

# Ags with Nation's Tops

## Walker, Roaches, Haddox in Top 10

The Texas Aggies ran through a spirited session Wednesday afternoon drilling against Clemson offensive and defensive formations. Coach Emory Bellard cut 20 minutes off the practice due to the heat.

Defensive end Blake Schwarz will definitely miss Saturday's game at Clemson and offensive guard Bud Trammell is doubtful. Junior Paul Hulín will take Schwarz' place while freshman Billy Lemons, who started against Boston College, will be at guard if Trammell is unable to play.

A&M continued to have players among the nation's leaders after three games. Quarterback Mike Jay is 20th in total offense with an average of 171.3 yards per game. Halfback Skip Walker is tied for 10th in scoring with five touchdowns. Split end Carl Roaches is 8th in all-purpose running with an average of 170 yards per game. Roaches also ranks 4th in kickoff returns with an average of 38.1 yards per return. Kicker Randy Haddox is

4th in kick scoring with a 7.7 average per game.

In Southwest Conference statistics, the Aggies rank no lower than fourth in any of the six categories. A&M is first in passing offense, second in total offense, third in rushing offense and fourth in total defense, rushing defense and passing defense.

Aggie players are among the leaders in almost every category. Pay is first in total offense and fifth in passing. Walker is second in tandem offense, tied for first in scoring, Roaches is third and Richard Osborne fifth in receiving, Mark Stanley second in punting, Roaches second in kickoff returns, Pat Thomas first in interceptions, and Alvin Bowers fifth in rushing.

### Texas

AUSTIN—Texas Coach Darrell Royal brought an eighth freshman up to the varsity Wednesday—fullback Pat Kennedy of San Antonio Roosevelt.

Some 50,000 fans are expected to see the Longhorns play Wake

Forest Saturday night in an inter-sectional clash in Memorial Stadium.

### TCU

FORT WORTH—Texas Christian Coach Billy Tohill promoted a pair of freshmen to the varsity Tuesday to bolster the Horned Frog secondary weakened by the loss of safety Terry Drennan.

Roy Leach, an All-Stater from Jacksboro, and George Washington, a speedster from South Garland, are the rookies moving up.

Leach has been playing safety and split end for the freshman team while Washington has been a defensive halfback.

Drennan is lost for the season because of a broken ankle. Sophomore Dennis McGehee of Pearsall will replace him in the starting lineup.

