Major Middle East Flare-Up Results in Loss of 18 Planes

TEL AVIV (AP) — Israeli and Syrian warplanes wheeled near Syria's Mediterranean coastline Thursday in two dogfights that marked the biggest Middle East aerial battle since the 1967 six-day war.
 The Israeli air force said it shot down 13 Syrian MIG21 fighters and lost one of its own French-built Mirages but rescued the pilot. Syria said its air force shot down five Israeli jets and lost eight MIGs.

Brig. Gen. Minyamin Peled, the Israeli air force chief, said 12 Israeli Mirages and Phantoms "were on a routine sea patrol" about 150 miles north of Israel's northern port of Haifa when they were intercepted by about a dozen Syrian MIG21 aircraft.

Syria claimed that the Israeli jets penetrated its airspace near Tartous, Syria's second largest port. Peled said, "We were over international waters when the battle ensued."

The Israelis said they shot down nine MIGs and suffered their one plane loss during the initial contact. About two hours later, the Israelis said, their planes shot down four more MIGs while a

Film Developing Seen as Program

Basic film developing and "forced" processing will be the program of a Monday meeting of the Camera Committee at TAMU.

The Memorial Student Center group will meet at 7:30 p.m. in Room 231 of the MSC, Chairman Darrell Cobb announced. He said former members and interested persons should attend.

Camera Committee darkrooms will be back in operation in late September, Cobb indicated. Processing and enlarging equipment and lockers have been moved to Bizzell Hall. The air-conditioned first floor facilities including five black-and-white printing darkrooms, a color darkroom and a film developing room will become usable as soon as construction is finished.

Cobb said future programs will be of interest to old and new members. At the Oct. 1 meeting, Mam'selles, fashion modeling group of the MSC Host and Fashion Committee, will demonstrate modeling. Afterwards, Camera Committee members will be able to shoot fashion photography.

Intramural Results

Scores for Sept. 13

 Class C: Milner over Legett on penetrations, Law over Moses, 6-0.

helicopter was rescuing the downed Israeli pilot from the sea. An Israeli helicopter also rescued a Syrian pilot.
 The Syrian was reported in good condition. The Israelis did not say what they would do with him.
 The downed Israeli pilot, a burly man who appeared to be in his late 20s, appeared at a news conference still dressed in his flight suit. He smiled frequently and appeared relaxed. His name

was not released.
 "The battle was short. Then we were ordered to break contact and go home," he said. "About 10 miles south of the spot of engagement I was hit. I had to shut down the engine and after gliding for some time I finally ditched."
 "I ejected about 10,000 feet and everything went well. Then I waited to be rescued. I was sure all the time they would come to get me out," he said.

Rugby, Soccer, Karate Add Variety to Weekend

The Tae Kwon Do, Rugby and Soccer Clubs will add a little variety to this weekend's sports offerings.
 Tae Kwon Do, or Karate Club, is traveling to North Texas State University to compete with other Texas teams this Saturday. Under sponsorship of black belt Steve Powell, a number of brown, blue, green and purple belts will be throwing their opponents for prizes. The club holds special beginner classes Mondays and Wednesdays in Room 257 of G. Rollie White at 5:30 p.m. Both men and women are invited to join this organization.

Rugby, one of the fastest growing sports in the Southwest Conference, will be spotlighted on the Main Drill Field this Saturday. The varsity White team will take on Texas Christian at 2 p.m., while the strong but less-experienced Maroon team will battle Sam Houston at 12 p.m. Rugby has a lot of physical contact, is constantly moving, and combines the finest parts of soccer, basketball and football.

Soccer will be potentially explosive with the Aggies taking on the Longhorns in the field on the corner of Houston and Jersey Streets Saturday at 2 p.m. This team has an international flavor sporting team members from 12 different countries. Played with every part of the body, except the hands, soccer is constant running for an hour and a half or two hours.
