

# Second Canoe Trip Planned

"Canoe II" sends A&M paddling down the San Marcos River again Aug. 18-19.

A recreation outing of the Memorial Student Center, the jaunt will follow the same route of a mid-July trip. Organizer Doug Ridge said an extra ten river miles has been added to the August trip.

Students, faculty and staff participated in the popular earlier trip. Ridge expects many of the canoeists to repeat.

They will launch at San Marcos City Park at 10 a.m. Saturday, Aug. 18. Crews that do not wish to camp overnight will pull out at Martindale. The group will float on past Staples this trip and conclude the outing at Fentress on Sunday.

A shuttle service has been arranged to return canoes and paddlers to San Marcos.

"The new portion of the San Marcos River we'll cover this time is more challenging," Ridge commented. "It has several hairpin turns, trees hanging close over the water and a number of small rapids that should prove interesting."

Information, costs, direction sheets and maps are available at the Student Program Office in the MSC.

### Radio Committee Builds Repeater

The Memorial Student Center Radio Committee increased its emergency preparedness this last weekend by erecting a "repeater" on KAMU-TV's tower.

The repeater is a device which receives signals on a certain frequency and retransmits them at a greater height and power level on a slightly higher frequency.
