Wide-Open Door
Policy*

More than a word. More than our smiles. Our time. The wide-awake bank has time for you and the eagerness to serve you best.

All banks are big on money—so are we. But we're just as big on service, in quantity and in quality. If our tellers can't answer a question, feel free to consult any of our officers—even if, to settle a friendly argument, you need to know whose picture is on the thousand-dollar bill. Of course, our easy-going officers are ready with more important answers and financial counsel, to help you make big decisions or plan for your future. And we won't rush you, either. We have the time to let you take your time. We know how much it matters.

So whether you bank with us or not, we welcome your questions. Our doors are always open. The wide-open, wide-awake bank always makes you feel you've come to the right place. And you have!

The wide-awake bank makes it all so easy.