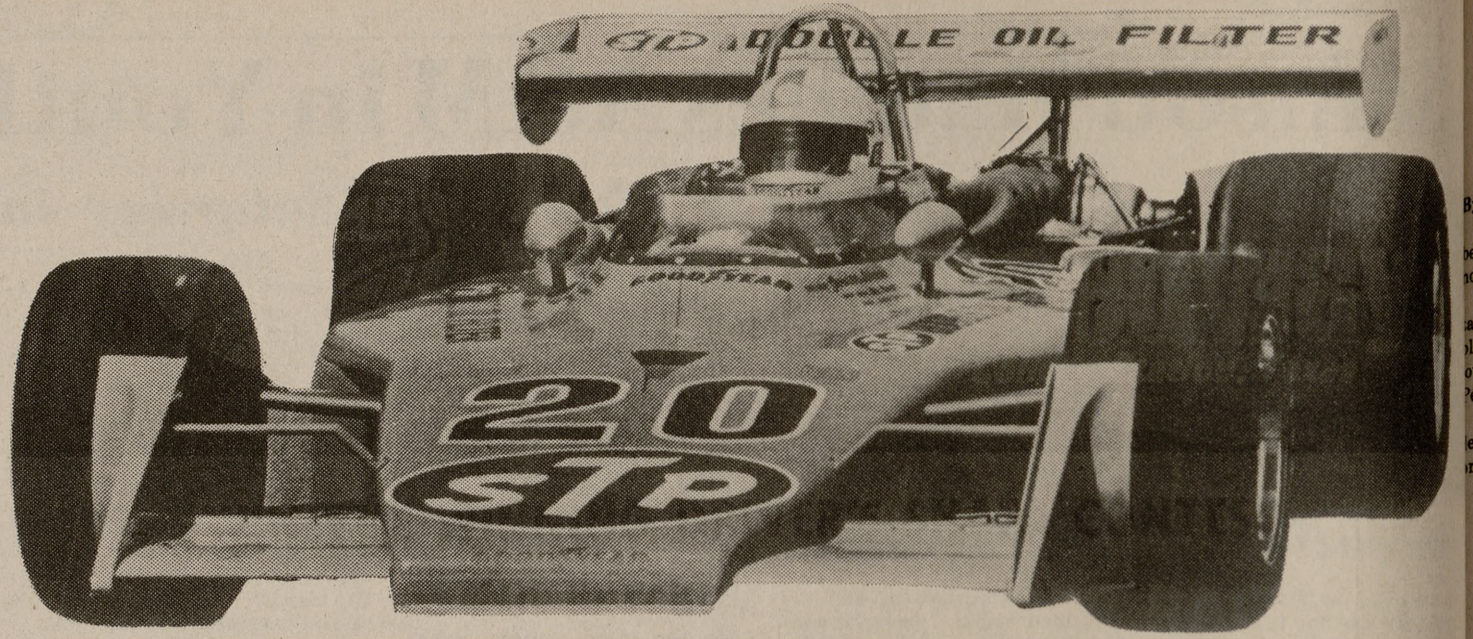

TCU opens its Southwest Conference season Saturday night in Little Rock against Arkansas.

HOUSTON—Rice Coach Al Conover, trying to boost his sagging offense, announced Tuesday that freshman quarterback Tommy Kramer would start next week against Notre Dame.

The Owls are 1-2 following last week's 24-9 loss to Louisiana State and they have an open date this week to prepare for the highly rated Irish.

Florida State Transfer Fred Geisler has started the Owls' three games this season, but inconsistent passing has hampered Rice's success.

"We live or die by the pass and so far we've been dying," Conover said. "So we're going to try a different quarterback and see what happens."

200 MILE INDY CAR RACE

# USAC TWIN 200's

Saturday, October 6th 1 P.M.

## Drivers Predicting New World Record

Eight drivers entered in the USAC Twin 200's have predicted that the world's closed course speed record will be broken during qualifying trials for the 200 mile Indy car race to be held at Texas World Speedway on Saturday, October 6.

The present record of 212.766 m.p.h.—already held at Texas World Speedway—was set by Bobby Unser prior to the Texas Twin 200 last April.

The speeds predicted for the new record ranged from 213.3 predicted by Mario Andretti to A. J. Foyt's guess of 215 m.p.h.

Other drivers who made predictions included Johnny Rutherford (214.5), Gordon Johncock (214.4), Joe Leonard (214), Lee Kunzman (214), Gary Bettenhausen (214), and Wally Dallenbach, who guessed 213.5 m.p.h.

The Championship half of the Twin 200's probably will remain the fastest race in the sport's history for many years because of the restrictions set for 1974 to reduce the speeds.

Qualifying for the USAC sanctioned doubleheader is set for Thursday, October 4 and Friday, October 5 from 1 until 4:30 p.m.

The first of the 200 milers is set to start at 1 p.m. on Saturday, October 6.

## WIN THE WINNING DRIVER'S SHARE CONTEST (No Purchase Necessary)

Here's your chance to win a bundle of cash. Texas World Speedway is giving away the exact amount of cash that each of the winning drivers will receive for the USAC Twin 200's. You don't have to be present to win. Even better, you don't have to purchase anything. All that is required for the USAC Twin 200's is a free entry blank available at the Texas World Speedway office from now through the morning of October 6th. However, if you do attend the USAC Twin 200's, you can fill out the back of your ticket and deposit it at the gate on the day of the race. The winner of each of the 200-mile events will draw the names of the two lucky winners following each race. \$6,118.00 will be paid for the Championship race and \$2,281.60 goes to the winner of the stock car race.
