To be eligible to purchase the Texas A&M ring, an undergraduate student must have at least one academic year in residence and credit for ninety-five (95) semester hours. The hours passed at the preliminary grade report period on October 22, 1973 may be used in satisfying this requirement. Students qualifying under this regulation may now leave their names with the ring clerk, room seven, Richard Coke building. She, in turn, will check all records to determine ring eligibility. Orders for these rings will be taken by the ring clerk starting November 5, 1973 and continuing through December 14, 1973. The rings will be returned to the registrar's office to be delivered on or about January 22, 1974. The ring clerk is on duty from 8:00 a. m. to 12:00 noon, Monday through Friday, of each week.

CORPUS CHRISTI — District Court Judge Walter Dunham today set an Oct. 26 hearing on his previous order to shut down Evangelist Lester Roloff's two South Texas child care institutions.

The hearing is for Roloff Evangelistic Enterprises and Harmon Oxford, director of the Anchor Home for Boys at Zapata, to show cause why they should not be judged in contempt of court.

The state alleges that Roloff is operating the Rebekah School for Girls, near here, and the Anchor home in violation of Dunham's Aug. 3 order requiring them to close down if they did not meet state licensing standards.

Gov. Dolph Briscoe's top assistant, Charles Purnell, urged Roloff Tuesday to bring the homes into compliance with the standards, but Roloff said, "I can't compromise."

DALLAS—Dallas Police Chief Frank Dyson quit today to join the real estate firm of Bolanz and Miller in an executive position.

Dyson, 47, whose action ended a 23-year career in law enforcement including nearly four as Dallas chief of police, said he will stay on the job until a suc-

It was a victory for the Texas Legislature in effect.

The decision made public Wednesday adopts the so-called Plan B rather than Plan C which the same panel ordered for Texas on Jan. 22, 1972.

Plan C was based strictly on population and allowed differences between districts of less than three-tenths of one per cent. Plan B allows differences of as much as 2.8 per cent.

WASHINGTON — The House Wednesday overwhelmingly passed an across-the-board mandatory fuel allocation bill that would go beyond the Nixon Administration's own, more limited program.

Only minutes before the 337-72 vote, word reached the House floor that the Arab oil producing states had announced a five per cent monthly cut in exports to the United States until Israel withdraws from Arab territory.

Both supporters and opponents of the legislation agreed it "would not provide one additional barrel of oil," only ensure that all sections of the country share the burden of fuel shortages equally.

WASHINGTON — A federal judge refused to release five jailed Watergate conspirators Tuesday, and turned his anger on Sen. Herman Talmadge, D-Ga.

U.S. District Judge John Sirica denied requests that the five be freed on bail pending disposition of motions to have their guilty pleas thrown out. Sirica had imposed provisional

sentences of 30 to 50 years on the men, noting the law requires the maximum be listed in provisional sentences. However, he told them he did not plan such long terms when he imposes final sentence. DELAND, Fla.—A young wo-
