aurora Gardens might be one of the smartest moves you could make. These are duplex homes. They are modern in design (our architect believes in clean lines and open spaces). Their decor is bright and happy (our interior designer believes that living spaces should be fun). The privacy (no common walls) and the spaciousness (walk-in closets, double covered carport with bulk storage) put these homes in a class above the average apartment.
If you're looking for a home to lease, you owe it to yourself to see Aurora Gardens before you make a final decision. If you now live in an apartment, you'll be surprised to discover how much more Aurora Gardens offers at about the same rent you now pay.
With construction discounts (available until September 31) you can lease a 1-story model for \$210 and the 2-story version for \$220. And you can pre-lease now for occupancy when school begins this fall.
Model duplex is open every day until dark. We invite you to make the first move.
• 1 and 2 Story Models - 1200 Square Feet (approximately) • Cedar/Stucco Exterior • Open "Country Style" Kitchen/Dining Room • GE Ranges/Ovens • GE Dishwashers • GE Refrigerators (Optional) • GE Disposals • 3 Large Bedrooms • 2 Full Baths • Fiberglass Tub/Shower • Shag Carpets Throughout • 2 Vehicle Private Covered Carports • No Common Walls with any Other Unit • Private Fenced Patios • Walk-in Closets • Bulk Storage Areas
