(Continued from page 1)  
that Bowden neither knew the supervisors at the various polling places nor did he have a complete listing of poll workers. He did, however, check the polling

places periodically and explained polling procedures to workers at that time.  
Bowden also admitted that passing of the lists was illegal, but didn't personally know of

such action taking place.

The decision was 5-4, broken by Chairman Mark T. Blake-more's vote against the appeal.  
The second case was David Funderburke vs. Greg Magruder and Larry McRoberts, his campaign manager.

The case centered on four charges: 1) Magruder made "un-authorized" use of personnel mailboxes in Krueger-Dunn; 2) a possible illegality exists for such

worker Nikki Collins in lieu of W. G. Ferris, dorm coordinator's absence.  
The mailboxes had previously been used by other groups as means of reaching residents with un-metered, non-postage mailings, McRoberts said.

Magruder was announced as the winner of the Residence Hall Association presidential race.

Funderberg brought seven exhibits to illustrate his points.  
McRoberts answered Funderberg by saying use of the mailboxes was approved by postal

Magruder's campaign literature cited experience in both the dorm government and dorm activities.

McRoberts admitted that although Magruder had held a defacto dorm position, it was only for a short time. He maintained that Magruder had served in dorm government, however.

In reply to the accusation of unfair use of the mailboxes, McRoberts said that the mailing was done in good faith with authorization. It was a smart campaign tactic, McRoberts concluded.

Funderberg said that Collins didn't have the authority to make such a decision, in rebuttal to McRoberts' statements.

The 5-3-1 decision upheld Magruder's election as RHA president.

## Local mayor quits

HEARNE, TEX. (P) —Mayor Mike Abrams, indicted along with four city councilmen in connection with a \$12,000 check made out to a non-existent engineering firm, resigned Monday night. His wife cited ill health for the mayor's resignation, saying

Abrams was asleep and could not be summoned to the telephone for an interview about 11:15 p. m.

Hearne City Manager E. C. Suggs said he heard Abrams resigned at a city council meeting Monday.

However, Suggs said he left the meeting early.

City clerk Mae Beth Bishop revealed the check earlier this year when she said Abrams directed her to make it out in 1971.

She said Abrams told her the money went to U. S. Rep. W. R. Poage's campaign chest. Poage, a Democrat from Waco, denied receiving the money and requested a federal investigation.

Abrams later apologized to Poage.

Indictments were returned against Abrams and four city councilmen.

Mrs. Bishop has since been fired.

April 19 a tale of murder and general criminal intent is the subject of "Wait Until Dark." The romantic comedy by Woody Allen, "Play It Again, Sam," was in the Theater April 29. The classic "Glass Menagerie" is in preparation for a May date.

Since the 1971 razing of Guion Hall, the old theater that used to be where the Rudder Center now

stands, the troupe has traveled like a roadshow to auditoriums and cafeterias all over town doing a show each semester. In the past five months the Aggie Players have presented six programs in the Rudder Center Theater and Forum.

"The Devil's Disciple," "The School for Wives," "Rain," a reading and modern dance of "Beowulf," and two presentations of scenes by student directors have occupied the company thus far.

### Cotton queen

The Queen of the 40th annual Cotton Pageant Mary Claire Brundrett of Refugio, was crowned Saturday night. A sophomore speech pathology major at Texas Christian University she was sponsored by the Refugio County A&M Mother's Club.  
Anthony Dorotik of El Campo, senior agronomy major, was crowned King Cotton. Dorotik was selected for the honor on the basis

of his outstanding student activity record.

Eight members of the queen's court were also selected.

They are Cathy Briggs, Bryan; Pam Neeley, College Station; Melissa Nevill, Bryan; Julie Speights, Bryan; Pamela Maurer, College Station; Debi Llewellyn, Austin; Ruth Rankin, Brenham; and Kim Tomes, Houston.

