The Aggies romped through a spirited football drill in cool, damp weather Wednesday but did not have full scale contact work.

There was some contact work for the defensive unit, especially in the line, as that group concentrated on stopping Wichita State plays being run by the scout team.

Sophomore Kent Krueger was in a maroon jersey at defensive left tackle while the usual resident there — Ted Lamp — was out with a slightly hurt ankle.

At the other end of the field, Mike Jay was back in action running the first offense from his quarterback slot after sitting out Tuesday's scrimmage as a precautionary measure because of a hampered right knee.

Ronnie Hubby still was at left half in place of Bubba Bean who is making a rapid recovery from the thigh bruise he received in last Friday's scrimmage. Bean likely will be back in action later this week.

The offense continued to work on timing, both in line blocking and backfield execution.

Freshman quarterback David Shipman, who suffered a slight knee sprain in Tuesday's scrimmage, was walking around in shorts but did not take part in the practice. He's expected to make a rather rapid recovery, too.

TCU
FORT WORTH (AP) — Texas Christian University's varsity trounced the freshmen 47-6 in a soggy scrimmage on the Horned Frogs' new Tartan turf field Wednesday.

Seven touchdowns, three by the first unit, were recorded by the varsity.

"I was pleased with the scrimmage," said Coach Billy Tohill. "It gave us a good chance to see what we can do on our new artificial surface under sloppy conditions." There was a lot of slipping and sliding but we got some things accomplished. Kent Marshall moved the ball well. And the freshmen showed they weren't afraid to hang in there."

Texas
AUSTIN (AP) — Texas tight end Rick Davis was hospitalized Wednesday with a back injury and will be lost to the Longhorn football team for several days.

Second string center Billy Gordon suffered a sprained ankle Wednesday and he also will miss several days of practice.

Rice
HOUSTON (AP) — The Rice Owls held football practice Wednesday during a driving rainstorm and despite the bad weather Coach Al Conover was pleased

with the session.

"This was one of the best days since we started," Conover said. "The kids were getting used to the system and reacted well."

Conover cited safety Bruce Henley for outstanding work during the dummy scrimmage. Henley intercepted five passes as the overall defense stood out.

Baylor
WACO (AP) — A cool front provided a perfect backdrop to Baylor football Wednesday and the Bears responded with a crisp work-out despite the absence from contact work of three regulars.

Tailback Gary Lacy of San Angelo and fullback Pat McNeil of Killen were kept out of hitting with bruised shoulders. Defensive tackle Phil Terry of Houston missed with a pulled

neck muscle and freshman line-backer Flynn Ducey was sidelined with a bruised knee.

Coach Grant Teaff said the Bears were about on schedule in their preparation for the season's opener here Sept. 15 against Oklahoma.

Arkansas
FAYETTEVILLE, Ark. (AP) — The Arkansas Razorbacks abandoned their normal full pads for shoulder pads Wednesday and worked out two hours in the rain.

Coach Frank Broyles said he was pleased with his team's practice despite the bad weather.

"I hate to practice in rain anytime, but we did get something accomplished today anyway," he said.

Broyles said the weather continued to hurt the team's passing practice.

Writers Pick Texas Jay Voted Top Newcomer

DALLAS (AP) — The University of Texas collected 27 of 29 first-place votes from members of the 1973 Southwest Conference press tour as the favorite to take the league crown for the sixth consecutive time.

Texas Tech edged Southern Methodist for second place, 184 points to 179½, based on eight points for a first-place vote, seven for second, and so forth.

The final consensus with point totals: 1, Texas 229½; 2, Texas Tech, 184; 3, SMU 179½; 4, Baylor 134½; 5, Texas A&M 84½; 6, Arkansas 84; 7, Rice 74; 8, TCU 73½.

The consensus pick of the touring writers and broadcasters has

been correct only three times in 12 tries.

Fullback Roosevelt Leaks of Texas was named the top pre-season pick as the most valuable offensive player while SMU's giant defensive tackle, Louis Ketcher, got the MVP nod on the other side of the line.

Quarterback Mike Jay of Texas A&M was voted as the newcomer of the year most likely to succeed.
