

# Aggies burn SMU, 90-75, with blazing second half

## Knowles paces A&M past Hervey-less Mustangs; Ags prepare for Saturday meeting with TCU

After a somewhat uneven first half, A&M suddenly caught fire in the second period to produce a 90-75 Southwest Conference vic-

tory over the SMU Mustangs in G. Rollie White Coliseum Tuesday night.

Paced by Randy Knowles, the Aggies hit 17 of 30 shots from the field for a 56.6 completion norm in the second half.

The Aggies led 39-38 at half-time but outscored SMU 26-16 the last nine minutes to produce the point spread.

Outrebounded 30-24 the first half, the Aggies likewise turned the tables on the boards and ended up with 48 rebounds to SMU's 46.

Cedric Joseph and Mike Floyd led the Aggies in scoring with 20 points apiece but it was Knowles who sparked the late scoring surge collecting 15 of his 17 points in the second half.

Jerry Mercer and John Thornton were the Aggie defensive

stars as Thornton was the leading rebounder with 13 while Mercer and Joseph grabbed nine each.

Jeff Cummings paced SMU scorers with 16 points followed by Ira Terrell with 15 and Zach Thiel with 14. Terrell was the leading Mustang rebounder with 13 while Rusty Bourquein had 10.

The Aggies shot 48.4 per cent for the game while SMU could hit only 38.2 per cent of their field goal attempts.

Early in the game, it looked as though it was going to be all SMU as the Mustangs intimidated the Aggies to a 10-2 lead. The Aggies wasted no time in coming back to tie the game at 15 all whereupon the lead changed nine times for the remainder of the half.

In the second half, it was again nip and tuck for a couple of minutes until Mike Floyd sank two free throws with 17:14 to go to give the Aggies a 45-44 lead which they never lost.

The Mustangs were playing without the benefit of star player Sammy Hervey, the second lead-

ing scorer in the conference, who stayed in Dallas because of his low grades.

Hervey, a 6-foot-7 215-pound forward, actually was eligible for the game under SWC rules.

"He decided to stay at home to see if he can make up an incomplete in two courses," an SMU spokesman said. "It was his decision."

Hervey could become eligible for next semester anytime he makes up the incomplete courses, the spokesman said.

SMU hosts Texas Saturday night but SMU coach Bob Prewitt said Hervey will not play in that game either.

A&M travels to Fort Worth Saturday for another conference tilt against the TCU Horned Frogs.

The Longhorns, who raced to a 27-10 lead with 8:30 left in the first half, never trailed.

Texas shot 56.3 per cent from the field. Sophomore Dan Krueger paced the 'Horns with 19 points.

Freshman Phillip Davis came off the bench to score 18 points for the winners. Also in double figures were Ed Johnson with 16, Tommy Weiler with 15, Harry Larrabee with 15, and Larry Robinson with 13.

Alonzo Harris paced TCU with 14 points while James Hudson had 10.

The previous biggest victory margin was 81-36 by Texas over Texas A&M in 1934.

Texas is now 2-11 for the year and TCU is 6-6.

Texas held a 50-26 halftime bulge.

The 'Horns outrebounded TCU 55-54 but the Horned Frogs could hit only 27.6 per cent of their field goal tries.

93-91 Southwest Conference basketball victory over the Rice Owls. It was the conference opener for both teams.

Dallas' winning points climaxed a Baylor comeback as the Bears rallied from a nine-point deficit with less than 12 minutes to play.

The two teams, hitting more than 60 per cent of their shots, struggled to a 48-48 tie at half-time, and the Owls continued their torrid pace as the second half began.

Rice hit 10 of their first 16 shots after intermission to pull ahead 69-60.

Tom Corley, Charley McKinney, and Dallas led the Baylor rally in offsetting the hot shooting of Rice's Scott Fisher and Tim Moriarty.

Fisher took high point honors for the night with 28 points, and Moriarty had 24.

McKinney led the Baylor scoring with 18 points while Dallas and Corley finished with 17 each.

Two free throws by James Weaver earned Baylor a tie at 91-91 with 57 seconds remaining. Then Fisher fouled Dallas with four seconds left to set up the winning points.

## TWS closes down for 1974 season

Dan W. Holloway, President of Texas World Speedway, announced that all motorsports activities at the 'World's Fastest Speedway' would be curtailed until the end of the energy crisis.

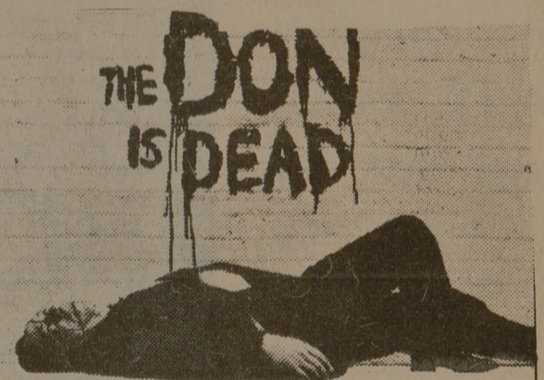

In making the announcement, Holloway said, "It is with great reluctance that we announce that Texas World Speedway is cancelling all of its 1974 events. We were quite enthusiastic about our 1974 season due to the two prestigious and exciting events we already had planned and the potential that they offered us."

TWS had scheduled four days of National Championship American Motorcycle Association events for May 2, 3, 4, and 5, and the Texas 500 for Indy cars, the fourth 500 on the United States Auto Coub scheduled for Sunday, September 1, on Labor Day.

Holloway continued, "We wish to make it clear to everyone that the energy crisis was not the only deciding factor. Establishing two new events would be difficult under normal conditions and during the energy crisis would be almost impossible. We felt that to sit out the crisis was the only alternative. Had the race been established like all present major sports events of the nation, then we would have continued with their promotion."

In concluding Holloway said "We feel Texas World Speedway is one of the nation's finest motorsports facilities. We are looking forward to the end of the energy crisis and to the resumption of activities. We do wish to thank publicly the officials of all the sanctioning bodies we deal with for their understanding of our situation."
