

# Council approves P&Z appointment

Two reappointments and one new appointment to the College Station Planning and Zoning Commission were made by the City Council Monday.

John Longley and George Boyett were approved for another term, but Barney Stevenson was chosen to replace Chris Mathewson. Sources told The Battalion Mathewson wanted to serve again but the council rejected him in closed session after an involved discussion.

Also in closed session, the council considered the acquisition of right-of-way of lands for future use by the city.

In an hour-long public discussion the council debated various methods of presenting the council's agenda. Five different motions to change the time and day of regularly scheduled council meetings were made and defeated. The council finally will continue meeting on the fourth Monday of each month at 7 p.m.