### Emergency relief

American Red Cross Staff and Volunteers have been working around the clock to help with relief of thousands of tornado victims in eleven states that were hit with eighty tornados, the worst in 49 years.

There have been more than three hundred persons reported killed and thousands injured.

Home destruction is running in the thousands of dollars.

Red Cross Chapters across the nation are accepting special assistance to help finance the aid in the disaster areas. Your help is needed and donations may be made to the Disaster Relief Fund at the American Red Cross Office, 1706 Texas Ave, Room 216, Bryan, Texas.

### Student opinions

Town Hall individual preference polls will be the principle criteria by which performers for the 1974-1975 series of concerts are chosen to appear.

The student opinion polls containing names of various popular recording artists will be available at Sbsa, Krueger-Dunn and Duncan Dining Halls, aboard all shuttle buses, at the University Center and for off-campus students in each of the different apartment managers' offices. Surveys are to be deposited in the ballot box provided.

The polls will be reviewed by

the Town Hall selection committee and attempts will be made to coordinate the open dates on the most preferred artists concert tours with the open dates on the Town Hall calendar.

Unfortunately, the same artists who are popular at TAMU are very likely to be popular elsewhere also. Many bands make commitments more than a year in advance and are not available on certain dates. Hopefully, by scheduling Town Hall selection committee meetings earlier this year than usual this problem will be eliminated.

### SCONA preparations

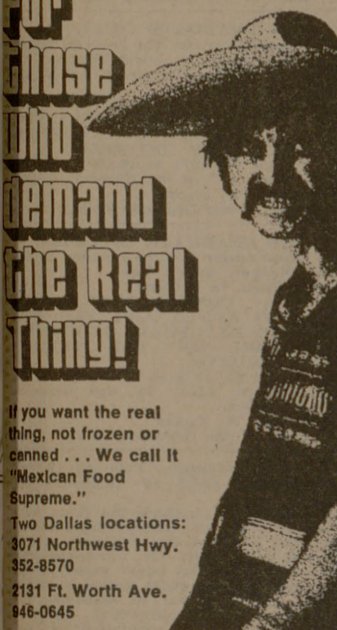

SCONA, Student Conference on National Affairs, is looking ahead to its 20th year already.

John Nash, chairman, says the SCONA executive committee is seeking student input in choosing a topic for the event next spring. He asks interested students to drop off suggestions at the SCONA cubicle in the Student Programs Office in the Memorial Student Center. They can also be phoned in at 845-1515.

A meeting to discuss topics will be held Thursday at 7 p. m. in the Council Meeting Room of the Student Programs Office, Nash said. All students are invited to bring suggestions.

# IT'S A RIP-OFF

Have you read those recent announcements in THE BATTALION, outlining a program where students can now purchase brand name products direct from the manufacturer or distributor? They claim they can save students the huge retail mark-up on the majority of products they are buying now and will soon be buying after graduation. Nothing is that good. IT MUST BE A RIP-OFF—RIGHT? Did you also hear they guarantee - in writing - double the difference back in cash . . . should the buying service price in every area, not be lower than all other discount or regular retail store prices! No one could do that on over 750,000 products—even if they have been in business for twenty years. THERE MUST BE A CATCH! Of course you have heard that a few of your friends attended meetings, explaining the buying service, and were excited about the money they could save. But what do they know—YOU'RE NOT GOING TO GET RIPPED-OFF! Besides, you can't afford to take forty-five minutes at a meeting to find out how to save 600 - 1000 dollars on your next car, or thirty to sixty percent on your next stereo purchase, or most anything you're going to buy.

YOU ARE RIGHT - IT'S A RIP-OFF! EVERY DAY YOU CONTINUE TO BUY ITEMS ON THE RETAIL LEVEL, YOU ARE BEING RIPPED-OFF!

But you'll have no one to blame but yourself if you don't take the time to find out more about this buying service program. Make us prove it to you!
