

# BB&L now pays 7 1/2% on \$1000.\*

Your savings account won't earn more interest than BB&L pays.

(But it might earn less somewhere else.)

Bryan Building & Loan Association pays the maximum interest permitted by law—your savings won't earn more anywhere. And you get extra dividends when you save with BB&L: free S&H Green Stamps for each deposit, interest from the day of deposit (even on deposits made after the 10th of the month), and insurance on every account by an agency of the government.

Look at the rates of interest. If your savings account isn't earning this much, you need to consider joining the thousands of Brazos Valley families that trust BB&L with their savings.

For more than 50 years, BB&L has been the place to save for the future.

\*(All rates are governed by minimum balance and maturity dates established by federal regulation. A substantial interest penalty is required for early withdrawal.)
