

# Sikes takes class one Autocross

By MARY RUSSO  
Squealing wheels and dipping chassis were the scene at the A&M Sports Car Club autocross Saturday afternoon.  
After a morning of practice runs, the parking lot across the tracks became a bed of rubber as 45 participants took their turns at challenging the clock.  
The Sports Car Club Association has eight classes, all were represented.  
Taking class one was Lee Sikes of

Houston driving a Corvette turning in a best time of 45.5. Challenging Sikes for the place was Bill Schmidt, also of Houston, who also turned in a best time of 45.5 seconds. In the run-off Sikes came in on top with 46.0.  
Two other classes sported show-downs. Class three champ Arnold Ashburn drive his Fiat 850 around the course in 51.0 seconds in the run-off with John Jackson and his MG-TD. The original times were 51.0 and 50.9 respectively. On the

second run Jackson turned in a 52.3.  
Mary Jane Sikes, driving her husband's corvette took the ladies' division trophy by driving a 49.3 second course. Her nearest competitor, Imogene Chamberlain took-off before the finals could be run. Chamberlain's time was 49.2 in a BMW.

Other winners were: class two, Mike Sabin in an Alpha Romeo at 47.9; class four, Fraser Border in a VW with a 49.5; class five, Chris Corich in a BMW with a 49.3; class six, Lonnie Henderson in a VW with a 48.7 and class seven, Lee Johnson in a Camaro with a 52.8.  
The club is planning another challenge sometime in October.

MIKE VANDERHURST awaits his turn in Saturday's autocross tournament. (Photo by Mary Russo)

# Soccer team has potential, no coach

By BOB GIBBONS  
The soccer team is about as stable as the fledgling World Football League.  
This instability exists because they need a coach.  
Tony Gallucci, the team secretary, summed up the situation: "The NCAA will sanction a school in soccer as long as it has a head coach. Since we have no coach and therefore are unstable, the athletic department cannot support us financially. As a result, we have been scrimping for funds to pay for the transportation to away games and the referees needed for home games."  
Many people are unaware that soccer is one of the most popular sports in the world. The game is filled with bruising action, especially in team competition in Europe and South America. Soccer draws among the largest crowds in the world and boasts of some of the highest paid stars, notably Pele of Brazil and Johann Cruyff of the Netherlands.  
There are no big stars in the Texas Interscholastic Soccer League, in

which the squad competes with 14 other teams. The league consists of a majority of SWC schools, several smaller schools and is divided into three conferences with two divisions in each conference. The Aggie team is in the Northern conference, along with LeTourneau, Stephen F. Austin, Texas, SMU, and Baylor. The squad plays each team in its conference twice for ten games. The soccer season lasts from Sept. 21-Nov. 24.  
The league is characterized by stiff competition. Last year's champion, SMU, won both its playoff game and championship game in overtime. SMU, a sanctioned team, traveled to the NCAA soccer playoffs to compete with UCLA and last season's eventual champion, St. Louis University.

This year SMU is favored to take the league crown. They will be hard to beat with incoming freshmen such as goaltender Joe Hight, who was a high school all-American and toured Germany with a Texas all-star team.  
The A&M squad looks promising this year because of several standout freshmen from the soccer-crazed Dallas area and players from 13 foreign countries. The team's record stands at 0-0-2 so far after playing to standoffs with LeTourneau and Stephen F. Austin.  
Meanwhile, is there a soccer coach in the house?

BEGINNING WITH THE TOWN HALL SERIES PRESENTATION OF DOUG KERSHAW ON OCT. 11, GENERAL ADMISSION TO SERIES ATTRACTIONS WILL BE BY PRESENTATION OF TICKETS AT THE DOOR ONLY. As an Advanced ROTC student, you are eligible to apply for USAA insurance—for your car, personal possessions, and personal liability. USAA is an association of officers serving fellow officers with the lowest possible premiums, quick and fair claims settlements, and a sharing of dividends. (Though not guaranteed, USAA has been paying dividends every year since 1924.) You may save as much as \$20 to \$60, depending on where you live, on auto insurance alone.

And a special USAA feature, the Household Goods Policy, is available to insure your personal property at home, at school, or in your car, for only \$10 per year per \$1,000 of insurance protection. Small wonder more officers insure with USAA than all other insurance companies combined. Mail the coupon for details—at no obligation.
